### **NEIL KEENAN UPDATE | AMANAHA OF OZ: Back To The Future Spice Routes – Silk Roads Reboot & Yellow Brick Road Reset**

January 11, 2020

**THE AMANAHA OF OZ: Back to the Future Parts I-VII** series features Neil Keenan as the 'elected' **Amanah** overseeing the Global Collateral Accounts – secreted Bunkers of **precious metals, gemstones** and **worldwide currencies** – while operating hand-in-hand with the Sultan and Asian Elders.

As Amanah, Keenan may forge the **Non-Aligned Movement Nations**, reboot the **Ancient Spice Routes – Silk Roads** infrastructures and reset the **Yellow Brick Road** assets per Global Collateral Accounts of **OZ (troy ounce, ounce-force, fluid ounce)**.

*In honor of the late M1-President Soekarno and President John F. Kennedy for their **1963 Green Hilton Agreement** and the **U.S. Treasury Gold Standard Executive Order 11110**; the Amanah and Group K dedicates the **AMANAHA OF OZ: BACK TO THE FUTURE PARTS I-VII** to the visionary leaders. Amanah Keenan is committed to restoring, resetting and separating the Eastern Financial Institutions from the corrupt, globalists Western Financial System. Thus, assuring the ultimate demise of the Cabal with its corrupt pirating and nefarious means to rule Eastern Asia's Global Collateral Accounts.*

# EXECUTIVE ORDER 11110

**Five months before his assassination, President John F. Kennedy issued this executive order that would give American currency back to the people by printing money based on a silver standard, and take away the power of the Federal Reserve banking cartel. Many argue that this was the biggest reason JFK was murdered.**

The premise of the **Amanah of Oz: Back to the Future** revisionist-history series is to showcase and garner considerable attention of untold lore with original, sourced facts and archeological evidence by highlighting the Cradle of Civilization – **Ancient Atlantis, Sundaland, Srivijaya** and **Majapahit** Golden Age Empires. Over Southeast Asia's eons of human existence, there's undergirding trade substructures of the Old Spice Routes – Silk Roads and Yellow Brick Road, which amassed unfathomable gold assets, impacted the past, influences the present and leverages future infrastructures.

**Tracing the Cradle of Civilizations in Sundaland:** A video presentation by **Dhani Irwanta** at the ASEAN Advance Archaeology Symposium 2017 in Butuan City, Philippines.

Group K's 'Prosperous Victors' initiative is a compendium of scholarly research findings mixed with an East Asia paradigm shift in our resolute perspective to exclude the European Conquerors and Western WWI-II Victorious centuries of contrived narratives.

With Amanah Keenan's 'elected' and mandated authority, the **AMANAHA OF OZ: Back to The Future** series will provide relevant revisionist-history content for one to reflect on and learn from resulting in a profound foundation from which to envision the future with hope and optimism.

The Amanah and Group K ensures East Asia's **Cradle of Civilization** authentic past be known, assures justice and resolution, as well as promises peaceful prosperity. Indonesia with its **Ancient Atlantis**, **Sundaland**, **Srivijaya** and **Majapahit** Empires civilizations will be reconciling, reclaiming and rejoicing as 'Prosperous Victors.'

Timelines are cyclical and convergent. Individual-collective consciousness collapses and creates new timelines. The AMANAHA's Golden Age revival with a redo of the **Ancient Atlantis**, **Sundaland**, **Srivijaya** and **Majapahit** Golden Age Empires will ultimately become a '**Prosperous Victors**' timeline.

#### **Addendum: A Revisionist-History Overview – Documented Discoveries and Maps**

While researching **AMANAH OF OZ Back to the Future: Spice Routes – Silk Roads Reboot** and the Yellow Brick Road Reset, Group K discovered disruptive and coincidental findings aligned with **Sterling and Peggy Seagrave's Gold Warriors** research book.

The discovery of the new human species – **Homo Luzonensis** in the Indonesian-Philippine Island of **Luzon**. During WWII, Luzon is where **Shigenori Kuroda** – the Japanese Military Governor of the Philippines – planned and prepared for Japan's military ten divisions to be stationed for its American battle while hiding Japanese gold treasures (stolen from China) in bunkers also known as **Yamashita's Gold**.

As the unexpected result of our coincidental discoveries, the 'Prosperous Victors' initiative was inspired to contemplate on and write a revisionist-history from an Eastern-Asian perspective:

As a follow-up, Group K has begun researching the Kuroda Ancestry link with the **Yamashita's Gold** legacy to affirm a possible connection with the present Bank of Japan, **Governor [The 31st] : Mr. KURODA Haruhiko**.

#### **► New Human Species Found in Ancient Indonesia / Philippines**

Excavations in southeast Asia have unearthed a previously unreported hominin species named *Homo luzonensis*. The discovery has implications for ideas about early hominin evolution and dispersal from Africa.

A joint Australian-Indonesian team, looking for evidence of the early migration of *Homo sapiens* from Asia to Australia, stumbled on the remains of a small human in the cave of Liang Bua, Flores, in 2003. The discoverers (Peter Brown, Michael Morwood and colleagues) argued that a variety of primitive and derived features identified the remains as that of a new species.

### Theories:

Currently there are three very different theories regarding the origins of modern Southeast Asians. The viewpoints about the origins of these peoples are entangled with the wider debate regarding the origins of all modern humans:

1. The generally accepted theory, based on the 'Out of Africa' model, is that modern humans migrated from Africa and across to Asia about 50-70,000 years ago.
2. Some scientists believe that Southeast Asians are the direct descendants of *Homo erectus* that migrated from Africa and across to Asia about 1.8 million years ago.
3. With recent New Human Species discoveries, the "Out of Sundaland" has become the new and third model. Sundaland, as the Cradle of Civilization, challenges the African origination of the Human Species by theorizing the New Human Species from the Ancient Atlantis, Sundaland and Indonesian region.

### ► [The First Modern Indonesians](#)

The Indonesian fossil record was once argued to provide evidence for a regional or localized evolution. A direct line of descent was claimed from *Homo erectus* people such as Java Man through to modern Indonesians and also to Indigenous Australians.

The first humans to colonize Indonesia and Australia probably had their origins in a more recent movement of *Homo sapiens* through the Indonesian archipelago.

## Key Specimens:

- ▶ Solo Man skullcap from Ngandong. This skullcap shares similarities with earlier *Homo erectus* specimens from Sangiran and is considered to be a late *Homo erectus*. Age is uncertain and, because its exact location is unknown, published dates have ranged from 50,000 to 500,000 years.
- ▶ Java Man (Trinil 2) from Trinil, Java. This is the *Homo erectus* skull cap discovered by Dubois in 1891 and dated to 500,000 years.
- ▶ *Homo floresiensis* is known to have lived on Flores as recently as 54,000 years ago.
- ▶ Specimens of *H. luzonensis* were dated to minimum ages of 50,000 and 67,000 years old, which suggests that the species was alive at the same time as several other hominins belonging to the genus *Homo*.
- ▶ Wadjak skull from Java. This is a *Homo sapiens* skull discovered in 1889 but not described until 1921. Its age is uncertain but it is probably less than 20,000 years old and may be as young as 8,000.

## ▶ The WW II Island of Luzon Coincidental Connection of Homo Luzonensis Findings

Are the ancient caves in the Island of Luzon of the newly discovered Human Species, [Homo Luzonensis](#) the locations where the WWII Japanese Gold Loot was buried and are still hidden?

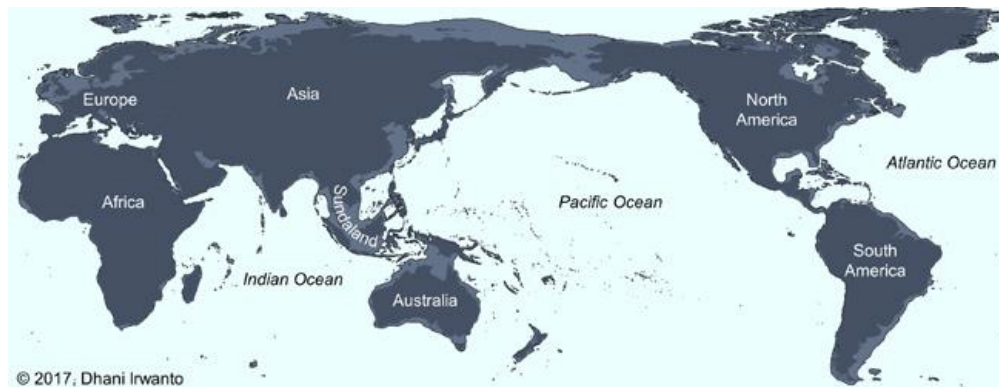

From May 28, 1943 to September 26, 1944, [Shigenori Kuroda](#) was made military governor of the [Philippines](#), succeeding [Shizuichi Tanaka](#) in the said post. He later became the first Commander in Chief of the [Japanese Fourteenth Area Army](#), which were the merged elements of the Japanese 14th Army, [35th Army](#) and [41st Army](#), in the [Philippines](#) from July 28 to September 26, 1944.

► By early 1944, the [Imperial Japanese Army General Staff](#) anticipated the return of American forces to the Philippines. So, the weight for preparing against an American landing fell to Kuroda. Kuroda planned to concentrate the bulk of the Japanese forces in **Luzon**, but his plan was never considered by the Imperial Army General Staff. The staff instead devoted only five of his ten divisions in Luzon, which was said to have no experience in any of the past Japanese campaigns.

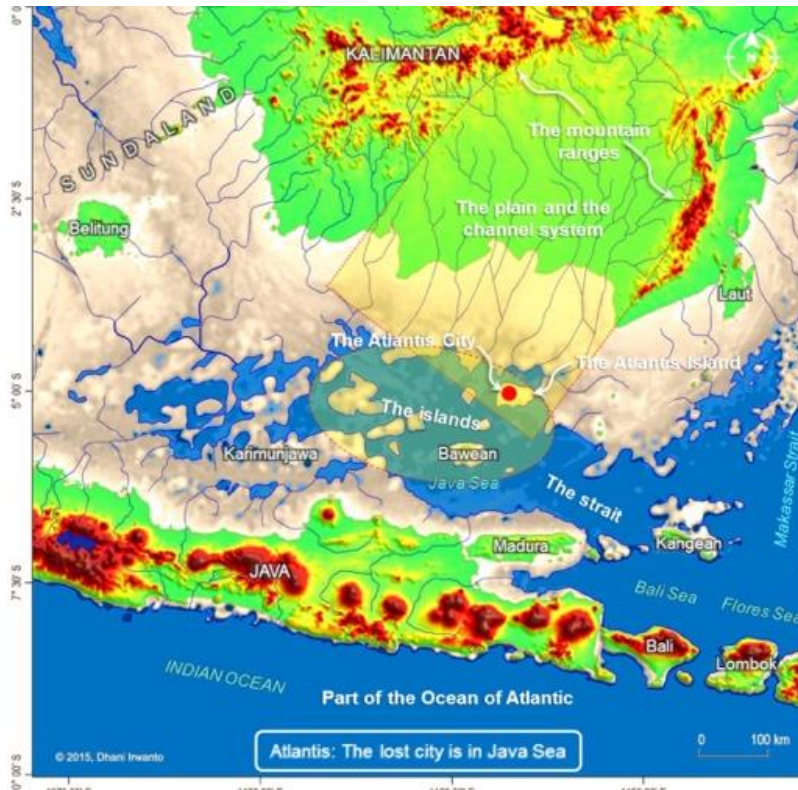

► After being denied of his ideas for the defense of the Philippines, he was accused to have been lax in his duties and was replaced by [Tomoyuki Yamashita](#), his former schoolmate in the Army War College, who was touted as a “superb and excellent tactician,” after the fall of his patron **Hideki Tojo** from power. Kuroda returned to Japan in disgrace in October 1944 and entered the reserves in December of the same year. After the [surrender of Japan](#), Kuroda was arrested by [American occupation authorities](#) in 1946 and held in Yokohama Prison. From: ‘[Gold Warriors](#)’ by [Sterling and Peggy Seagrave](#).

► Yamashita's gold, also referred to as the Yamashita treasure, is the name given to the alleged [war loot](#) stolen in [Southeast Asia](#) by [Imperial Japanese](#) forces during World War II and hidden in caves, tunnels, underground complexes, or just underground in the Philippines. It is named after the Japanese general [Tomoyuki Yamashita](#), nicknamed “The Tiger of Malaya”. Though accounts that the treasure remains hidden in the Philippines have lured treasure hunters from around the world for over fifty years.

## ► The Present Belt and Road Initiative and Blue Dot Network

**Mapping the Belt and Road initiative: this is where we stand**

**Explore our interactive map** to take a closer look at BRI projects. Click [here](#) to learn more about the MERICS BRI database.

► **First**, in the fall of 2017, the BRI was introduced into the Chinese Communist Party (CCP) constitution. The CCP is also ensuring a flow of financing into BRI projects. Even as it introduced capital controls that make it harder for Chinese companies to invest

abroad, it still channels funds into specific sectors and regions – and BRI policy goals are a strategic priority. The excessive debt levels of many target countries receiving Chinese loans have, however, sparked concerns about the BRI's financial sustainability and have made mobilizing private investments and commercial lending a priority for Beijing.

► **Second**, rather than remaining limited to initial target regions along historic land and maritime routes between China and Europe, the geographical scope of the BRI is constantly expanding. Last year, the “Vision for Maritime Cooperation under the Belt and Road Initiative” introduced a new so-called economic passage through the Arctic to Europe (as marked in the map above). Beijing also signaled its intention to further expand the BRI into Latin America. The increasingly global scope of the BRI underlines that Beijing uses the initiative as a vehicle to frame and market its overall foreign policy. MERICS' tracking efforts reflect this trend.

► **Third**, BRI is no longer limited to economic goals. The “Vision for Maritime Cooperation” includes a sub-chapter devoted to security issues as one of Beijing's cooperation priorities. In view of China's ballooning investments and growing Chinese expat communities in risk-prone countries, Beijing has become convinced that it has to take security concerns along the BRI routes in its own hands.

### ► US 'Late' in Pushing Blue Dot to Counter China's Belt and Road

Infrastructure certification with Japan and Australia taps into debt trap fears.

U.S. President Donald Trump and Chinese President Xi Jinping. The world's two biggest economies have competing visions for developing infrastructure globally. A U.S.-led scheme to counter China's Belt and Road Initiative remains in the embryonic stage — six years after Beijing unveiled its grand infrastructure plan with great fanfare.

The U.S., Japan and Australia unveiled the [Blue Dot Network](#) at a summit in Bangkok in November of 2019.

Blue Dot Network participants – from the public, private and civil society sectors – believe in building and financing quality infrastructure projects. Certified Blue Dot Network projects exemplify quality infrastructure principles as set out in the *G20 Principles for Quality Infrastructure Investment*, the *G7 Charlevoix Commitment on Innovative Financing for Development* and the *Equator Principles*.

The Blue Dot Network aims to promote quality infrastructure investment that is open and inclusive, transparent, economically viable, financially, environmentally and socially sustainable, and compliant with international standards, laws, and regulations.

### **What is the Blue Dot Network?**

- The Blue Dot Network will bring together governments, the private sector, and civil society under shared standards for global infrastructure development.
- The network will certify infrastructure projects that demonstrate and uphold global infrastructure principles.
- Certification by the Blue Dot Network will serve as a globally recognized symbol of market-driven, transparent and financially sustainable development projects.
- By proposing a common standard of project excellence, the Blue Dot Network will attract private capital to infrastructure projects in developing and emerging economies.

### **What are the principles underlying the Blue Dot Network?**

- The Blue Dot Network vision uses as its foundation established global infrastructure principles set out in the *G20 Principles for Quality Infrastructure Investment*, the *G7 Charlevoix Commitment on Innovative Financing for Development*, and the *Equator Principles*.
- The Blue Dot Network builds on the success of Japan's G20 leadership in building consensus on the *Principles for Quality Infrastructure Investment*, which is the basis for the visions of the Blue Dot Network.

### Blue Dot Network: The Belt and Road Alternative

#### **Compare and contrast project financing facilities of the BDN and China's Belt and Road Initiative (BRI).**

A comparison of the financing facilities is very difficult. For one thing, very little is known about the financing terms of BRI projects. The lending practices of Chinese policy banks like the China Development Bank and China Export-Import Bank are notoriously opaque, even to other Chinese government agencies.

On the BDN side of the equation, the initiative hasn't been fully fleshed out yet, and project financing facilities are among the many details that have to be clarified. Presumably these will broadly align with the current policies of JBIC, DFAT, and the new DFC. But again, the latter just started operations and has yet to find its "sea legs" as a lending institution.

Assess BDN's effectiveness as a geopolitical mechanism to counter China's BRI. The three governments have been at pains to say that the BDN is not a response to China's Belt and Road Initiative. However, cynics have argued that the choice of "blue" in the initiative's name was not an accident: a clear contrast to the "red" of BRI.

As we said in our recent CSIS commentary, the United States and its allies cannot and should not try to compete with China over every infrastructure project in the world. Washington will never spend the kind of money that Beijing says it intends to through BRI. But the United States also has a commercial and strategic interest in promoting infrastructure around the world, and it brings unique assets to this effort. These include innovative companies, technical expertise, rule of law, and, as I mentioned earlier, trillions of dollars of pension and insurance funds looking for long-term returns. The United States can and should compete in providing needed global infrastructure.

Blue Dot projects, piecing together a global map of quality infrastructure. undertakings.

*Hello Everyone,*

*Just letting you know I am not just sitting on my ass during this break, but I'm working my tail off regarding Obamas' attempts to breach and infiltrate the Eastern-Asian Academic System with his man wife Michael/Michelle under the pretense of the [Obama Foundation Asia-Pacific Leadership Development Program](#) and [Girls Opportunity Alliance](#), as well as digging into [Coronavirus](#) (aka CoVid-19) origins, bio-labs producers, and vaccine distributors, etc.*

*It appears the Queen herself has something to prove to President Trump. Of course, President Trump is showing the [Nazi Khazarian Empire Battenberg Family](#) member, which end is up—despite the fact that the English Monarchy has great holdings in the [United States Corporation](#)—which has literally, along with its European associates, been robbing the US populace blind, that it is time to set the record straight.*

*So you just might see that this is a battle between the Queen and President Trump playing out now with the Coronavirus being the false flag, which is needed for travel bans, quarantines to protect and distract the global population during covert US Military Operations i.e. [European Defender 20](#) with its 20,000 military troops exercises throughout Europe.*

*Meanwhile, President Trump will use the U.S. travel bans, massive mandatory quarantines and self-quarantines, as well as other methods being imposed upon the people by declaring a National Emergency as a screen to hide the covert U.S. military exercises. All the while by finally making his moves to assist the planet in taking back what is rightfully theirs from the Nazi/Khazars.*

*Do not think for one second there's not a cure for the Coronavirus. It has been out there for a long time with different strains of and vaccines for numerous viral diseases for decades i.e., Flu Strains, SARS, MERS, HIV, etc. When bio-engineering a viral bioweapon the scientists also create an anti-virus solution, which becomes a profitable vaccine and ultimately an amplifier for the viral diseases.*

*Besides the Queen, you may well know the names of the other people and entities who are involved i.e., George Soros, Bill Gates, DARPA, EU and Big Pharma etc. They should all be indicted and brought forth to justice on numerous charges including MURDER. The families of every person who has passed away due to the Coronavirus should hold those that made it as a bioweapon be held responsible and there should be no exceptions.*

### Americans 4 Innovations

The British Crown and the C.I.A. teamed up treasonously via QinetiQ Group Plc controlled by the Monarch Lord Pirbright (Rothschild) and his banker cousins at N.M. Rothschild & Co. were godfathers of the 2nd Boer War concentration camps (1899-1902) to drive the French, Dutch and Germans out of South Africa.

**New Evidence:** Leading London Jews were running the first modern war concentration camps where over 60,000 whites and blacks died, including more than 14,000 mostly white children who were subjected to Burroughs Wellcome & Co. (now Wellcome Trust—Coronavirus funder and Glaxo Smith Kline) vaccine experiments. These Privy Council and Parliamentary records have been discovered after finding missing documents.

One of our conclusions from this investigation is that The Pirbright Institute is very evidently part of the Pilgrims Society's 200-year Rhodes plan to create an un-elected one-world government where America is made subservient to the Pilgrims Society and

its United Nations. **As we are just now discovering, Rhodes had a mentor for his 200-year plan—with the Coronavirus** a new ring leader in the creation of the Pilgrims Society (1902) has just emerged from hiding in the history books.

The tracing of patent ownership lineage of “U.S. Pat. No. 10,130,701, Coronavirus” led us to The Pirbright Institute, Surrey, UK, near Woking and Guildford. The man who appears to be the Pilgrims Society nexus point is *not* Cecil Rhodes, but rather Rhodes’ Rothschild family mentor **Henry (Rothschild) de Worms, 1st Baron Pirbright**, sometimes referenced simply as “Lord Pirbright” or “Baron Pirbright.”)

The topic “Pirbright” has many tentacles. The Pirbright Institute is a research institute in Surrey, England, dedicated to the study of infectious diseases of farm animals. It is located on 200 acres of land controlled by the British Ministry of Defense (MOD), just south of the village of Pirbright.

The Pirbright Institute has close affiliations with vaccine pharmaceuticals including British Merial (originally a joint venture between drug companies U.S. Merck and French Sanofi-Aventis), German Boehringer-Ingelheim, British Wellcome Trust, and the Bill and Melinda Gates Foundation. Wellcome Trust and the Gates Foundation are the two largest investors in pharma research and they heavily fund The Pirbright Institute.

**Vaccine Shell Games:** Merial Animal Health Limited (50% owned by U.S. Merck) was sold to French Sanofil on Jul. 30, 2009; then three months later on Oct. 12, 2009, built a \$70 million production plant named Merial Animal Health Co., Ltd. (Nanchang, China); then sold to German Boehringer Ingelheim GMBH on Feb. 09, 2017), but still produces poultry vaccines from their 12-acre plant having retained the name Merial Animal Health Co., Ltd. (China) – just a 4-hour drive from Wuhan, China.

In other words, you are forbidden from giving a patent application misleading name. Indeed, there are currently 75 patents with coronavirus in the title. The Coronavirus patent is one of 11 awarded to The **Pirbright Institute**. These titles described the uniquenesses of each claim (a requirement). For the **Pirbright Institute** U.S. Pat. No. 10,130,701 to be allowed the name simply “**CORONAVIRUS**” means what it says. Also remember, British **SERCO** manages the patent approval process at the U.S. Patent Office, the possibility of fraud is heightened, especially considering that **SERCO’s** sister company **QinetiQ**—both controlled by the Monarch’s Golden Share giving 100% veto power over operations—essentially approved the patent to themselves. This is evident fraud.

### PROLOGUE

AMANA NEIL KEENAN: *"I believe you know me by now and realize that I like cracking jokes, despite the pressure. And to be frank, if I have a choice on how to handle things, I would rather joke about the entire mess and deal with it without your having to face it or even know it is being dealt with – and then finally reappear making light of the entire issue.*

*There's no need for everyone to feel the pressure if myself and Group K can make all the Cabal corruption just go away. It's become apparent to my worldwide followers that the music playing today is a familiar song to me. I'd rather be the chosen one who faces the Cabal music as an end to the means of changing the Global tunes to singing victorious humanitarian harmonies.*

***After nine assassination attempts on my life and the losses of my dearest and trusted friends; I fully understand the score card of this Cabal 'ball game' we've been playing for years – which ultimately determines the outcome of civilization.***

► *First of all, our opposition has had their side picked for a long time, while we are finalizing the line-up of ours. So, the best I can think of saying is: 'Give me that damn bat! We are not losing today or any day'... I just have to be ready for the spitter, you see, they do not play fair. I don't strike out. I'm a slugger who has more than nine lives."*

### “THE TRUTH WILL OUT” THE CABAL: [The Black List](#) – Raymond Reddington

*Raymond Reddington is taking out [“The Cabal”](#) in his [“The Blacklist”](#) television world. Now it’s time for us to do the same in our world, the ‘real’ world. Myself and Group K are about ready to let things fly in this **Worldwide Wheelhouse**.*

*I’ve said for many years that Indonesia is at the epicenter of everything that needs to transpire. It had to be. Indonesia has been at the epicenter of the world since Atlantis and the Ancient Spice Routes-Silk Roads, as well as the 1950’s when the Western Alliance and Japan moved their stolen assets (mostly from China) throughout Asia to be used by them at a later date.*

*With the stolen assets being the real prize of the war, which coincidentally was planned no later than 1921 by Emperor Hirohito and the Western Powers in London. No sooner had the First World War ended and we had conspiracies beginning for a Second World War. Soon after the Second World War and the theft and rape of many nations, we had the Bretton Woods agreement, which only gave the West – who created their own financial system – the opportunity to steal whatever it is and the loot they tucked away.*

***And they did tuck it away for a rainy day and that day is now, and the place is Indonesia. Group K and myself gives a special tribute to President Sukarno for his Valor and Vision in the AMANAHA OF OZ II: A TRIBUTE TO “M1” PRESIDENT SOEKARNO – AN ERA OF INDONESIAN HISTORY.***

*Without the stolen assets placed in Southeast Asia locations, mostly in Indonesia and Philippines, the West is going to suffer a horrible defeat. China is up on its heels, along with Russia, India and other nations including usual friends England and Germany – to be frank, ‘they’re not going to put up with Western bullshit any longer.’*

*The Western Cabal have been stripping Indonesia and other [NAM](#) developing nations down without firing a shot and magnificently so at that. Then again, the United States voted in a layman, President Trump, and he will be the one in the history books to right the worldwide wrongs of the Cabal Cartels. As President Trump is rolling out his “Calm before the Storm” plan and the Western Deep State are in a total panic.”*

#### ► **Sri Sultan Hamengkubuwono X**

**Sri Sultan Hamengkubuwono X**, the 10th ruler of Yogyakarta, comes from a long line of Javanese royalty, in which the throne is passed down from father to son over generations. He is also the city's governor, a political position he was democratically elected to in 1998 – an anomaly for any royal family.

Hamengkubuwono X has discontinued the [polygamist](#) tradition of Javanese monarchs having several wives and possibly multiple [concubines](#), as per his late father's wishes to modernize the royal system. He is married to [Ratu Gusti Kanjeng Ratu \(GKR\) Hemas](#). Their five daughters (in birth order) are:

Crown Princess [Gusti Kanjeng Ratu Mangkubumi](#) (heiress presumptive), [Gusti Kanjeng Ratu Condrokirono](#), [Gusti Kanjeng Ratu Maduretno](#), [Gusti Kanjeng Ratu Hayu](#) and [Gusti Kanjeng Ratu Bendara](#).

[Sri Sultan Hamengkubuwono X](#) was born BRM Herjuno Darpito, 2 April 1946 in [Yogyakarta](#), who is the [Sultan](#) of the historic [Yogyakarta Sultanate](#) in [Indonesia](#), and is currently also the [Governor](#) of the modern [Yogyakarta Special Region](#).

After the fall of the [Suharto](#) regime in May 1998, and following the death of Sri Paku Alam VIII on 11 September 1998, the central government required an election be held for the post of Yogyakarta Governor. Hamengkubuwono X was democratically elected as the Governor on 3 October 1998.

### **NEIL KEENAN UPDATE | Amanah Of Oz III: A Revisionist History Of The Global Collateral Accounts**

April 10, 2020

ONCE UPON A TIME in the Ancient Empire of Indonesia and presently the Global Collateral Accounts epicenter, Neil Keenan – the Green-Irish-American-Knight – charged the Cabal-Cartel with Legal and Lethal Lances...

**And this Back to the Future Never-Ending Story Begins Again...**

#### **PROLOGUE**

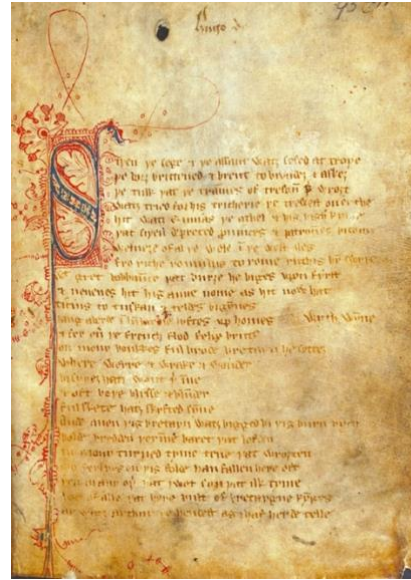

The [Sir Gawain and the Green Knight](#) manuscript describes how Sir [Gawain](#), a knight of [King Arthur's Round Table](#), accepts a challenge from a mysterious "[Green Knight](#)" who dares any knight to strike him with his axe if he will take a return blow in a year and a day.

Gawain accepts and beheads him with his blow, at which the Green Knight stands up, picks up his head and reminds Gawain of the appointed time.

In his struggles to keep his bargain, Gawain demonstrates chivalry and loyalty until his honor is called into question by a test involving [Lady Bertilak](#), the lady of the Green Knight's castle. The poem survives in one manuscript, *Cotton Nero A.x.*, which also includes three religious [narrative poems](#): [Pearl](#), [Purity](#) and [Patience](#).

All are thought to have been written by the same author, dubbed the "Pearl Poet" or "[Gawain Poet](#)", since all four are written in a North-West Midland dialect of Middle English.

### A Prologue of the Amanah and the Global Collateral Accounts

Neil Keenan the “Elected” Only Amanah

### Who is the Amanah Neil Keenan?

Amanah Neil Keenan (Cianain\*) is of Irish descent and was born in Rhode Island in the United States of America. Neil Keenan is an international businessman.

Before and especially over the last decade, Neil has challenged the cabal system, endured and in August of 2018, was elected (not appointed) by Indonesian Elders as the Amanah, as well as earning his way to become a “World Patriot” for humanity.

People have come to see Neil Keenan as a sort of modern-day Don Quixote – a knight on a mad “Impossible Dream” quest to vanquish the Hydra-headed ‘Bankster’ Cabal, as the world watches in mingled bemusement, admiration – or fear as myths and truths of the **Global Collateral Accounts** spreads worldwide.

Knightly quests were already fodder for comedy when Don Miguel de Cervantes penned his masterpiece four hundred years ago, sending up the ideals of chivalry in the person of the wild-eyed “Man of La Mancha” who tilted at windmills which appeared to his inner vision as malevolent giants.

Believe what you will, Keenan’s quest is no joke. The monster is real. The danger is real. And to Neil and those who work with him, the idea of a knightly quest to free humanity (however much we may make light of it) is in fact a core shared belief, which sustains us. But the phrase itself has been too archaic, too dusty, and too easily ridiculed to bring into the light of day.

**The “Global Collateral Accounts (GCA)”** – Who actually knew anything about the GCA 12 years ago? Very few, and even if you had asked Neil at the time, he would have said he didn’t know anything about them or their importance. He got involved thinking it was just another business deal. Neil learned quickly how much bigger this deal was/is and the cause to help humanity before himself.

During the past decade with rescuing the Global Collateral Accounts for the depositors, Neil has been in contact with a full scope of important world personalities (“the movers, makers and shakers”) from business, banking, trade, heads-of-state, royal families and Asian “Elders”.

They all know who Neil Keenan is and, of course, in this high-level financial game Neil has had to deal with the highest-level of the Cabal criminals – you name them! With his vast business experience combined with his nature as a sportsman and a fighter, Neil has always been fighting for the average person and helping the underdog – always for the greater good of humanity.

Neil’s unique track record which makes him ideally suited for his ongoing work with rescuing (recovering) the **Global Collateral Accounts for Humanitarian Projects**, which will in turn help to free humanity from the Cabal enslavement system. By example, Keenan has clearly demonstrated what one man can do, when challenged, to take on the global domination by those who are engineering the complete demise of mankind and the planet.

To prepare for his legal and lethal Cabal battle, Neil was mentored and guided by many including the late Dr. Michael Van de Meer the man known in real life as being the influence behind Ian Fleming’s books and movies “JAMES BOND” in other words he was JAMES BOND. Many others assisted Neil on his journey but none greater than Dr. Van de Meer.

Amanah Keenan's Tribute to Dr. Michael Van de Meer:

*"He is the man who talked to me for 3-4 hours a day – Saturday, Sunday, it didn't matter. He took me through the quagmires, the NWO, The Council of Foreign Relations, The Committee of 300, The Vatican – the people to watch out for, the principals involved in the poisonings – the toxins, and explained so much. He put my baby shoes on and taught me how to walk, then he put on a bigger pair of shoes and taught me how to run.*

*"He taught me about the gold, the bonds, the notes, and how they came to be. He wasn't only teaching me; he was teaching everyone who called him. At the same time, he was also helping people as a doctor; his kindness and generosity were unsurpassed. He fought with both Benjamin and me often, because we wouldn't listen, but it didn't really matter; our squabbles were always forgotten almost as fast as they started.*

*He was the cream of the crop when it came to the assets, to the Global Accounts. He knew all the players and knew where everything was buried including the bodies.*

*"I was a little boy running around wanting the stolen bonds entrusted to me to be returned and he did everything as humanly possible for this to happen. So many people lent me a hand, but the biggest hand of all belonged to Dr. Michael.*

*I wouldn't be in the position I am in today if it hadn't been for Dr. Van de Meer. He taught me so very much about things that never could've been taught. He was that special . . . Rest in peace my dear friend, I miss you." Neil Keenan*

On August 10th, Dr. Michael Meiring aka **Dr. Michael Van de Meer**, died in his sleep in extremely suspicious circumstances—the death certificate states 'heart attack' – and so why a private funeral with a closed casket? — although, Van de Meer was in robust health and full of plans for the future. Dr. Van de Meer was a very private individual who had to change his last name to Van de Meer many years ago.

The Doctor was getting unwanted publicity when his legs were blown off by an explosive bomb in May of 2002 while staying at the Evergreen Hotel in Davao, Philippines. The explosive device was tossed THROUGH his hotel bathroom window by Paola Duterte, a Canaris disciple of Bush and the son of the Mayor of Davao, who had given the good "Doc" the rights to a bunker filled with treasures on behalf of a large financial fee.

The explosive blast nearly killed Dr. Van de Meer – who was a naturalized American citizen named Michael Terence Meiring – who was a frequent guest over the last 10 years at the hotel. The circumstances behind Meiring's sudden departure from the hospital, in spite of his serious condition, raised questions about his real identity.

A number of officials in 'for background only' interviews, speculated Meiring may have been an agent of the US Central Intelligence Agency (CIA).

*Those who knew Dr. Van de Meer said that he referred to himself as a CIA agent, but said it stood for "Christ In Action," but he was a real MI6 Agent. He had frequently visited the Philippines for at least ten years. He claimed to be a treasure hunter, and had a company called Parousia International Trading (in Christian theology, Parousia is a term for the second coming of Christ).*

### From the Archives: The Meiring Mystery (2003 Series)

Two nights after Neil returned home from Indonesia with the **Book of Codes** or Black Book in his possession, Dr. Van de Meer passed away. He had spent an entire day explaining to Neil the priceless value of the book and what it means to the Planet.

Dr. Van de Meer had been after the **Book of Codes** for 30 plus years and he could not believe that Neil on his second trip to Indonesia had been given it to hold on to and take home with him.

The **Book of Codes** told the story of the 'Black Screens' and how the Cabal had been stealing not only from the East, but the West itself through the existence of a monetary system set up by the implementation of the Bretton Woods Agreement.

Follow the dots and you would clearly see exactly how the Western Cabal with its Banks, the Vatican and its Politicians misused and mismanaged stolen assets. The Cabal put the assets into accounts called **Global Collateral Accounts** for their own personal use to create wars, or biological weapons in order to keep the planet's population under control.

Although, Dr. Van de Meer was very reluctant to discuss his past, every once in a while, he would release little nuggets of information about growing up in South Africa and his extraordinary life. He said he grew up in a castle near the ancestral home of Sir Francis Drake. He also once let it slip that he was of the Queen Victoria royal bloodline and [Lord Louis Mountbatten](#) semi-royalty bloodline, whom he described as "not very nice people." When a group of Nazis, Khazarians and Fascists murdered United States President John F. Kennedy, they started out using this money to finance their project for a fascist "New World Order," Dr. Van de Meer set out to stop them.

The early James Bond movies are based in part of Van de Meer's battle against them. The cat-petting villain Ernst Stavro Blofeld, who was featured in the original James Bond books written by Ian Fleming, was based on Admiral Wilhelm Canaris, according to MI6 sources.

Canaris was not executed during World War 2 for trying to assassinate Hitler and in fact became head of the Nazi Odessa underground movement after World War 2. It was Dr. Van de Meer and his team's battles against Wilhelm Canaris and his group that formed

## AMANAH'S ODYSSEY | PROFILE OF VALOR & VICTOR ©

the basis of the original James Bond novels. Canaris was eventually defeated by Van de Meer only to be replaced by CIA Director, George Bush Senior, as the head of Odessa.

**Dr. Van de Meer himself, made a cameo appearance in a James Bond movie as a young British businessman sipping a martini – it was the first time anyone ever saw a Martini with 3 olives, which represents Health, Wealth and Happiness –**

The fictional character James Bond does not hold a candle to the real McCoy, the man most known as Dr. Michael Van de Meer. In one of his rare moments of immodesty, Dr. Van de Meer shared that “what James Bond does is rather tame compared to what I’ve done.

Of course, Dr. Van de Meer admits he was no angel and he had one huge regret in his life. When he was a young medical doctor in the 1950's he was sent to Africa to work with Dr. Jonas Salk, a man known to us as the developer of the Polio vaccine.

According to Dr. Van de Meer, who then went by the name of Dr. Michael Meiring, Salk and his team killed over 200,000 African green monkeys and sent their blood to the US (Nazi) biological weapons facility at Ft. Detrick.

Dr. Van de Meer discovered that the blood was being used to develop a disease aimed at depopulating Africa. It is now known as HIV or AIDS, which has now been connected to SARS / Coronavirus as well. From that point on, his career is something of a mystery.

He conveyed to a few people he trusted the story of his narrow escape in the Congo, where he was forced to confront mass murdering gun-men after crossing a Congo river filled with “hundreds of thousands of bloated dead bodies.”

After his time in Africa, Van de Meer spent 20 years in Asia, mostly the Philippines, researching the mystery of the missing “**Yamashita Gold**” that imperial Japan stashed there during World War II.

What Van de Meer discovered and shared with others in his inner circle was that much of the world's historical gold was being plundered by Nazis and Khazars.

### A Brief Overview of the Revisionist History Timeline

► 1. Between 1927 and 1938, under arrangements made between [T.V. Soong](#) (Finance Minister of China) and [Henry Morgenthau](#), Secretary of the Treasury, The United States Government purchased some 50 million ounces of silver and leased vast amounts of gold from the Nationalist Chinese Government, known as Kuomintang. During this period China was partly occupied by Japanese troops and there was the fear of China being overrun by the Japanese.

For all the treasure handed in, certificates were given to those who surrendered their precious metals. The surrendered precious metals and gemstones were sent to the United States under a lease agreement made between T.V. Soong and Henry Morgenthau. The Certificates became the underlying funds of the Kuomintang (Dragon Family) and were good and accepted securities.

► 2. In [1934 a new Securities Act](#) was promulgated in the United States, together with [the Gold Act](#), which required all bullion gold and gold coin to be surrendered to the

Federal Reserve, a private corporation chartered to operate as the Central Bank of the United States and to be the issuer of the currency known as the United States Dollar.

▶ 3. Domestically owned gold was purchased. Foreign Gold held by the Treasury was also surrendered to the Federal Reserve, so, was leased to the Federal Reserve. This began the series 1934 Notes issued by the Federal Reserve. These have never been redeemed and the interest cost was met by further issuances of the 1934 series FRNs ([Federal Reserve Notes](#)).

▶ 4. These 1934 FRNs guarantee the lease payments and to allow the Chinese Government to continue financially. These came under the control of the Kuomintang, the Nationalist Government in China from whom the Gold had been received. Chang Kai Chek, who fled to Formosa (Taiwan) after packaging much of the gold and distributing it along the way to nations, was granted safe passage to Taiwan. This is one of the reasons as to why there are assets and bunkers strewn throughout Asia.

The Gold had been nationalized by the Kuomintang, who moved most of the FRNs to Formosa (Taiwan), which was originally financed and developed from the value of the Kuomintang's FRNs. These Notes were the underlying wealth of Taiwan and they were good for the value as they were backed by gold.

What we have been misled to believe – through our faulty western history – is that the Marshall Plan built Taiwan (Formosa) with their assets. Actually, the real fact is that the numerous build-ups throughout Asia were financed by the Gold accumulated by the Chinese over a long period of time, which was being distributed by such means as plan i.e. The Marshall Plan.

▶ 5. During the Sino-China war, most owners of the depository notes issued by Chinese Banks were killed by the Japanese, others later being killed by both the Kuomintang and the Chinese Communists, thus the Gold became property of the Nation, especially so, the Kuomintang.

The Gold had been nationalized by the Kuomintang who moved much of the FRN's (but not all) to (Formosa)Taiwan, which was built on these notes, were the underlying wealth of Taiwan and they were good for value as they were backed by gold.

What we have been led to believe through our faulty history is that the Marshall Plan built Taiwan (Formosa) with their assets but in fact the entire build-up of (various parts of) Asia was financed by the Gold accumulated by the Chinese over a long period of time and which was being distributed by such means as plans such as Marshalls.

▶ 6. During the war in China, most owners of the depository notes issued by Chinese Banks were killed by the Japanese, others later being killed by both the Kuomintang and the Chinese Communists, thus the Gold became property of the Nation, especially so, the Kuomintang.

In Europe, Jews who had owned wealth were stripped of that wealth through various means and were then eliminated. The gold was taken either by stealth or by force, that is a reality of history. Another reality of history is that Hitler and Germany were financed by England and the US which was governed as a corporation.

▶ 7. The Kuomintang appointed guardians of this Gold and the securities issued by the United States; they are euphemistically known as the Dragon Family.

*The Dragon Family* is in fact an organization that operates between old families within China and Taiwan and as such, is the political divide of the two independent Chinese Governments.

Chinese are remarkable in this regard, that old family ties and functions supersede political arrangements which, though they might last for generations, are regarded as inconsequential over the passage of time to most Chinese. Attached to this is the wealth of several nations.

The United States in support of the Kuomintang and resistance groups actually printed more of these FRN notes *inside China itself*. These operations were run by the CIA to buy loyalty of various factions in the fight against the communists, eventually being driven out into Burma around 1960.

Largely due to the additional printing of these notes, the additional Notes were given in lieu of interest, but directed to specific persons and parties.

In Europe, Jews who had owned wealth were stripped of that wealth through various means and were then eliminated. The gold was taken either by stealth or by force, that is a reality of history. Another reality of history is that Hitler, the NAZI party and Germany were financed by England and the United States, which was governed as a corporation by the Cartel.

▶ 8. At the end of World War II, with Communist and Kuomintang factions at war in

China, the International Community and the Chinese assented to the Gold being placed under the overt control of Indonesian President Soekarno. Gold stolen, via the rape of Nanking, was sent to various Asian nations by the OSS and its officer [“Wild Bill” Donovan](#).

[“Wild Bill” Donovan: Father of US Intelligence](#) (OSS/CIA Video)

Soekarno then, on August 17, 1945, came to be known as M1 under United Nations Approval No. MISA 81704 **“Operation Heavy Freedom”**; later Soekarno became Amanah.

This was why much of the world's gold had been delivered into Indonesia and the Philippines. The West, Canada, Australia, Great Britain, India and other British Colonies sent their gold to the so called “Impregnable Singapore.” Singapore was rebuilt after the war by the Marshall Plan with its key objective to become a CIA stronghold....to this very day.

The Japanese, as per the arrangements agreed to by Hirohito in the [1921 Pact Between Nations](#) made in London, delivered much of this gold to Indonesia (then a Dutch Colony) and to Philippines (then a US Colony) into secret bunkers that had been mostly constructed by the Japanese between 1924 and 1945.

This is why the Allied troops in [Malaya](#) had no air cover or sufficient supplies that would have allowed them to resist the Japanese. Singapore had to fall so most of the global wealth could be “lost” into a secret system that made [the Gold Standard](#) redundant and fiat currencies a reality.

This gold was documented into accounts through the Swiss Commercial Bank Union Bank of Switzerland, placed under protection of the Swiss Attorney General, registered through the Swiss National Bank into the *Bank for International Settlements International Collateral Combined accounts* and then from within [the BIS](#), blocked to form the *Institutional Parent Registration Accounts of the Federal Reserve System*.

Later President Marcos of the Philippines was appointed (not elected) as 'M1'. Marcos held the position of M1 until 1987 when his authority over the Institutional parent registration Accounts was set aside. The system then reverted to the three Nations who had controlled these accounts since World war II: United States, Great Britain and France, who systematically and illegally subverted the established system since 1996.

► 9. From this we can see that there are two functional operations:

- a). One was ownership and Depository control by the Gold owners
- b). The other a control system set in place to administer and control the Collateral Combined Accounts as an independent Arbiter

Ownership rights are held by the signatory to the Depository Accounts in Commercial Banks and Control Rights have been held by M1.

► 10. So it was that *the entire world supply of bullion and coinage gold was withdrawn* and **fiat currencies** became the order of the day. However, underneath the notes and money issued by the Federal Reserve was the underlying wealth within a centralized system that Nations intended to be used equitably, but Bankers and Western Nations determined they would use to raid national economies.

► 11. In 1963, President **John F. Kennedy** entered into an Agreement with President Soekarno to provide the funds to allow the United States Treasury to print its own currency, thus subverting the "right" to print the currency held by the Federal Reserve. **11 days after signing this agreement, President Kennedy was assassinated.**

The Agreement would have transferred some 59,000 tons of gold to underpin this currency. The problem with this was that the US domestic currency would have then been backed by gold, which would have been a violation of international agreements meant to stabilize currencies.

President Johnson then suspended **EO-11110** as issued by Kennedy and transferred the bullion to the Federal Reserve. The Green Hilton Agreement was not implemented until 1968 when Soekarno fell from office and when Global Trade made it imperative that the world have a Global Currency.

**As the Gold had been transferred to the US Treasury in 1968, a series of Bonds known as *Kennedy Bonds* were issued in order to honor the terms of the Green Hilton Agreement made between Kennedy and Soekarno, the 1968 terms of the gold delivery to the United States being different than made in 1934.**

**When after 30 years, interest had not been paid as promised, a reissue of the bonds in an increased number were issued as commemorative notes and were accepted by the owners of the Gold, the Dragon Family.**

▶ 12. From copies of Bank documents received by **Neil Keenan**, within the [Green Hilton Memorial Agreement](#), the funds the amounts of gold and platinum are specified.

These amounts of gold are certificated and the certificates and ledger copies with full and exact identification and recognition codes are available. These certificates are further proven by the bank reports, copies of which are now held by Neil Keenan.

The truth of these instruments can be vigorously defended through documentation in our hands and further through interrogation of the *Black Screens* where the off-ledger collateral is held, together with an interrogation of the grey and blue screens where we will find enormous fraud from the illegal use of these assets.

▶ 13. In the few documents we present with this complaint we can see that the assets have been deposited, the counter-assets created and presented to the depositors, the depositors have been cheated for over 70 years through the intentional and fraudulent failure of the Obligator to honor the Agreements.

▶ 14. From copies of Bank documents received by Neil Keenan, within the Green Hilton Memorial Agreement, the funds the amounts of gold and platinum are specified These amounts of gold are certificated and the certificates and ledger copies with full and exact identification and recognition codes are available.

These certificates are further proven by the bank reports, copies of which are now held by Neil Keenan.

The truth of these instruments can be vigorously defended through documentation in our hands and further through interrogation of the Black Screens where the off-ledger collateral is held, together with an interrogation of the grey and blue screens where we will find enormous fraud from the illegal use of these assets.

Under this Agreement the assets of the international collateral combined were established and brought forward, then, within a short period of time misused to change the operating systems of banks.

▶ 16. Reviewing these books, we can now see that Banks set aside the notion of operating under the Charters they hold as banks, instead of being Banks they became like *very poor casino operators and traders*, selling what they do not own.

The records in our possession, signed and registered by the receiving and managing commercial bank, show the underlying funds in numbers and amounts that stagger the imagination. The *Green Hilton* and *Garuda Memorial Agreements* demonstrate clearly the value of the global account system:

- a). Gold and Platinum Deposits ran into millions of tons.
- b). 1934 series Federal Reserve System Bonds, Notes issued in 1928, Kennedy Bonds ran into Quadrillions of US Dollars, Dragon Bonds are all recorded and acknowledged within the Green Hilton and Memorial Hilton Collective Agreements.

## AMANA'S ODYSSEY | PROFILE OF VALOR & VICTOR ©

Even at his own peril, significant financial and asset losses, Neil has honored his commitment to rescue, recover and protect the 'Depositors' assets from the dastardly Cabal pirating the bunkers and corruptly, controlling the global financial system.

Neil filed his Trillion Dollar Lawsuit to recover the \$134.5 Billion in Dragon Family assets (FRN'S) that were entrusted to him... Once filed he became embattled with the Defendants listed in the lawsuit and more who were determined to take him down. He never lost one battle with barely a mis- step... Group K had been born.

Neil does not answer to anyone. Let alone to those who've pursued their own selfish interests, sideways ploys and hidden agendas, as well as individuals who have leeches off of his generosity, breached his trust and ultimately never helped him in any way. These 'Financial Super Flies' – who had no vested interest in the GCA – were delaying distractions, infuriating interruptions and serious detriments to Neil's Global Collateral Account (GCA) Mission. Neil made the GCA his personal pursuits by using his own money and turning down multi-billion to multi-trillion-dollar Cabal bribes.

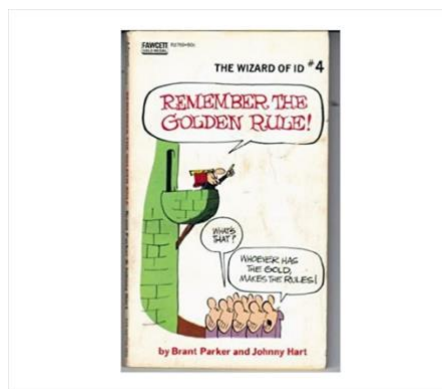

## AMANAH'S ODYSSEY | PROFILE OF VALOR & VICTOR ©

In 2018, Neil was officially 'elected' as Amanah of the Global Collateral Accounts (GCA) by the Indonesian Elders, as well as continuing to honor his commitment to the 'Depositors.' As the official Amanah, Neil is now in a prime-position to overpower the Cabal to fulfill the GCA and 'Depositors' plans for Humanitarian and Planetary Projects. Since 2008 to the present, persons and organizations have relentlessly hounded Neil with unwarranted questions and baseless demands about when the 'Bunkers' would finally be opened and when the GCA would be done.

To: Amanah Neil Keenan

From: Maria

Date: April 20, 2020

Re: A Plea to the Amanah-Please Break the Cabal's GCA 'Piggy Bank' to Finally Put an End to Human-Child Trafficking

*As a long-time follower of yours in taking down the Cabal while protecting the Global Collateral Accounts and Human Rights, I'd like to introduce myself. I'm Maria, who has a deeper-darker West Side Story to share with you, as I've lived, survived, educated and legally advocated against the evils of: Sexual Crimes, Satanic Ritual Abuse, Adrenochrome Chain and Human-Child Trafficking. I'm also humbled and honored to represent the 'Lost Voices' of the Elite/Cabal/Illuminati victims, especially the targeted innocent children.*

*While I praise your NK Updates in exposing the Cabal's crimes, sharing your legal feats and battles in taking their corrupt financial system down; I've noted that you haven't fully addressed the Cabal's Human Rights crimes, which are profitable commodities and remain perpetually funded by the Cabal's endless breaking into the GCA (Global Collateral Accounts) 'Piggy Bank.'*

*I sense that you're aware of the Cabal's horrendous Human Rights crimes and pray that as Amanah, you'll ultimately put an end to the GCA as the Cabal's fountainhead, funding source of this dreadful evil.*

*As an educator, administrator, advocate and legal advisor, I'm fully aware of the educational system's complicit role with the Foster Care, Child Protective Services (CPS) and Court Decisions as a copious source for Child Trafficking. Most people don't realize that Children's Educational Institutions, CPS and Court cases become legally sealed when involving underage children. Therefore, a child victim cannot be traced in order to be rescued from the Human Traffickers.*

*To shed light on the deeper and darker Cabal's Human-Child Trafficking operations for Group K and your followers, I'm providing you with **Svali's Illuminati Cultist's Testimonial**, her **Breaking the Chain** Book and **Suite 101 Articles** references. As Amanah, I have total faith in you to finally put an end of the GCA 'Piggy Bank' as an abundant funding source for this Cabal Barbarism against humanity, revive the victims through your Bio-Resonance Therapy Computer system and restore their 'Lost Voices.' You're the One!!!*

*Blessings, Maria*

Dear Maria,

*I am humbled and so sorry that this stuff actually goes on. I saw it first hand and it was not just a Punch and Judy show but an international one that no one seemed to want to clean up.*

*We gave many organizations opportunities to detain/arrest those who deliberately kidnapped young ladies and children and in many cases all they would do was to leak to said criminals that we were out looking for them thereby giving them time to move out and on to another house they owned. It was sick and sad.*

*What this article is about leads to it being a bridge to the Amanah of Oz Trilogy that is soon to follow. You have seen the earlier parts of Amanah of Oz and most loved it but now you will see and hear things we never released and remember despite reading much nonsense from many who post we are on the ground and see things first hand.*

*We have been in the trenches and we do get dirty.*

*Therefore, knowing that there will be something following this very scary piece might calm you all down. There're not many people who actually would write a book exposing the cabal but this is about a young lady raised in the hallows of the Illuminati and trained in their images.*

*She has lots to say and you better bet it is true. So, take care and safe of heart need not apply. I am sorry it is so sick but it is time you hear such things seeing at this very point and time we are all fighting for our lives. Believe it!!!!  
Thank you, Maria.*

I am a survivor of both ritual abuse and governmental mind control. My greatest hope in sharing on these pages is that the information will be helpful to others in breaking free of coercive cult control and help them realize that it is really possible to become free.

My other goal is to help educate therapists and supporters of survivors so that they can better understand what survivors have gone through, and things that have helped others in their healing journey.

### ► Illuminati Defector Details Pervasive Conspiracy: Satanic Cult Plans 'Fourth Reich'

By Henry Makow, Ph.D. 10-14-2

If you detect the devil's hand in current events, you may be closer to the truth than you think.

**Prince William 'throwing the horns'**

A woman who was raised in the Illuminati cult describes a powerful secret organization comprising 1% of the U.S. population that has infiltrated all social institutions and is covertly preparing a military takeover. Her revelations cast "the war on terror" and "homeland security" in a new light.

"Svali" is the pseudonym of a woman, age 45, who was a mind "programmer" for the cult until 1996. She was the sixth head trainer in the San Diego branch and had 30 trainers reporting to her. She has risked her life to warn humanity of the Illuminati's covert power and agenda.

She describes a sadistic Satanic cult led by the richest and most powerful people in the world. It is largely homosexual and pedophile, practices animal sacrifice and ritual murder.

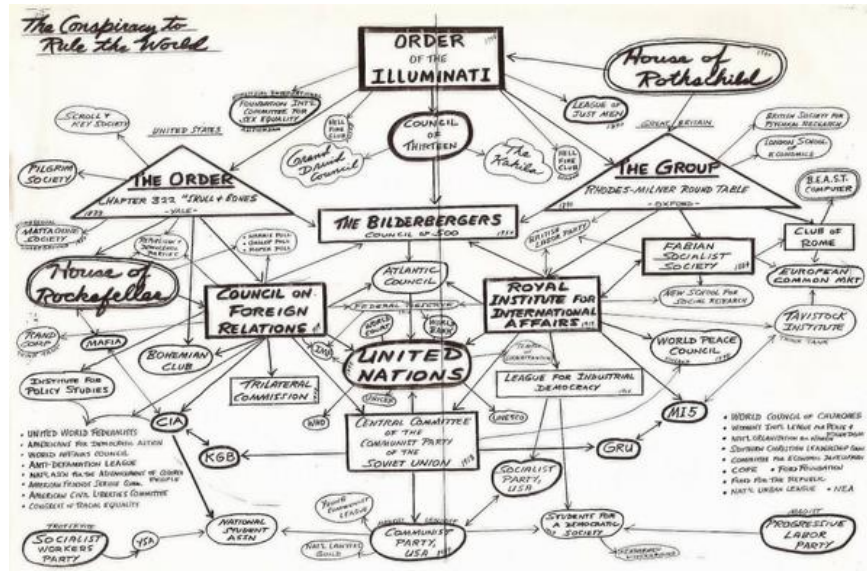

**The CIA.** It works “hand in glove” with the CIA and Freemasonry. It is Aryan supremacist (German is spoken at the top) but welcomes Jewish apostates. It controls the world traffic in drugs, guns, pornography and prostitution. It may be behind political assassination, and “terrorism,” including Sept. 11, the Maryland sniper and the Bali bomb blast.

It has infiltrated government on a local, state and national level; education and financial institutions; religion and the media. Based in Europe, it plans a “world order” that will make its earlier attempts, Nazism and Communism, look like picnics. One other detail: these people are not very happy.

**The Illuminati**

Svali’s courageous testimony explains why our children are no longer taught civic values, why they are being habituated to homosexuality and violence, and why our “culture” is descending into nihilism and sexual depravity. It raises the possibility that George W. Bush and his Administration are Illuminists, and suggests that much of the world “elite” may be engaged in a mind-boggling criminal conspiracy.

In March 2000, Svali began writing a monthly column for survivors of Illuminati ritual abuse at Suite101.com. In December, 2000, H.J. Springer, the editor of CentrExNews.com contacted Svali and conducted an extended 18-part interview with her by email, which is reproduced on line and is copyrighted.

*"I am convinced she is the real McCoy," Springer wrote to me. "I have personally relayed numerous email messages to her from other members ritually abused, brainwashed, raped, sexually abused people & you name it- some of them confirming to me her story. So, I have absolutely no doubt that Svali has been part of the Illuminati since childhood."*

*I also trust Svali's testimony because it confirms my intuition and research. Everything fits: from the dead hand that seems to suppress humanity to why Clinton gave secret technology to the Chinese to reports of concentration camps in the US. It explains why certain people I know behave in a conspiratorial way. I thank Svali for giving me a frightening but incredible key to understanding the world.*

*A friend warned me to be skeptical of a hoax and offered to help me confirm her personal story. I accepted his offer. I urge you to read her entire testimony and make up your own mind. Read "Part One" to "Part 18" first, starting at the middle of the list and working up.*

*With their permission, here are highlights of Svali's correspondence with CentrExnews.com's H.J. Springer. I have also included material from her articles."*

**["Are the Illuminati Taking Over the World?", The European Roots of the Illuminati](#) and [Who and What is the Illuminati?](#)**

### ► Pervasive Presence

Svali: *"The Illuminati are present in every major metropolitan center in the United States. The Illuminati believe in controlling an area through its: banks and financial institutions (guess how many sits on banking boards? You'd be surprised) Local government: guess how many get elected to local city councils?"*

### ► Law

Svali: *"Children are encouraged to go to law school and medical school. Media: others are encouraged to go to journalism school, and members help fund local papers."*

### ► Beliefs

Svali: *"The Illuminati is a group that practices a form of faith known as "enlightenment". It is Luciferian, and they teach their followers that their roots go back to the ancient mystery religions of Babylon, Egypt, and Celtic druidism."*

**Lucifer Revisited**

*They have taken what they consider the "best" of each, the foundational practices, and joined them together into a strongly occult discipline. Many groups at the local level worship ancient deities such as "El", "Baal", and "Ashtarte", as well as "Isis and Osiris" and "Set" ... I do know that these people teach and practice evil."*

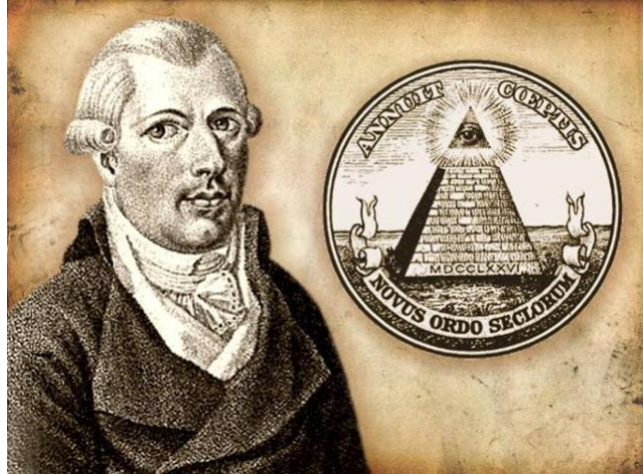

### ► You Don't Have to Play Me Backwards – Satanic Ritual Abuse

The following lyrics are from a song about Satanic ritual abuse off Joan Baez's latest album, [Play Me Backwards](#). Incidentally, it's the lead song.

*You don't have to play me backwards  
To get the meaning of my verse  
You don't have to die and go to hell  
To feel the devil's curse...*

### ► Weishaupt

Svali: *"Weishaupt did not create the Illuminati, they chose him as a figurehead and told him what to write about."*

*The financiers, dating back to the bankers during the times of the Templar Knights who financed the early kings in Europe, created the Illuminati. Weishaupt was their “go fer”, who did their bidding.”*

### ► **Military Takeover**

*Svali: “Briefly, each region of the United States has “nerve centers” or power bases for regional activity. The United States has been divided up into seven major geographical regions. Each region has localities within it that contain military compounds and bases that are hidden in remote, isolated areas or on large private estates.*

*These bases are used intermittently to teach and train generational Illuminati in military techniques, hand- to- hand combat, crowd control, use of arms, and all aspects of military warfare.*

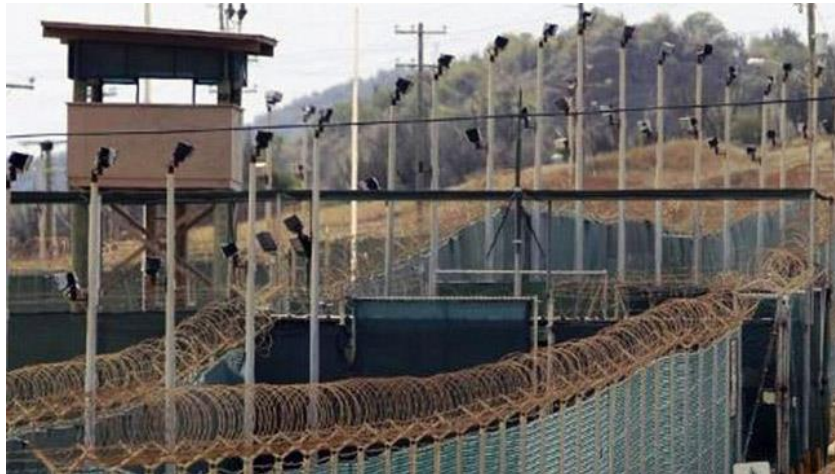

*Why? Because the Illuminists believe that our government, as we know it, as well as the governments of most nations around the world, are destined to collapse. These will be planned collapses, and they will occur in the following ways:*

*The Illuminati has planned first for a financial collapse that will make the great depression look like a picnic. This will occur through the maneuvering of the great banks and financial institutions of the world, through stock manipulation, and interest rate changes.*

*Most people will be indebted to the federal government through bank and credit card debt, etc. The governments will recall all debts immediately, but most people will be unable to pay and will be bankrupted. This will cause generalized financial panic, which will occur simultaneously worldwide, as the Illuminists firmly believe in controlling people through finances.*

*Doesn't sound pleasant, does it? I don't know the exact time frame for all of this, and wouldn't want to even guess. The good news is that if a person is debt-free, owes nothing to the government or credit debt, and can live self-sufficiently, they may do better than others.*

*I would invest in gold, not stocks, if I had the income. Gold will once again be the world standard, and dollars will be pretty useless (remember after the Civil War? Our money will be worth about what confederate money was after the collapse).*

*Next there will be a military takeover, region by region, as the government declares a state of emergency and martial law. People will have panicked, there will be an anarchical state in most localities, and the government will justify its move as being necessary to control panicked citizens.*

*The cult trained military leaders and people under their direction will use arms as well as crowd control techniques to implement this new state of affairs. ...Military bases will be set up, in each locality (actually, they are already here, but are covert). In the next few years, they will go above ground and be revealed. Each locality will have regional bases and leaders to which they are accountable. The hierarchy will closely reflect the current covert hierarchy.*

*About five years ago, when I left the Illuminati, approximately 1% of the US population was either part of the Illuminati, sympathetic to it, or a victim of Mind Control (and therefore considered useable). While this may not sound like many, imagine 1% of the population highly trained in the use of armaments, crowd control, psychological and behavioral techniques, armed with weapons and linked to paramilitary groups."*

### [How the Cult Makes Money](#) (Svali Article)

#### ► **Leadership**

Svali: *"The national council [consists of] influential bankers with OLD money such as: The Rockefellers, the Mellon family, the Carnegie family, the Rothschild family etc. I know I shouldn't name names, but I will.*

**The House of Rothschild**

*The “Supreme World Council” is already set up as a prototype of the one that will rule when the NWO comes into being. It meets on a regular basis to discuss finances, direction, policy, etc. and to problem-solve difficulties that come up.*

*Once again, these leaders are heads in the financial world, OLD banking money. The Rothschild family in England, and in France, have ruling seats. A descendant of the Hapsburg dynasty has a generational seat. A descendant of the ruling families of England and France has a generational seat. The Rockefeller family in the US holds a seat.*

*This is one reason that the Illuminati have been pretty “untouchable” over the years. The ruling members are very, very, very wealthy and powerful. I hope this information is helpful.*

*How do I know this? I was on a local leadership council (a head trainer), but I talked to those on regional. Also, every Illuminati child is taught who their “leaders” are, and told to take an oath of allegiance to them and the “New Order to come.”*

### ► Royalty

Svali: *"The Illuminati leadership state that they are descended from royal bloodlines, as well as unbroken occult heritage. See, there were two definitions of "royalty" used. Open royalty that is currently seen now, and "hidden royalty" of royal lineage and extreme occult power. Sometimes the two were concurrent, such as with the Prince of Wales. I never thought of which country/line held the most power, since I was just a peon busily doing my job. But my understanding was: The Hanoverian / Hapsburg descendants' rule in Germany over the Bruderheist. They are considered one of the strongest lines for occult as well.*

**The Rothschild coat of arms contains a clenched fist with five arrows symbolizing the five dynasties established by the five sons of Mayer Rothschild, in a reference to Psalm 127: "Like arrows in the hands of a warrior, so are the children of one's youth." The family motto appears below the shield: Concordia, Integritas, Industria (Unity, Integrity, Industry)**

*The British line is just under them, with the royal family. Definitely, they rule the UK branch under the Rothschilds in the occult realm, even though parliament rules the country openly. In France, again, descendants of the royal families are also in power in the occult realm, but the French Rothschilds hold the reigns over all of them.*

**[Shadow Government and Mount Pony](#)** (Svali Article)

### ► Rank of the US

Svali: *"The U.S. is considered lower, and younger, than the European branches. Germany, France, and the UK form a triumvirate that rules in the European cult. The USSR is considered important, and has the strongest military groups. The USSR has been promised fourth position in the New World Order, BEFORE the role the U.S. would*

*have, because the USSR has been more helpful and cooperative over the years with furthering the agenda.*

*The descendants of the former ruling families there are also involved in the occult leadership, along with the newer ones. There is no Marxism in the cult. China will be ranked after the USSR, then the U.S. But a lot of the current U.S. leadership will be in Europe when the change occurs, and many have homes there. They will be “changing nationalities” overnight, as it were. This is the little that I do remember.*

*Wish I had been a better student of this stuff, but I was too busy trying to stay alive when I was in it. Russia will be the military base and powerhouse of the group, since their military commanders (Illuminist) are considered the best in the world, and very, very disciplined. China, because of its roots in oriental occultism, and its large population, will also be considered a higher power than the US. But again, the real power will reside in Europe, according to what I was taught when part of the group.”*

### ► The United Nations

*Svali: “The UN was created early in this century in order to help overcome one of the biggest barriers to a one-world government ... That barrier is the one of nationalism, or pride in one’s country. This is why it was NOT a popular concept when first introduced, it took years of country bashing in the media and the destruction of any sense of national pride by a (not so subtle) media campaign over the years.*

**The United Nations**

*The United Nations is a preparation, but it is not the real power in the world, and will be relatively unimportant when the NWO comes into being. The real councils will then step forward. But as a means of getting the general public to accept the idea of a “global community” and the “one world community” the UN is a stepping stone in their working towards the NWO.”*

### ► Israel

Svali: *"The conflict in the Middle East is only to the advantage of the Illuminists. They HATE Israel, and hope one day to see it destroyed, and are biding their time. One of the olive branches offered by the UN when it takes over is that they will prevent war in the Middle East, and this will be greeted with joy by many."*

*At the same time, the Illuminati covertly supply guns and funds to BOTH sides to keep the conflict fueled. They are very duplicitous people. They used to funnel guns through the USSR to Palestine, for example, in the name of promoting "friendliness" between the USSR and this state and other Arab nations. Then, the US Illuminists would help funnel guns to Israel, for the same reason.*

*These people love the game of chess, and see warfare between nations as creating an order out of chaos. The USSR is going to get stronger again. It has too strong a military both openly, and covertly (ALL Illuminati military trainers have visited Russia to learn from them) to sit quietly and quiescently to the side. In the NWO, they will be stronger than us."*

### ► Is the Illuminati a Jewish Conspiracy?

Svali: *"Absolutely not. In fact, Hitler and his people (especially Himmler and Goebbels) were top Illuminists. The Illuminati are racist in the extreme, and as a child, I was forced to play "concentration camp" both on my farm in Virginia, and also in Europe in isolated camps in Germany."*

*The Jews historically fought against the occult (see Deuteronomy and the Old Testament for how God through the Jewish people tried to cleanse the land of the occult groups that were operating there, such as those who worshipped Baal, Astarte, and other Canaanite and Babylonian gods.*

*(From an email to Henry Makow) Yes, there are some very powerful Jewish people in this group. For instance, the Rothschild family literally runs the financial empire in Europe (and indirectly the States), and are a well-known Jewish family. I have also known people whose parents were Jewish diamond merchants in the group, and at every level.*

*But to rise to power in the Illuminati, a Jewish person at night would be forced to renounce their faith, and to give their first allegiance to Lucifer and the beliefs of the Illuminati. In return for this betrayal, they believe that power (financial) and rewards come; and in one sense they do, but at too high a price (losing their eternal soul)."*

[MK ULTRA/Assassin Programming, How the Cult Programs People: Part One](#) and [How the Cult Programs People: Part Two](#)

*"The Nazi concentration camp mentality is very strong, though, and I was told that Hitler, Himmler, Goebel, and others were high-ranking German members of the group (Himmler was higher than the other two), and Mengele their paid puppet as well, who later worked as a high trainer of the American branch between his periods of hiding in South America.*

*They honestly believed that they were acting as agents of their 'gods' to exterminate the Jewish race, and I am so, so sorry that this group has enacted so many horrors on the earth (and so, so glad that I left it).*

*I hope this helps you. I have always wondered this, though, why some of the highest ranking financial families in the group (baron Rothschild of France is one of the 13 European lords, or "kings" that run the group in Europe, and sits on the World Council) are Jewish, yet the group espouses hatred of their own race."*

### ► Are They Racist?

Svali: *"Lots of Illuminists have Fourth Reich programming inside...The Illuminati are racist, and have a very "Aryan" outlook. They believe strongly in the rule of the "pure" and "intelligent" by their definitions, and in their ceremonies, there will occasionally be minorities killed in ceremonies.*

*They are trying to breed a "genetically superior" race to rule, with their children and descendants. They are also followers of Plato's Republic, and believe that they will be the ones to usher in this "Utopian" rule with the NWO in their opinion.*

*In their Utopia, the intelligentsia will rule, and the sheep like masses will follow their leaders (that is their view of the world; that the occult leaders are "enlightened" and intelligent, while the average person is a "sheep" to be led by the nose)."*

[Why the cult doesn't get caught](#) and [Cults that abuse](#) (Svali Articles)

### ► Freemasonry

Svali: *"The Freemasons and the Illuminati are hand in glove. I don't care if this steps on any toes, it's a fact. The Masonic temple at Alexandria, Virginia (the city itself was named after Alexandria, Egypt, and is a hotbed of Illuminati activity) is a center in the Washington, DC area for Illuminati scholarship and teaching. I was taken there at intervals for testing, to step up a level, for scholarship, and high ceremonies. The leaders in this Masonic group were also Illuminists.*

*This has been true of every large city I have lived in. The top Freemasons were also top Illuminists. My maternal grandparents were both high ranking Masons in the city of Pittsburgh, Pa. (president of the Eastern Star and 33rd degree Mason) and they both were also leaders in the Illuminati in that area.*

*Are all Masons Illuminati? No, especially at the lower levels, I believe they know nothing of the practices that occur in the middle of the night in the larger temples. Many are probably fine businessmen and Christians. But I have never known a 32 degree or*

above who wasn't Illuminati, and the group helped create Freemasonry as a "front" for their activities." CIA FBI are all infiltrated. So are Mormons etc."

Svali: "Many of the administrators and directors at the FBI are also Illuminists. The CIA helped bring over German scientists after WWII. Many of these were also Illuminati leaders in their own country, and they were welcomed with open arms by the U.S. group. They also funneled all information they were learning to the Illuminati. The Mormons affiliated years ago in a meeting with Illuminati leadership in the 1950s. The same with the Jehovah's Witnesses."

### ► The Cold War

Svali: "Russia was never really a threat to us. Marxism was funded by the Illuminati, and espoused as a counterbalance to capitalism. The Illuminati believe strongly in balancing opposing forces, in the pull between opposites. They see history as a complex chess game, and they will fund one side, then another, while ultimately out of the chaos and division ... they are laughing because they are ultimately beyond political parties."

A top western financier will secretly meet with an eastern or Russian "adversary" during those years, and have a good laugh at how the "sheep" were being deluded. I am sharing here what I was taught, and also observed. They are truly an international group, and the group's agenda supersedes any nationalistic feelings. There is also a lot of trading back and forth of members in these groups. A Russian trainer might come to the US for a while, complete a job, then go back, or vice-versa."

### ► Assassin Training

Svali: "Here is how it is done (how it was done to me):

[1] When the child is 2 years old, place them in a metal cage with electrodes attached. Shock the child severely.

*[2] Take the child out, and place a kitten in its hands. Tell the child to wring the kitten's neck. The child will cry and refuse.*

*[3] Put the child into the cage, and shock them until they are dazed and cannot scream any more.*

*[4] Take the child out, and tell them again to wring the kitten's neck. This time the child will shake all over, cry, but do it, afraid of the torture. The child will then go into the corner and vomit afterwards, while the adult praises them for "doing such a good job". This is the first step. The animals get bigger over time, as the child gets older. They will be forced to kill an infant at some point, either a set up or VR, or in reality. They will be taught by age 9 to put together a gun, to aim, and fire on target and on command. They will then practice on realistic manikins. They will then practice on animals. They will then practice on "expendables" or in VR. They will be highly praised if they do well, and tortured if they don't comply.*

*The older the child or teen, the more advanced the training. By age 15, most children will also be forced to do hand to hand combat in front of spectators (high people who come to watch the "games" much as the ancient gladiators performed). These matches are rarely done to the death, usually until one child goes down. They use every type of weapon imaginable, and learn to fight for their lives.*

*If a child loses a fight, they are heavily punished by their trainer, who loses "face". If they win, they are again praised for being "strong" and adept with weapons. By the time they are 21, they are well trained combat/killing machines with command codes to kill and they have been tested over and over to prove that they WILL obey on command. This is how children in the German Illuminati are brought up, I went through it myself."*

### Trauma Bonding: The Pull to the Perpetrator (Svali Article)

#### ► Trust in Family

*Svali: "They tell their children as they are torturing them, "I am doing this because I love you." To them, the greatest love is to make a child strong, and fit to lead or to move higher in the group, by whatever means it takes.*

*If a leader sees a child, and wants it as a prostitute, the loving parents will give it away, happy that their child will rise in status. Also, again, they view betrayal as the greatest good. They will do set up after set up to teach their children to never openly trust others. I remember hundreds of agonizing set ups and betrayals, and hearing when I was betrayed or wounded, "And such is the heart of man." Those doing this to me thought they were teaching me something of value, that would help me.*

*And because of the vicious and political nature of the group, in one sense they were right; the naive get stepped on and wounded. I have known parents who tried to spare their children some of this out of love, but often they were overruled by other family members, who viewed these parents as "weak" and "unfit" to teach their child."*

[Survivors Speak Out: on Dissociation: Part One](#), [Survivors Speak Out on Remembering: Part Two](#), [Survivors Speak Out on Remembering: Part One](#) and [Survivors Speak Out on Remembering: Part Two](#) (Svali Articles)

### ► Morale

Svali: *"Most of them are wounded, abused victims, who don't realize that it is possible to leave the group. There is a lot of discontent in the ranks, and there would be a mass exodus if the members believed it were really possible to get out (and live)."*

*Many of the trainers I knew (I know, wicked, torturing pedophiles) were NOT happy with what they did. They would whisper quietly, or give a look, to show that they disagreed with what they had to do. They would resignedly do their jobs, in the hope of advancement.*

*Know what one of the biggest carrots offered to those who advance up in the group is? That you don't have to hurt people anymore, and that you can't be abused (it's true: only those higher than you in the group can abuse you, so everyone wants to move up, where the pool of candidates becomes smaller). Of course, people can choose to abuse anyone beneath them, and that motivates.*

*The Illuminati are a very political and back stabbing group, a "dog eat dog" mentality; everyone wants to move up. These are NOT nice people and they use and manipulate others viciously. They cut their eyeteeth on status, power, and money.*

*They never openly disclose their agenda, or their cult activities, as often they are amnesic to them. These are well-respected, "Christian" appearing business leaders in the community. The image in the community is all-important to an Illuminist; they will do anything to maintain a normal, respected facade, and DESPISE exposure.*

*None of the Illuminists that I have known, had unkind, or evil appearing, persona in their daytime lives, although some were dysfunctional, such as being alcoholics. The*

*dissociation that drives the Illuminists is their greatest cover ... Many, if not most, of these people are completely unaware of the great evil that they are involved in, during the night."*

### ▶ TV

*Also, remember those studies that stated that "TV violence doesn't affect children's behavior" years ago? Guess who funded them? They are a bunch of bull-crud. What a person watches DOES influence them, and this is well known by the behaviorists in the group.*

*In fact, they know that TV is a tool that they purposely use to influence "the masses". It cannot create a total personality change in the average citizen, but it can desensitize us increasingly to violence, pornography and the occult, and influence the perceptions of young children.*

### ▶ Rock Music

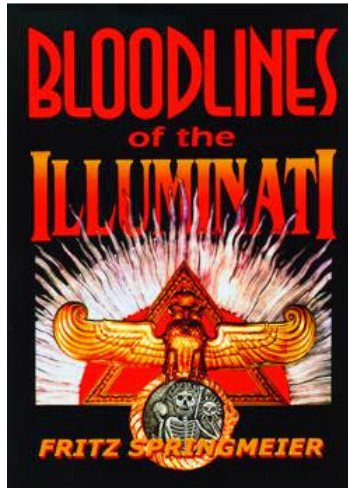

*I believe that Brittany Spears, Eminem, and others are being used by them to sing lyrics they like (ever notice that he wears a Neo-Nazi look and sings hate lyrics? This is NOT by chance). In fact, many of the top pop singers come from an internship with the "Mickey Mouse club" (yep, good old Walt the Illuminist's Empire) and I believe they are offered stardom in exchange for allegiance or mind control.*

**Devil Music**

*How many lyrics advocate suicide, violence, despair, or New Age spirituality in pop/rock today? Or just get a copy of the words and read (but be aware that many are possibly triggering to survivors of mind control).*

#### ▶ Illuminati Weaknesses

Svali: *Their arrogance (I think I mentioned this before) is their weakness. These people think they are untouchable, and this could make them careless.*

- *If by a miracle, enough people took this SERIOUSLY and started organizing in some way to stop the Illuminati take over, with prayer and God's guidance, perhaps they could be stopped. I hope so, with all of my heart.*
- *Stopping pornography and child prostitution and drug smuggling and gun running would take out a huge chunk of their profits. Maybe they would slow down. But honestly, stopping the above would be as difficult as stopping the group."*

### ► Public's Denial Mechanism

**Svali:** *"The evidence is there, but in my opinion, the average person does NOT want to know, and even when confronted with it, will look the other way. The Franklin case is a point. How much evidence has come out? Or the MK-Ultra documents that have been declassified, shown as real, and people ignore it."*

### 1977: CIA Mind Control Project MK Ultra

*Okay, I'll get off my soapbox. But I believe that the media that downplays ritual abuse is feeding into a deep need in the average person to NOT know the reality. In fact, how can a person face the fact of great evil in mankind, unless they have either a strong faith in God, or are faced with insurmountable evidence? We as human beings want to believe the BEST of our race, not the worst, IMHO.*

*I really don't believe people will do anything about the Illuminati even if they know. The Illuminists don't care who prints this stuff, or if they are "exposed" because they are counting on the majority not believing it, having done a pretty good job with a media blitz campaign (seen any articles in Newsweek or Time lately that addresses this other than as a laughable conspiracy theory? (Guess who owns Time-Warner?).*

*I have heard them laughing about this very thing in leadership meetings five years ago, and I doubt their attitude has changed much since then. If people DID believe this, if action could be taken, then I would be very surprised and quite happy."*

Malaysian Prime Minister Najib Razak Guilty Arrest

Amanah Neil Keenan, through his intelligence sources, alerted the world of the Malaysian Financial Scam in 2016 and now dispatches the first round of Malaysian Prime Minister Court Decision of Guilty and his arrest to serve a minimum of 12 years with more financial corruption cases and charges pending, which will add more years to Razak's sentence.

### **NEIL KEENAN UPDATE | They Are All Watching You: 'Malaysia'-Part 1**

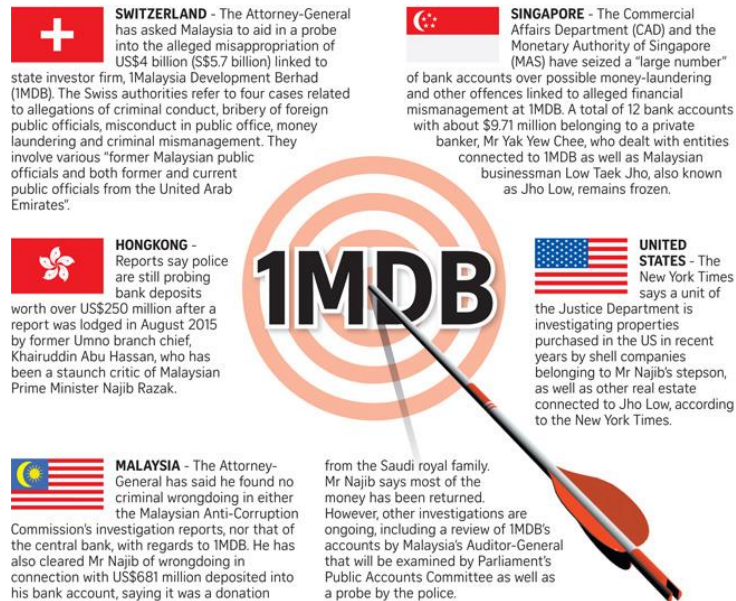

February 9, 2016

A few days ago, I received an anonymous message advising me that a major global scam was about to take place that would inflict economic damage beyond belief on most of the world. **They Are All Watching You: 'Malaysia'**

At first, I shook my head to make sure everything was actually working right and that I was reading it right, and hearing right and so on. Once I said, "Okay, let's get down to it and find out where this is taking us", I learned that in just one day, on February 9th, this scam would be taking place. Fortunately, the deal was postponed until sometime after the Chinese New Year.

The players are 'major players' on the Eastern stage being manipulated by the Western or Western-educated. There is no question we are talking about the New World Order and the one person they are squeezing is Malaysia's Prime Minister: Najib Razak. The Prime Minister is apparently a good man who walked into a very bad situation, but it was his doing that set the entire situation off.

## Ongoing probes

You can read about this all over the Internet, but this not what the complete problem is, because so much more is at stake.

This could be considered an internal problem in Malaysia, but, in fact, it is a far greater problem with world-wide consequences. It affects many nations which thereby creates a second level of the scam including the scurry to find the funds to cover up the first scam. The second level is meant not only to enslave the Malaysian people and their economy for the next 49 years to their newly found foreign masters; it would also put a quick finish to the US Dollar as we know it.

What is of grave concern right now is the \$14 Trillion USD in a cash deposit in an offshore bank. It is real, and it is deposited, but the Feds, the CIA, Switzerland and others have already made it clear to this person that these funds cannot be used...

## NEIL KEENAN UPDATE | Malaysian Dead Man Walking Caper – Part 2

June 17, 2018

This is the continuation to the previous Part 1 complaint that raised the roofs of the Malaysian Government and helped sort out the blatant corruption of Malaysian PM Rajib Nazak and his political cronies.

With the recent change in the Malaysian Government (for the better), I can now release more information concerning the **"Dead Man Walking Case"** for the new investigating authorities to research. This is a case of utter corruption and abuse of power by the outgoing Malaysian Prime Minister, Najib Razak (also as the Minister of Finance), the Deputy Prime Minister (and Minister of Home Affairs), Zahid, together with other local officials and banksters.

This is a clear case of intentional and attempted national and international theft of the financial assets of a Malaysian citizen as part of the **1MDB scandal**....

### 1MDB trial: Former Malaysian PM Najib sentenced to 12 years' jail

#### Najib's Dirty Money

**Is the guilty verdict in the prime minister's corruption trial a sign of hope or business as usual?**

This week, a Malaysian court found former Prime Minister Najib Razak guilty in the first of what will be several corruption trials. The court sentenced him to 12 years in prison for abuse of power and then 60 additional years on six counts of money laundering and breach of trust. Najib will appeal the verdict, and with allies from his party, the United Malays National Organization (UMNO), in control of the government, his fate will reveal a lot about Kuala Lumpur's seriousness in tackling corruption.

Najib became Malaysia's prime minister in 2009 as part of the UMNO, which had held power in the nation since its independence in 1957. "Like many Southeast Asian countries," wrote the researcher Aaron Connelly, "it has long [charted a careful course](#) between Washington, with which it maintains low-key security cooperation, and Beijing, its largest trading partner." In turn, "Najib worked hard to form a close personal relationship with his American counterparts; but he also sought financial assistance from Chinese President Xi Jinping." And, in some ways, that may have sown the seeds of his eventual undoing.

As the journalist Will Doig reported, by the time Najib was sent out of office in 2018, "it's possible that no one was more dismayed than officials in Beijing. After all, Najib had granted China [extraordinary access to Malaysia](#). Across the country, huge China-backed infrastructure projects were being planned or breaking ground." And those projects came at a cost. In 2015, "Najib was accused of massive corruption linked to the development fund known as 1MDB. As the [2018] election neared, his opponent, Mahathir Mohamad, alleged that some of the Chinese money pouring into Malaysia was being used to refill the fund's graft-depleted coffers."

In time, the 1MDB scandal grew to encompass billions of dollars that had allegedly been siphoned from the fund into Najib's own accounts. And the case didn't just touch China. In 2016, the U.S. Justice Department seized \$2 billion worth of assets from a Najib associate, Jho Low, in the United States. As Alex Helan, a documentary filmmaker, explained, the move "[blindsided Najib and temporarily upended Malaysia's foreign policy](#)." After all, Najib and U.S. President Barack Obama had a friendly relationship before that point, even meeting in Hawaii in 2014. In retaliation for the seizure, "Najib's press secretary accused the United States of imperial overreach ... tantamount to 'domestic political manipulation and interference.'" Soon, Helan wrote, "Najib dropped any pretense of domestic reform and began to appeal to his supporters' basest political sentiments, racial and religious supremacy, directed against Malaysia's ethnic Chinese population." He also tried to gerrymander the country's electoral map ahead of the May 2018 general elections.

But the prime minister could not recover from the scandal. After a "bungled attempt to fly out the country on a private jet" ahead of the vote, Helan wrote, Najib and his wife were "effectively under house arrest. Days later, police launched dawn searches of their properties in Kuala Lumpur. Photos, probably taken by police and leaked on social media, showed the shattered pair slouched in armchairs, dressed in their fine silks, as officers broke open a series of safes. In scenes reminiscent of Ferdinand and Imelda Marcos's downfall, inside was \$28 million in cash (in 26 different currencies) and \$50 million in luxury items including 284 boxes of designer handbags.

All of that hurt Najib and his party at the polls. "At the grassroots, though, [everyday incompetence and graft](#)," wrote the journalist Betsy Joles, "may have taken a greater toll on the BN [the latest incarnation of the old ruling party] vote than high-level corruption." The prime minister's defeat was remarkable, representing the country's first transition of parties in 60 years. As the writer Krithika Varagur explained in 2018, under a new party, "the country's 92-year-old former prime minister, Mahathir Mohamad, [came out of retirement](#) to lead the opposition to Najib Razak." And Mahathir, who won, was meant to hand the prime ministership to his de facto running mate, the jailed leader Anwar Ibrahim, after Anwar's release from jail.

If all that sounds less than promising, that is because it was: "Amid the euphoria, it's worth recalling," Varagur urged at the time, "that Mahathir's record as prime minister was hardly that of a champion of democracy. He was hostile to the free press, brutally purged dissenters, and bailed out his friends' banks."

By 2020, argued Varagur in a separate article, it was clear that the complicated dealing was holding Malaysia back. "On March 1, Malaysia's [recent political crisis](#) moved to a resolution after nearly two weeks of drama. Muhyiddin Yassin, a member of Parliament, was sworn in as prime minister, ending a chaotic period during which his predecessor, Mahathir Mohamad, resigned; the ruling coalition disbanded; and numerous politicians switched sides and jockeyed for an audience with the king in the hopes of being appointed prime minister." In other words, it is politics as usual in Malaysia—

### **NEIL KEENAN UPDATE | Keenan Dispatches Japan's Prime Minister Abe Resigns Due to 'Health' Reasons**

August 29, 2020

Amanah Neil Keenan dispatches the resignation of Prime Minister Shinzo Abe due to alleged 'health' reasons. As of September 2020, Abe's successor and loyal ally, Suga, was nominated as Japan's Prime Minister. The Cabal will 're-string' their control on Suga as their new puppet to keep their NWO Agenda intact.

Keenan exposed Japan's Prime Minister Shinzo Abe as a puppet for the Cabal's New World Order (NWO) a year ago in July and August of 2019. Abe was doing the Cabal's bidding in devising a plan to steal from the S. Korean GCA Bunker Assets, as well as, attempting to transact a radioactive material deal to develop nuclear weapons to cause a 'mass casualty event'.

### **In Retrospect...**

### **NEIL KEENAN UPDATE | Exposed: Japanese Prime Minister / Cabal Puppet: Shinzo Abe**

July 10, 2019

I'm sitting here relaxing while taking in what the G20 "accomplished", which is NOTHING, and on the other hand, watching to see what their own personal business may possibly accomplish, which is still yet to be determined.

There is no question they have a newbie amongst themselves, Crown Prince Mohammed bin Salman of Saudi Arabia, as evidenced by the fact he was standing right beside President Trump while President Putin was having a good laugh at the entire matter. What seems to be agreed upon among themselves is that they must create ever more worldwide chaos in order to stay alive. Doesn't the NWO imply that there is "order out of chaos"?

**It now appears that the person hired to do just such a thing is Prime Minister Abe of Japan.**

According to sources familiar with Benjamin Fulford, Japanese Prime Minister Abe reached out to fellow members of the Cabal state players soon after completion of the G20 – which was just window dressing for the main event:

**This was to steal the Global Accounts.**

Shinzo Abe apparently advised them that, although they took a pretty good hit after the latest post on NeilKeenan.com condemning the Cabal / NWO, especially with the exposure reaching President Trump on his visit to South Korea; that there would be nothing further like this in the near future.

Abe reassured his colluding-cronies that Neil Keenan had no further information to provide the public. PM Abe boldly stated, *“Keenan no longer has any holds over any of us.”*

Contrary to Abe's "fantasy wish list", Neil has plenty to release yet – which not only further exposures Abe, but also shines the light on many of the servants Abe sent forward representing him to South Korea, in his blatant and nefarious attempts to steal the Korean Bunker Assets.

### **Japanese Puppet Prime Minister**

### **Shinzo Abe: “If You Want To See Me Do My Thing Pull My String”**

August 15, 2019

**Immediately following the recent G20 Meeting, Japanese Prime Minister Muppet Shinzo Abe (“if you want to see me do my thing pull my string”) has apparently found himself having quite a miserable time.**

He had a job to do whereby he was exposed as being not only a member of the Cabal, but more specifically, one of their puppets. On the day that he returned upon completion of the G20, Abe convened a private Cabinet meeting regarding the revision of the Export Trade Control Order and removed South Korea from its list of trusted trading partners.

Abe blamed South Korea for the leaks which recently took place that nailed his team in South Korea which was there to try to steal Golden Family-owned assets from South Korean bunkers. Now comes “Pay Back”!

The revised order will be co-signed by Hiroshige Seko, the Minister of Economy, Trade and Industry, and Abe himself. According to Seko the revision will take effect August 28, 2019. As of this date Japanese exporters would require government approval each time they exported a shipment of strategic items to South Korea.

Unfortunately for him, Abe felt jilted by one of his partners, although ironically Abe himself has willingly jilted nearly every associate at the request of his puppeteers! In this specific matter the strategic items category comprised 1,115 parts and materials that could possibly be used to develop weapons.

**Believe it or not, an economic war, and much worse, has begun between South Korea and Japan! Horrifically, Japan / Abe is in a very critical planning stage to release another One Million Tons of radioactive, polluted water into the Pacific Ocean! Tragically, Japan already released 900,000 tons of radioactive, polluted water into the Pacific in 2017!...**

### [Abe says 'gut wrenching' resignation leaves goals unfinished](#)

TOKYO (AP) — Japan's longest-serving prime minister, Shinzo Abe, said he is stepping down because a chronic health problem has resurfaced. He told reporters Friday that it was "gut wrenching" to leave many of his goals unfinished.

Abe has had ulcerative colitis since he was a teenager and has said the condition was controlled with treatment. Concerns about his health began this summer and grew this month when he visited a Tokyo hospital two weeks in a row for unspecified health checkups.

He is now on a new treatment that requires IV injections, he said. While there is some improvement, there is no guarantee that it will cure his condition and so he decided to step down after treatment Monday, he said.

"It is gut wrenching to have to leave my job before accomplishing my goals," Abe said Friday, mentioning his failure to resolve the issue of Japanese abducted years ago by North Korea, a territorial dispute with Russia and a revision of Japan's war-renouncing constitution.

Abe to resign over health, ending era of political stability. The race to find a successor to the nation's longest-serving prime minister is intensifying

Prime Minister Shinzo Abe reacts during a news conference at the Prime Minister's Office in Tokyo on Friday.

OSAKA/TOKYO – Ending weeks of speculation, Prime Minister Shinzo Abe announced Friday that he is stepping down for health reasons a second time, leaving Tokyo scrambling to make the transition to the post-Abe era.

Attention has now shifted to who will replace Abe and when. The nation's political nerve center had recently been abuzz about whether Abe would resign over his chronic ulcerative colitis, a bowel disease.

Abe said he will stay on as prime minister until his successor is chosen. His Liberal Democratic Party is expected to hold a party presidential election by the end of September, with Diet lawmakers and three representatives from each of the 47 local chapters voting, but not rank-and-file party members.

With Abe's conservative LDP and Komeito holding a strong majority in the more powerful Lower House, whoever becomes the next LDP president will almost certainly become prime minister.

Abe's resignation will bring an end to his second tenure as prime minister, a period of political stability that lasted nearly eight years and saw him form a close personal relationship with U.S. President Donald Trump that few other world leaders enjoyed. But he also leaves behind unfinished business, and a controversial legacy, in East Asia.

### Yoshihide Suga elected Japan's new prime minister succeeding Shinzo Abe

Japan's parliament has elected Yoshihide Suga as the country's new prime minister, following the surprise resignation of Shinzo Abe.

After winning the leadership of the governing party earlier this week, Wednesday's vote confirms the former chief cabinet secretary's new position. A close ally of Mr. Abe, the new prime minister is expected to continue his predecessor's policies. Shinzo Abe announced his resignation last month citing ill health.

Earlier on Wednesday, Mr. Abe held his final cabinet meeting and told reporters he was proud of his achievements during his nearly eight years in power. Mr. Suga then easily won a poll for prime minister in the Diet, Japan's lower house, receiving 314 out of 462 votes.

Given that a coalition headed by his conservative Liberal Democratic Party (LDP) holds the majority in the house, his win was widely expected. Along with his new cabinet he will later be ceremonially endorsed by the emperor at the Imperial Palace.

#### **Challenges ahead**

A veteran politician and long-time cabinet member he takes the lead at a difficult time for the world's third-largest economy. Like many other nations, Japan is struggling with the coronavirus pandemic which has caused the biggest economic slump on record following years of economic stagnations. The country is also dealing with a rapidly ageing society, with nearly a third of the population older than 65.

### The unexpected rise of Japan's new prime minister

### Defining Shinzo Abe and his legacy

### Yoshihide Suga: The 'right-hand man' who became PM

Mr. Suga has served for years as chief cabinet secretary, the most senior role in government after the prime minister.

Suga after his win on Wednesday

He has already promised to carry on much of the previous administration's agenda, including the economic reform program dubbed Abenomics.

"Mr. Suga's election assures the continuity in all the major policy initiatives launched by Shinzo Abe," Yuki Tatsumi, director of the Washington-based Stimson Center's Japan program, told the BBC. "What will be the greatest test for him is how well he fares as the public face of the Japanese government," she cautions.

"While his ability as Mr. Abe's right hand man and his chief cabinet secretary has been amply proven, his ability to lead the country as the top leader is largely untested, particularly in the area of foreign policy. How Suga can transition from supporting to the main actor will determine how well the leadership transition can be managed."

### **Who is Yoshihide Suga?**

Born the son of strawberry farmers, the veteran politician comes from a humble background that sets him apart from much of Japan's political elite.

The 71-year-old rose only slowly within the political ranks. He first worked as a secretary for an LDP lawmaker before eventually embarking on his own political career, from city council elections to becoming a member of the Diet in 1996. In 2005 he became a cabinet minister under Junichiro Koizumi and gained further influence in the subsequent Abe cabinet.

As Mr. Abe's right-hand man, he gained a reputation for being efficient and practical and the outgoing prime minister strongly supported his ally's bid for the leadership. One of

his most prominent public appearances was when he unveiled the name of the new Reiwa era during the transition from Emperor Akihito, who abdicated, to his son Naruhito in 2019.

Yet as he takes over mid-term, many observers expect him to only serve out the remainder of that until a general election late next year. When, he won his landslide within the LPD on Monday, all he needed was support from his own party.

Next year's election, however, will put him in front of a general electorate - and the low-key veteran politician might not be the LDP's first choice for that, observers say.

### **IT'S A KEENAN THING FACEBOOK ANNOUNCEMENT | NEWS: FULFORD EXPOSED AGAIN**

June 29, 2020

In a recent post Benjamin Fulford revealed that Mike Pompeo, the US Secretary of State, had made a secret trip to Indonesia several weeks ago looking for gold and came back with NO gold (according to Benjamin, which is TRUE). Well Benny, your sauces are slimy at best. And anything from P3 is Cabal Crap. Get on the right side for a change.

Neil knew of this trip a month BEFORE it happened so it was NOT a secret. Obviously, you also didn't know that Pompeo was specifically told by Trump not to discuss finances and especially not gold deals. Pompeo, for whatever reason, ignored Trump's instructions and came back with empty pockets and egg on his face. Trump gave Pompeo the old "I told you so" speech as he knew this would happen.

You see Neil and Trump are old friends. And Trump is well aware of Neil's Amanah status in Indonesia and globally, particularly with respect to moving Asian assets that are under the Amanah's authority.

If Trump ever needed gold or collateral backing, he has Neil's phone number.

Neil has also put together a very high-profile financial POWER TEAM to which someone like you will never have access.

He is even negotiating with Japan's ex-Prime Minister, Nakasone, to possibly join his Asian Team. (And Nakasone still has his eyes on you Benny.)

And what does "diplomatic surgery" mean? My bet is "more stealing and murder". Not on Neil's watch.

So, Benny quit putting out old stale news from rotten sauces and cooked up Cabal stories.

You really don't know what is happening in the World as you are not in the loop and never will be. You leak and no one trusts a leaker. And one more time Benny, Neil is not a clone, a double or dead as you have published.

I have been with him and talk to him daily and he is very much alive, active and doing more for the World than you ever have or will.

### **It's A Keenan Thing: Keenan Catches U.S. Secretary of State Pompeo In The Act of Attempting to Heist GCA Bunker Assets**

June 30, 2020

Amanah Keenan has a bead on U.S. Secretary of State [Michael R. Pompeo](#) as the Dragon Family satellite surveillance system caught Secretary Pompeo in co-plotting the pillaging of the Global Collateral Account (GCA) Bunker Assets with Western Cabal National Leaders and Financial Executives in collaboration their ASEAN puppets.

As a former Army Officer and the 6<sup>th</sup> Director of the CIA, Pompeo has some serious skeletons in his Cabal 'closet,' which is prime for blackmail. Pompeo was forewarned by the Trump to not go near the 'Depositors' Off Ledger Accounts nor the GCA Bunker Assets—alerting Pompeo that one doesn't cross the Amanah Keenan as he's renowned for ferociously protecting and severely punishing those who dare to tread on his GCA Indonesia and S.E. Asia Bunkers Turf and 'Depositors' Accounts—Pompeo dared and was caught in the act—time will tell what Keenan the has in his Punisher playbook.

Now, that Secretary of State Pompeo's GCA heist intent was exposed and exterminated by Keenan, Pompeo is on the Dragon Family's satellite system surveillance radar. Especially now that the Middle East Abraham Accord is establishing peace and Southeast Asia will be the next Cabal hot war zone and AEAN economic development target.

There are some recent red flag developments that Amanah Keenan and Group K in conjunction with the Dragon Family surveillance system will continue to monitor and intervene:

- Japan Prime Minister Shinzo Abe has resigned and succeeded by his loyal ally, first Cabinet Member Yoshihide Suga, who replaces Abe and will be re-strung as the Cabal's Japanese-Asian Puppet.

- Secretary Pompeo announces strengthened U.S. State Department support for important regional institutions in the Indo-Pacific, including the Association of Southeast Asian Nations (ASEAN) and U.S.-ASEAN Connect, Asia-Pacific Economic Cooperation (APEC), and the Lower Mekong Initiative, along with a first-ever contribution to the Indian Ocean Rim Association.
- U.S. State Department's Announced 'Mekong U.S. Partnership'...

The following U.S. State Department press releases and news articles addresses the U.S. Secretary of State Pompeo's initiatives, which Keenan and Group K will oversee and deal with accordingly:

### Advancing a Free and Open Indo-Pacific

Secretary Michael R. Pompeo today addressed the Indo-Pacific Business Forum in Washington, DC, to launch the economic and commercial pillars of the Trump Administration's Indo-Pacific strategy. Before top U.S. business leaders and foreign dignitaries at the U.S. Chamber of Commerce, Secretary Pompeo detailed how U.S. business engagement in the Indo-Pacific is essential to the U.S. mission to promote peace and prosperity.

The Indo-Pacific Business Forum demonstrated the Administration's whole-of-government commitment to advancing a free and open Indo-Pacific. Along with Secretary Pompeo, senior Administration officials who addressed the Forum include: Secretary of Commerce Wilbur Ross, Secretary of Energy Rick Perry, U.S. Agency for International Development Administrator Mark Green, Overseas Private Investment Corporation President and CEO Ray Washburne, and Acting Export-Import Bank President and Chairman Jeffrey Gerrish.

Secretary Pompeo emphasized the critical role of the U.S. private sector in ensuring a sustainable, financially responsible economic future for the Indo-Pacific. He launched new initiatives to accelerate U.S. private investment and support job-creating U.S. export opportunities in the areas of digital economy, infrastructure, and energy. He also reaffirmed the Administration's support for the Better Utilization of Investments Leading to Development (BUILD) Act, which would more than double the U.S. government's development-finance capacity, to \$60 billion, to support U.S. private investment in strategic opportunities abroad.

From August 1-5, Secretary Pompeo will travel to the Indo-Pacific to discuss America's economic and strategic vision with regional partners. He will travel first to Malaysia to discuss strengthening the Comprehensive Partnership and advancing common security and economic interests. He will next travel to Singapore to meet with Prime Minister Lee Hsien Loong and Foreign Minister Vivian Balakrishnan, as well as attend the ASEAN Regional Forum, the East Asia Summit Ministerial, the U.S.-ASEAN Ministerial, and the Lower Mekong Initiative Ministerial. Finally, in Indonesia, he will discuss advancing our shared security and bilateral trade and investment goals.

At the Indo-Pacific Business Forum, Secretary Pompeo announced \$113.5 million in new U.S. economic initiatives to support foundational areas of the future: digital economy, energy, and infrastructure. This represents a strategic investment in deeper engagement with the Indo-Pacific while growing our own economy and creating jobs at home. Details of all of Secretary Pompeo's announcements are below.

### *Digital Connectivity and Cybersecurity Partnership*

Through the Digital Connectivity and Cybersecurity Partnership, the United States will improve partner countries' digital connectivity and expand opportunities for U.S. technology exports. In addition to establishing public-private partnerships to build digital infrastructure, this initiative will deploy technical assistance to improve partner countries' regulatory policies and cybersecurity.

The Infrastructure Transaction and Assistance Network is a whole-of-government U.S. effort to support productive infrastructure investment. A new interagency body, led by the National Economic Council, will coordinate U.S. government efforts to assess projects, direct development finance, and provide technical assistance to partner countries. The United States will set up a new Indo-Pacific Transaction Advisory Fund to help partners access private legal support for contract negotiations.

### *Asia EDGE – Enhancing Development and Growth through Energy*

Asia EDGE will strengthen energy security and promote energy access across the Indo-Pacific. The initiative will grow foreign energy markets and boost U.S. energy exports by expanding public-private partnerships, fostering business-to-business connections, and helping partner governments set market-based energy policies. Asia EDGE will also catalyze private capital by partnering with firms and international financial institutions on pooled finance, insurance and risk mitigation, commercial advocacy, and project development.

### *Millennium Challenge Corporation Compact with Mongolia*

Secretary Pompeo announced at the Indo-Pacific Business Forum that the Millennium Challenge Corporation will implement a \$350 million compact with Mongolia to enhance sustainable water supply to the Mongolian capital of Ulaanbaatar.

Secretary Pompeo also announced strengthened support for important regional institutions in the Indo-Pacific, including the Association of Southeast Asian Nations (ASEAN) and U.S.-ASEAN Connect, Asia-Pacific Economic Cooperation (APEC), and the Lower Mekong Initiative, along with a first-ever contribution to the Indian Ocean Rim Association.

The Department of State has published a calendar listing upcoming U.S. diplomatic and commercial engagements focused on the Indo-Pacific, including new conferences, trade missions, and other events in the United States and overseas.

**IT'S A KEENAN THING FACEBOOK ANNOUNCEMENT | Neil Keenan Says: Who The Hell In This Day And Age Would Attempt An Internet Coup D'état – Only The Stupid**

**AMANAH NEIL KEENAN REWARDS DEAN CHAMBERS  
FOR THE DESERVED DISTINCTION OF RECEIVING  
THE FIRST AND FOREMOST GROUP K'S HORSE'S ASS AWARD  
(No One Deserves It More)**

**From Neil**

*For those concerned, what you are about to read describes actual events. What most did not know is that I, Neil Keenan was being spoon-fed throughout the proceedings regarding what Dean Chambers, Mark Williams & Co. were up to.*

*For a long time, they have been watched, and their altering character surely did not serve them well. What you will read describes the vantage points from which others kept their eyes on. Essentially these perps we presented with a trap that they willingly stepped into; and well after this I would say they would keep their feet in their mouths.*

***They are exposed... Neil Keenan***

**Neil Keenan's last trip to Indonesia was filled with expectations as it appeared that he was heading straight to the bunkers. How exciting this would have been and how exhilarating for the world to become aware that the Global Accounts were finally open; and if so, we would have already been able to heal many of the wounds created by the Cabal.**

Instead, his group found themselves in the throes of an actual Coup D'état. After two months of being frequent visitors to the palace, nothing had taken place to move events

forward. The well-being of the Sultan and Presidents were of foremost priority of course.

It is interesting and also somewhat bizarre that there are people out there with opinions, who have no idea what has gone on, what is going on and will go on in the future; yet think they have the answers to everything. When in fact: they have answers to nothing. You have to be there to experience it.

Some people have worked with Neil Keenan in Indonesia, mostly with him, but also some against him, when in fact they weren't in the loop.

It is not necessary to explain everything that took place in Indonesia on the last trip (or any trip), but it is necessary to respond to the outright bullshit of two people: Dean Chambers and Mark Williams.

Neither of these individuals deserve any mention in relation to the work of Neil Keenan and Group K, although the fake claims being made by both do require addressing.

### **Amanah Neil Keenan**

#### **Dean Chambers: Expose**

Neil Keenan had appointed Dean Chambers as an Admin on the "It's A Keenan Thing" Facebook group as Dean was keen to help in exposing the Cabal and their fraudulent agents that were constantly attacking the Collateral Accounts, and the bunker sources of real wealth in Asia that Neil has been defending.

Generally, Dean toed the line in terms of this narrative, however, it became obvious that he was injecting his own perspectives and objectives into the Facebook group that were contrary or irrelevant, and in many cases, he was blocking other members from the group.

The direction that Dean was heading in had been noted for a long time and he was confronted regularly for his lack of contribution (he was just doing a "cut and paste" using nothing but his iPhone). Dean thought he was doing much more and claimed that he was Neil's "right hand man" - capable of making his own editorial policy decisions. Which was all wrong.

This sorry state of affairs continued at an escalating rate with Dean becoming more and more offensive in his actions and defensive of his misdirected policies. He was challenged to write something of his own – and so he did. Dean Chambers made false statements claiming that Neil Keenan had been arrested at the International Airport in Jakarta for sexual assault - which is not true.

Neil had been held up at the airport for visa violations. He had held a ninety-day visa notice that was given to him upon entry via Singapore but this had since been lost or taken from his passport.

Because no record could be found of this ninety-day Visa notice in the Immigration computer system, it was assumed Neil only had a thirty-day visa like everyone else and they wanted him to pay a fine for over-staying.

Knowing Neil, one would understand he would say “bullshit my ninety-day visa is in the passport somewhere” (but it wasn't). Also knowing Neil was sick as a dog and wanted to go home to get healthy he would not fight so hard. Instead of paying a penalty he decided to return to an airport hotel and wait to feel better rather than pay the penalty and get on the plane. This is what happened after fourteen days of bed confinement at the hotel close to the airport.

While initially at the airport Neil's cell phone rang and it was one of Dean's friends calling (more like spying) and Pattie Brassard was told by Neil that he was at immigration right at that moment and attempting to sort things out before leaving for home. That was the extent of the conversation.

However, after Pattie reported to Dean her conversation with Neil; Dean concocted the preposterous “sexual assault and arrest story” and posted this privately to his own Facebook group members as a means to defame Neil. How ridiculous can he be? Not only was this an outright fabrication, but the lie would surely get back to Neil in due time!

**It did not end there—it was just the beginning of Dean's Coup d'état scenario.**

While waiting to get the Immigration authority's go ahead to depart from Indonesia, Neil had 'lived' in his hotel bathroom for two weeks while consuming gallons of fluids and loosing twenty-five pounds. Once Neil reconciled with Immigration Officials his ninety-day extended Visa, he re-scheduled his flight to back to his home in Bulgaria—although having to continuously frequent the airline's cabin facilities. Upon Neil's return to Bulgaria, he received Bio-Resonance Therapy Treatment and rested to recover from his poisonous assassination attempt throughout the following year.

Dean and his Coup-Cohorts took advantage of Neil's recovery time period and began raising doubts of Neil's survival to successfully open the GCA Bunkers. With Dean's lead, their plotting and recruiting reached beyond the K Group team and 'It's A Keenan Thing' members by extending their Dean Team enrollment efforts. The concocted allegations reached members of Drake Bailey's Cosmic Voice and Tanaath's Silver Legion Groups, which Dean was also an Administrator, as well as his own Dean Chambers and Dean W. Chambers Facebook sites.

As a means to lure members of his Coup d'état Dean Team, Dean was telling people, he'd be living and running his operation in a modern Irish Castle (the castle was offered to Neil to purchase...not Dean), as well as proclaiming he was receiving an initial **\$60 million USD** from Neil! So, Dean shared his 'dreams of sugarplums dancing in his head' to those he was recruiting to join his Dean Team to believe his dream as well.

## AMANAH'S ODYSSEY | PROFILE OF VALOR & VICTOR ©

With the alleged sexual assault accusation and arrest being seeded and spreading throughout the groups he administered; Dean expanded his ploy to convey doubts as to the authenticity of the Amanah Agreement. While portraying himself as Neil's confidante and right-hand man, Dean misled potential recruits that the Amanah's Agreement was not real as it was a cut-and-paste job. He planted and spread more rumor lies that Neil had contrived the 'elected' Amanah position and made a fake agreement.

Dean Chambers, second from right, with Neil, Larry, Nancy and Ann at the California Bio-Resonance Therapy Clinic

Dean began making phone calls to Neil's such good friends as Nancy and Larry, who handle The Bio-Resonance Therapy (BRT) operations in the United States. Dean repeated to them that Neil is not the Amanah and the Agreement is no good and a cut and paste job, only to be told by Larry to "Take a hike!" After which, they just hung-up their phone on him.

Furthermore, Dean embellished his ploy by informing people that he had the Amanah's Agreement examined by a forensic expert, who reported to him that the document was fabricated and the Elders signatures were forged. The counterfeit Amanah's Agreement claim was a bald-faced lie as Dean didn't even have two cents in his pocket to buy bones for his dogs, let alone afford to hire a professional forensic expert.

It wasn't until the fall of 2019 that Neil received validation that Dean was the Coup d'état instigator by his dispersion lies by conjuring the alleged 2018 sexual assault charge and counterfeit Amanah's Agreement. The Coup d'état testimonials was confidentially shared with Neil based on numerous responses gathered from a series of research inquiries amongst the Group K Team.

With his suspicions and in his defense, Neil reflected on the timeline of the alleged sexual assault and arrest charge by an unidentified young woman. According to Dean's untrue accusations, the young woman also claimed to have an Aunt who was an Indonesia Immigration administrator and detained Neil based on her niece's alleged sexual assault charge.

Neil recalled a doubtful incident that occurred while staying in a Jakarta hotel about three weeks before his immigration visa detainment at the airport. For several weeks prior, Neil had retained a young woman translator who was a follower of the Neil Keenan website and had recently traveled to Jakarta to earn extra income for her translation services.

While sleeping late one night, Neil was awakened and approached by the woman offering her “value-added-sexual-service” for an additional price, which he adamantly declined, but suggested she visit the other rooms where his others who were accompanying him were staying. Neil was unable to validate what transpired between the woman and the others after he turned her away; the woman departed the next day to return home to her boyfriend, whom had recently broken his relationship with her.

Although, Neil did receive an apology letter from the young woman, which explained her remorseful reason in offering her value-added-sexual services as a means to retaliate against her ex-boyfriend. With the apology letter as evidence of his innocence, Neil realized that she never filed a sexual assault charge, nor did she have an Aunt who was an Indonesian Immigration Administrator who purportedly detained him.

Dean was up to no good, but as simple as he is, it is as simple as he was caught by Neil. What was most disconcerting to Neil was while Dean's Coup lies were germinating over several years, none of the others who stayed at the hotel with Neil came to his defense as witnesses nor squashed the rumor spread through the Group K team and members.

Neil not only outed and ousted Dean for his Coup d'état, but ensnared other Group K members who spread the false rumors and witnesses who concocted their own cover-up stories (i.e. Neil was too sick with dysentery and laid up in an airport hotel for two weeks to sexually assault a woman) to possibly deflect from their own suspicious role with the young woman and possible Dean Team Coup participation.

Neil had a good laugh over Dean's Amanah's Agreement counterfeit claims considering that the Sultan was the last one to sign the Amanah Agreement with multiple witnesses in his Palace. This 'cover-their-ass' perpetuating of the rumor was most distressing, which kept the sexual assault allegation brewing instead of addressing it as eye witnesses or as loyal team members in Neil's defense.

Before Neil even left for Indonesia, he told people in Group K to keep their eyes on Dean as he was not acting right and was already planning to spend money he did not have. The people Neil had entrusted also became part of the House-Cleaning fall-out as being complicit in Dean's Coup d'état.

By early fall of 2020, nothing more needed to be said as it was all Dean and his Coup-Cohorts spreading his defamatory spew against Neil over It's a Keenan Thing and other online groups and nothing more since he was ousted from the K Group and removed as an Administrator. We will let others speak for this Coup d'état ordeal. Remember, Neil

never goes to Indonesia or anywhere by himself—he always brings others with him as witnesses.

Then in late fall of 2020, Dean called Nelu telling him the fable that Neil was charged with sexual assault in Jakarta, only to be told “No way!” Nelu told him it did not happen. Dean then went on to tell him the Amanah Agreement was a fraud and is a “cut and paste job.” only to be flatly told that it is real and that Nelu was there when the Sultan signed it.

Dean then disputed that his experts stated the Amanah Agreement was a counterfeit. Nelu rebuked Dean again saying that his experts were absolutely wrong. Nelu was with Neil when it was confirmed by the Sultan as well as other Spiritual Ritual witnesses were present throughout the wait of procuring the twenty-nine Elders signatures and the final Sultan signature, which were required to become Amanah.

The Sultan told Neil that his place in the history books of Indonesia was confirmed and his legacy was in place. Neil's humble and frank response was that he had not even begun his work yet. Furthermore, Neil vowed that he would fulfill his promise to turn Indonesia into the ‘Jewel of Southeast Asia.

Nelu countered Dean's absurd claim that he had not received calls from anyone else saying they doubted that Neil was qualified for the position of Amanah. Nelu asserted that **only Neil** had passed all the required seven Spiritual Rituals and that he was the **only one** who was elected and qualified for the job—out of anyone on this entire planet.

He reiterated that Neil had passed the rituals that had blinded others or made them deaf or even killed them. For Neil it was easy and everyone observing knew Neil was **the one** although, Nelu confided to Neil that he couldn't believe that Neil had passed the rituals being aware of all the attempted failures and loss of life.

Nelu proclaimed to those on the conference call with Dean that Neil is **the one** and not anyone else despite the pleas of Dean and Mark to toss Neil under the bus and join the Dean Team. Nelu advised them that they were “trying too hard to be Neil, but it was not going to work.” Every legal document is in Neil's name and it will be turned over to his closest kin should anything happen to him.

Furthermore, Nelu asked Dean “what have you done for the planet recently?” Nothing, right? On a sidenote, it's interesting that Dean attempted to steal many loyal followers away from Neil Keenan's website and members “It's a Keenan Thing” Facebook group, only to be told **no way**. Dean never had a significant internet presence or following of his own. He's always piggybacked as an Administrator on Neil, Drake Bailey, Pattie Brassard, Tanaath and others sites.

Dean also told Nelu and the others on the phone that he had a close hacker friend (name withheld) who is adept at hacking into the NSA and NASA and other secure

databases. Dean's grandeur claim has been affirmed by reliable sources as not true nor does this person deserve such unwarranted hacking publicity.

Dean was using his hacker friend lie as a veiled threat ("You're either with Neil or with me on the Dean Team") as if he had the ways and means to track anyone that he wanted. Pushing the unverifiable lie has actually got him in trouble with the NSA and he's now the one being monitored 24/7.

In actuality, Neil was being updated on all of these proceedings throughout by the NSA and Interpol. **Stupid is as stupid does.**

### **Mark Williams: The Co-Conspirator**

Now let's shift to the other co-conspirator, Mark Williams. Mark was with Neil at one time as a cameraman and simply did not do his job with competence.

He also had a rather peculiar personality, for example during his videographer engagement with Neil in Indonesia, he would order three different breakfast plates; the same for lunch and dinner as well, only to take a bite or two and discard the rest!

He then told Neil not to worry about it as Neil was not paying for it. When Neil asked who he assumed was paying for his travel expenses - he said Roger Owen. Hell no! Money was sent to Roger by Neil to take care of Mark's airline tickets and nothing more.

The rest of Mark's expenditures was all at Neil's personal expense. There was a similar situation on another occasion where Neil had money sent to Duncan O' Finnian to fly to the Midwest but when Roger Owen spoke with Duncan, Duncan had assumed that it was Roger who had paid for the tickets. That was the last time Neil ever dealt with or spoke with Roger Owen.

The reason Neil retained Mark was that he needed a cinematographer to record an interview with the late Edy Seno in Bahasi. Before going to see Edy Seno, Neil advised Mark Williams that "we might be able to take pictures or even get lucky with being able to videotape an interview".

Upon arrival, Edy and Neil reconnected for the first time in a long time and Edy said he would allow a video interview to take place. Mark Williams looked in his bag for all he needed only to find himself missing camera mounts and cords that he needed for his camera.

Mark wanted to return to Jakarta, which was a three to four-hour drive, to retrieve his missing camera gear and Neil said "no way." A six to eight-hour delay in total was far too much of a trip and of course, a very painful wait for someone like Edy Seno who was bedridden and on kidney dialysis.

Neil immediately stated that, "Edy can't wait any longer so you'll use my camera." Due

to time constraints, Neil never asked Mark why he didn't have all of the necessary camera gear, given that he was supposedly the professional cameraman. This is what he was hired to do as a videographer—take videos and document interviews etc.

So Neil's camera, the very same camera that took nearly every video you have seen on his website was used. It worked well then and it would work fine now in the hands of a professional videographer and cinematographer.

After 40 minutes of conversing and translating the video session ended. Neil and Edy were pleased with video documentation of their historic exchange for many reasons. Neil was pleased people would become acquainted with Edy and his revered legacy. Edy was relieved the video exchange was over because he would return to his bed for much needed rest and dialysis. Edy was medically terminal and unfortunately passed away soon after he met with Neil.

Mark was most likely glad to have completed the video session in spite of his missing gear mishap as he prided himself of his cinema abilities. When Neil asked to review the video that Mark recorded on his camera, he discovered there was no video - only audio.

Neil refrained from getting into verbal brawl with Mark and bit the bullet concerning the Edy Seno video documented historic loss. Although, Mark had more detrimental mishaps and continued with his shenanigans i.e.: The hotel pictures in Indramayu were never received from Mark - yet Mark had been paid for them. Mark had also been paid for compiling much of our [History & Events Timeline](#) (which he never completed) although it eventuated that Mark Thomas from the Lords of Light was shaken down by Mark Williams for another \$2,500 USD for its completion.

Neil finally had enough with Mark Williams. The expenses in retaining Mark's services and the loss of documented videos and images were a complete waste. Although, the diabolical matter that still irks Neil the most about Mark concerns his friend, the Prince. When both Neil and Mark visited the Prince at his home, he brought out a trunk from a side room containing \$6 million in USD currency and graciously offered it to Neil.

Having no authority on the offering exchange, Mark greedily insisted to Neil to take the trunk of cash and Neil obstinately said "no." Unbeknownst to Mark, Neil was to receive thirty trunks of currency from the Prince, not just one. Neil opted not to accept the trunk at the time because logistically he didn't want to take the risk of holding the cash and attempt to return it home without the proper security as word travels rapidly to his Cabal opposition.

Neil knew all the potential end scenarios based on the risky transaction and applying common sense said "No," but Mark - who had never been to Indonesia, let alone had never met the Prince before – didn't want to accept Neil's "No" this knowing that there was \$6 million USD inside the trunk. Mark covetously blamed Neil in his choice to not risk accepting the \$6 million from the Prince, which would have funded the Bunker operation and filled his empty pockets.

## AMANAH'S ODYSSEY | PROFILE OF VALOR & VICTOR ©

As a retained videographer with no vested interest, Mark desperately claimed his rightful share to the cash in trunk and retaliated against Neil for his decision. Mark shared his spite for Neil with Dean became a Dean Team co-conspirator and spread defamatory accusations against Neil within the Group K team, It's A Keenan Thing and Cosmic Voice Facebook groups.

Despite all that had transpired over last few years, Neil remained silent about Mark's careless calamities, undermining actions and retaliatory accusations and rather, he opted to observe what was playing out. By the fall of 2019 both Dean and Mark's Coup d'état joint ploys were fully activated.

Mark also called Nelu, who did not remember him from his prior trip with Neil. It became more apparent that no one in Indonesia seems to know Mark as he falsely claimed. During the call, Mark requested Nelu to tell the people of Indonesia that Neil was a fraud. Nelu emphatically responded, "Neil is the Amanah, the only Amanah, and "you all want to be Neil, but it is not going to happen."

Nelu reiterated, "Our Sultan and country recognizes Neil as the Amanah and most people know Neil is **the one**." Nelu told Mark that Neil has protected Indonesia from the Cabal's pirating of the Bunkers and mirroring of the accounts for twelve years and he couldn't even do a camera job, which he was commissioned for. Enough was said and Nelu ended Mark's call abruptly.

Mark had contracted his research, writing and videographer services to Group K. Mark had respectfully praised Amanah Neil Keenan and spoke highly of his GCA mission in a 2016 Neil Keenan Update in a documented and joint audio presentation. That was then...until he joined up with Dean Chambers and his Coup d'état against Neil.

## AMANAH'S ODYSSEY | PROFILE OF VALOR & VICTOR ©

Amanah Keenan exposed Mark as a loose cannon and a liability when he joined forces with the Dean Team Coup d'état. Since Mark had shown his true colors early on, he no longer has a part of consequence with Group K. It all ended when Mark was caught defaming Neil and posting unfounded rumors on Drake Bailey's Cosmic Voice Facebook page and confronting Group K members, loyal supporters and followers.

*Be aware folks of the con man Neil Keenan. How many people have given him money...in the multi thousands.... that you will never get back. He has conned everyone in his circles.... specially those that tried to help him.... He has no access to the GCA....they don't exist.... or does he have access to the NAM accounts which do exist.... but Keenan will never get access to them because he has become a sick bastard con man.... The real trustee of the NAM accounts will not let Keenan NATO get access to any accounts.... He has put word out that Keenan is not welcome in Indonesia....he has shown to him Keenan is only a NATO: No Action....Talk Only..... Just ask Nelu that conned him for 10's of thousands.....he needs to take care of his family and stop f-cking people around or those he screws on his doggy chase...fishing for ducks in a pond.... waiting for the Sultan....hahaha that will never happen source: [https://www.facebook.com/groups/490715054350504/Cosmic Voice Public Group](https://www.facebook.com/groups/490715054350504/Cosmic%20Voice%20Public%20Group) | Facebook<https://www.facebook.com>*

By the spring of 2020, Neil had no choice, but to respond to the two co-conspirators and the Dean Team Coup d'état with vengeance. It's time to end the defamatory distractions and close the books on more coup plotters and fraudsters. If you ever run into Dean Chambers or Mark Williams, you now know who they really are and what to do. **This is all about the Amanah doing another “house cleaning.”**

### NEIL KEEAN'S PRECEDING 'IT'S A KEENAN THING' FACEBOOK NOTICE CONCERNING DEAN CHAMBERS COUP DE'ETAT:

April 26, 2020

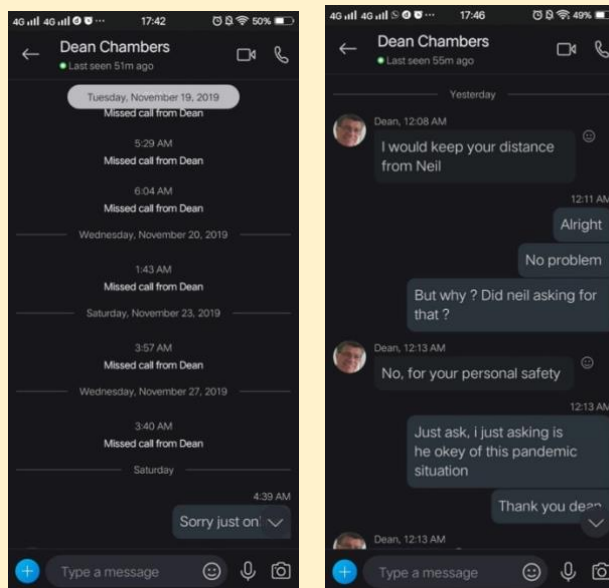

#### NOTICE FROM NEIL:

*I see Dean did not straighten himself out after the other day and is pissed as he says we are chastising him. Well if the other day is not enough for him to stop his rants and raves then let's continue here and put his hands to the fire a bit. We can do this for a long while with what I have... So here we go again chasing after this inadequate bumbling drunk...*

*The Record states the following and no we are not chastising Dean. There is plenty more that will be done in the hands of either the government or AG of Washington. I might come forward one more time to show you who has been sticking his ugly little nose into our business. Guess what Dean...*

#### YOU ARE BUSTED...

*Nelu has been blamed for a lot but it seems to me here that Dean is the one stirring Nelu's pot... You tell me... The lawyers say he is interfering with my business and should be dealt with accordingly.*

## AMANAH'S ODYSSEY | PROFILE OF VALOR & VICTOR ©

*Of course, Dean felt it necessary to protect Nelu when in fact it was Dean who told me that Nelu should be dealt with for what he had done. He then went behind my back to Nelu, contacted him when in fact he had no business with him whatsoever (he told many of us that he never spoke with Nelu).*

*Now we have the records of how many attempts he made to reach him) and told him to be careful of me. On the other hand, Dean told many people he and his people wanted to get into the bunkers themselves but without doing any of the work or investment.*

*I wonder how he can do anything on his budget. It is like a canoe without a paddle. You know before you throw stones you must get out of your glass house. Time to run Dean.*

*He made false statements to others that I had a sexual assault charge pending against me in Indonesia when in fact everybody that knows me realizes I was in bed sick as a dog hoping to get better (including Dean).*

*Sexual assault can be looked at in different ways Dean and what you do at 2 to 3 AM in the morning while drinking your Vodka and smoking your Buds while applying pressure to the girls to strip naked for you and talk dirty to you while playing your guitar and serenading them under pressure can be considered Sexual Assault...*

*YOU SIR are GUILTY OF SUCH A CRIME AND SHOULD BE CHARGED. Ask the Brown girls whose mother he molested in Oregon. Oh, we are not done or is this enough for now? I think I have said too much about someone who at one time was very important to me and what I do. Does he know what I did? No. I gave him bits and pieces. And this is where we end up...*

*DEAN YOU HAVE NEVER BEEN THAT IMPORTANT TO WHAT WE DO. YOU TAKE OTHERS POSTS AND PUT THEM ON OUR SITE YOU NEVER DO ANY OF THE WORK YOURSELF AS JEANNE O'DEAN DOES. IN OTHER WORDS, YOU HAVE BEEN OUTED...*

*NOW you forward your bitterness at everyone because of your inadequacies. You are showing your weaknesses. Boy - and just remember this is just a bit... Let's go to court I want them to cut your tongue out.*

*There will be another part if necessary. Stay tuned! **Neil Keenan***

May 23, 2020

**#1 NOTICE:** Please note that our Group is currently being hacked [Read: repeated pathetic attempts to infiltrate] by a former member, Dean Chambers and associates of his who are currently under NSA, Interpol and other Agencies surveillance for criminal activities. Our Administrators are intercepting these posts but we recommend that anyone who currently has Dean as a "friend" or was previously approved by him, please sever all such contacts as you may be tied into and included in these international multi-Agency investigations.

**Comment:** Please note that Dean Chambers is highly suspect in contacting members of It's A Keenan Thing and others who have expressed interest in purchasing or being treated by the Bio-Resonance Therapy Computer.

Group K has received reports that the suspect(s) contacted them and shared misleading information and claimed the BRT computer malfunctions, as well slandering **Neil Keenan** as another one of his scams. Per my Quantum Physics expertise, I can attest that the BRT computer is the "Rolls Royce" of any Bio-Resonance healing system on the market since the early 1990's.

The BRT was developed by the genius innovator Walter of Germany collaborating with renown worldwide experts in their fields. All the public BRT Testimonials are authentic and others privately sharing with Neil and Walter their miraculous healings and rejuvenated minds and bodies. Group K is in the process of investigating reports by individuals being contacted by the suspected Dean Chambers and/or his Coup Thugs in falsifying claims the BRT computer as another vengeful and retaliatory act against Neil and the Group K team.

Please contact Neil or Administrators if you've expressed an interest in purchasing the BRT in public venues or privately and have been contacted by suspicious suspects. Thank you for your understanding in this serious matter as Group K is still in the process of sorting things out from the repercussions of Dean Chambers and Mark Williams attempted Coup against Amanah Keenan.

### **GROUP K TESTIMONIALS**

**From: Thomas Kramer**

Back in August 2018 when Neil went through the Amanah initiations, he had a private meeting with Sri Sultan Hamengku Buwono X, the Sultan and Honorable Governor of Yogyakarta, Indonesia and the final Elder to sign the Amanah Agreement.

At this meeting Sri Sultan briefed Neil on many things related to being the Amanah, and cautioned Neil that he "needed to clean his house".

That short phrase awakened Neil to the fact that there may be people imbedded in his organization that might not be operating with the best intentions and may be out to subvert and disrupt Neil from functioning as the Amanah.

It didn't take Neil long to come up with a plan on how to weed out some rats. So, he called Nelu in and told him that he was going to throw him under the bus!

So, the Plan was to stage a fake parting with arguments and noise and witnesses enough so that Nelu would stomp out, drop everything he was organizing and "balek kampung" (go home), leaving Neil stranded in Yogyakarta or Semarang. Neil would have no choice except to return to Bulgaria and try to figure out what to do next.

The **plan** was executed perfectly.

Those plotters hanging around Nelu were routed as they no longer had Neil's money or backing, but Neil's rats were a bit more difficult so more bait was required.

Rats can only hold their hands out for so long without expecting Neil to fill them even though they did little work to actually deserve getting paid for anything.

The rats' emails started piling up. "Neil, when are you going back to Indonesia? I have this project that needs funding." "When Neil?" Neil kept quiet. Let the stew simmer. So, by October 2019 he had the opportunity to return to Indonesia under the guise of delivering a new BRT Healing Computer and conducting training and healing Indonesians. Neil came with his Head of Security and with Neesham to do the training sessions, and with myself to translate.

All did not go well from the moment that they landed in Bali. Neil's Security Adviser, a big Irishman used to deal with little people was not prepared for or protected from Indonesian Jinns and evil spirits.

He wound up in the hospital twice in fights with the devils and had to be evacuated. Indonesia still wasn't a clean house. Neil tried for nearly 2-months to break through bureaucratic barriers, but no bunker doors were opened.

So the trip appeared to be a financial "bust", but as it turned out, Neil actually was there to "bust-up" a Cabal con loan job and thus he saved Indonesia once more showing Indonesians that Neil "knows" and "cares" in his job as the Amanah and that it is taken seriously.

This, of course, disappointed some Group-K members who were hoping for a big payday for doing little or no work. By the end of November, following Neil's return, this disgruntled gang started plotting against Neil.

The first was Dean Chambers who tried repeatedly to contact Nelu. At first, Nelu ignored these contact requests as he had never known Dean.

But Dean kept trying and finally in April 2020 Nelu answered only to find that Dean was trying to recruit him to create and spread lies about Neil and his activities. Nelu immediately called Neil and sent him copies of Dean's emails (which Neil immediately posted on his Facebook page exposing the intended treachery.)

In the "mean" time, Dean continued with his recruitment efforts, shifting his efforts to Group-K and "It's a Keenan Thing" members. This got him banned from both groups, but before he left, he appointed a new Admin to take his place and deleted 97 of his people as (his) members.

Despite coming to the battle with pop guns and attempting to take over the “It's a Keenan Thing” Facebook group what Dean did not realize is that his prints were all over this slopped-up job.

He left his imprints everywhere, especially when he actually spoke to the people, he wanted to jump the Keenan ship. He was continually rebuked. Before his Coup attempt could take off, he was exposed.

Dean told women that Neil said he was going to get \$60 million USD for his help and that he would be living in the castle Neil had often spoke of in Ireland. So much more to say but Dean's dreams went up in smoke.

Chambers actually threw his friends under the bus including Drake, when he told someone he was trying to 'sell' that Drake would finance his operation and two others would be flying into the bunkers in their meta-physical state and take what they needed.

A recording of the above was made (and many others as well) given that Dean brought along with him the NSA who listened in on his drunken conversations even with those two women at two and three in the morning.

Recorded evidence is awkward for some under such scenarios. Unfortunately, maybe a few good people who he mentioned might be questioned but I believe they can answer any questions safely.

Dean went back to his old stomping ground at Drake's “Cosmic Voice” Facebook group. There he roped in Drake Bailey into his team along with Mark Williams, Pattie Bassard, Karen McDonald and several other women.

Their **plot** was to somehow get funding to go to Indonesia and open bunkers magically by themselves. This was a pure con job. Mark Williams was the writer and thus used Cosmic Voice as a platform to publish lies about Neil, Nelu and others associated with Neil.

These were completely fabricated stories of disinformation and slander intentionally meant to portray Neil as a despicable conman having nothing to do with bunker assets, the Collateral Accounts, and as being a fake Amanah having a “cut and paste Agreement”, and that the Non-Aligned Movement (NAM) has more authority over Global Assets than the Amanah, although supposedly Neil had a lot to do with raping a woman (at the time he had severe dysentery, oh sure.) And this is coming from someone **who was never there**.

The funny part of these **rat tails** is that the NSA and other Agencies are monitoring their emails and phones 24/7 and that they now have more than enough evidence to support “conspiracy”, “fraud” and a long list of other charges should Neil wish to proceed with a court case.

[Go back and read what Neil has accomplished](#) over the last 10-15 years and you will be amazed at how much one man has done to expose the Cabal that rules this world.

Soon Neil and Nelu will be back together to finish the next phase of Amanah Trust activities.

This was a good house-keeping plan that worked, but where there is the smell of money, more rats will be scurrying around. Neil and the cleaned Group-K are ready and able to trap a bunch more. Come on Stupids. We have plenty more traps!

### **From: Jeanne O'Dean**

Dean Chambers promoted and justified his self-serving attributes as the self-proclaimed status of being Neil Keenan's confidante, right hand man and black belt protector all the while scheming, recruiting and executing his Coup D'état against Neil.

Even his late wife who suffered and died from breast cancer knew full well of his asshole adeptness when she changed the beneficiary's name of her life insurance policy to her sister rather than Dean, her husband of 40+ years. Dean didn't waste any time mourning the loss of his wife because within a few days of her death and before her cremation, he was having sexual interludes with women he met on line—traveling interstate to meet and 'greet.' as well as going cruises with them.

Women and men had been initially lured by Dean's charming ways, which evolved into seducing and harassing women and men per his following tactics: Dean Chambers alluring and entrapping Facebook pages, alleged claims of being a Knights Templar, 32 Degree Free Mason, Martial Arts Degrees-Instructor, E.T. Silver Legion Space Missions and Battles to save Earth, conversing with him during his martini cocktail and 'bud' tote hours (5pm and 3 am), messaging women/men with vulgar profanity, obscene jokes/memes, requesting nude images and sharing porno videos, etc.

When women/men opted out of a virtual friend relationship with Dean or rejected his advances or called him out on his controlling and demeaning methods; he would connive vendettas and victimize them with his relentless retaliation ways - especially abusing his authoritarian position as Neil's 'It's a Keenan Thing' Administrator and Group K Team member for the past 5 years.

Once I became an active member of Group K and shared my concerns about Dean with Neil by informing him of Dean's ultimatum for me to join his Dean Team Coup D'état team, I became targeted, harassed and retaliated against by Dean.

Dean Chambers is officially on **NOTICE** that I'm proceeding in collecting evidence in my pending Civil-Criminal case against him. Through Neil Keenan, I've contacted Rahm Emanuel, the former Mayor of Chicago. Rahm is checking into Dean's corrupt D.J. Club past and Drug Dealing DEA criminal records, per his Chicago roots, to verify all his nefarious aliases...exposing "Who and What You Really Are."

**From: Richard Montgomerie**

I am not sure where to start with this flabbergasting matter although given what is at stake, it's perhaps not entirely surprising that such ridiculous dramas have taken place. I have seen a number of people come and go from Group K over the years. Perhaps they were drawn to the drama or perhaps they came seeking riches and notoriety. Few managed to last the distance.

It never ceases to amaze me how given the struggle and fight to save humanity and the planet as a whole that we face collectively; some people can be so self-serving in the face of it all. Dean Chambers exposed himself. In the end if you give anyone enough rope, they will hang themselves. I mean that in the sense that nobody can keep a front going on forever.

The situation reiterates to me that in these times one must be extremely cautious in where one places their trust. Mark Williams was intelligent and a very good researcher; however, it became evident that he was thinking he was too smart in the end. And the same for the lot of them, somehow getting all ramped up thinking they could grab the reigns of something they were woefully short of handling.

The job that Neil Keenan took on is mammoth. People have opinions about it and stand in judgment of how it has transpired and how long it has taken. But remember that no one has ever before been allowed into the bunkers. It is oh so easy to cast uninformed armchair opinions from afar. Yet Neil is at the coal face of this and it's nowhere near comprehensible from the outside.

For over eight years now, I have done my best to assist in whichever ways I am able to. With the people involved, the names, the information - the gravity of the situation is not lost on me and only in time will such details become known. **Then finally others will only even begin to gain a deeper understanding.** It has taken a tremendous toll on Neil and his family, and on those of us who stand beside him. The fakers always out themselves in the end. However, we will stand strong.

**In Closing**, there really is much more that could be added but why waste our time in dealing with idiots when matters of actual significance are to be addressed; and with historic events taking place soon enough.

**Amanah Neil Keenan & Group K**

### NEIL KEENAN UPDATE | 3 Cabal Incidents Threaten Keenan in Bulgaria

August, 2020

It's very apparent that the Cabal is becoming desperate as they're going to extremes with their nefarious efforts to prevent Amanah Keenan from returning to Indonesia as the 'elected' only One Amanah to open the Global Collateral Account Bunkers.

During the month of August, while preparing to depart from Bulgaria to arrive in Indonesia, Neil had was a target of three Cabal incidents forewarning and threatening his life:

**First**, Neil was walking along a crowded downtown sidewalk to enter a restaurant when he was unsuspectingly hit hard on his back. The strong force from the blow caused Neil to fall forward, flat on his face on the sidewalk. Not knowing who or what hit him as he struggled to get up from both the hit and fall as concerned onlookers came to his rescue. Witnesses were perplexed in watching Neil unexpectedly fall flat on the sidewalk, but not seeing any visible object that would cause such an enigmatic force to cause his shocking collapse.

Neil immediately looked around the sidewalk scene for suspicious agents amongst the crowd who gathered around him, but to no avail. He rapidly realized that the ghostly-type hit was a threatening forewarning of his travel plans to Indonesia. Neil is always on high alert and innately knows he needs to 'get out of Dodge' pronto.

**Second**, as a non-forecasted storm with high winds began approaching his town, Neil opted to beat-out the storm and drive to the store to buy some food items and supplies. Upon driving the two-minute route from the store to return to his residence, Neil began darting his car to avoid being zapped by a series of laser-like lightning bolts.

Neil deduced that he was targeted by a Drone or Satellite Direct Energy Weapon (DEW), which was similar to the cars that were hit during the dangerous California DEW attacks—causing massive forest fires and total destruction to structures and vehicles.

As Neil was making left and right zig-zag turns in his route home a laser-lightning-bolt missed hitting the front hood of his Audi as he swerved to miss it. As he entered the next intersection another laser-lightning bolt zapped within inches of the back of his car as he veered a sharp right and sped up to get safely to his house.

When Neil was driving into the driveway, he opted to pull the car under the side yard tree for camouflage. As he opened his driver's door, there was a massive laser-lightning-bolt hitting within a foot of where he was standing—leaving a vapor trail and a strange chemical smell. At least Neil's Audi didn't end up like the cars from California DEW hits.

Once again, Neil was being spiritually shielded, etherical protected to survive three bizarre laser-lightning-bolt strikes. While Neil knows he's angered the Cabal, he wasn't prepared to contend with the anger of Thor and his Hammer Lightning Bolts (Cabal DEW weapons).

**Third**, the Cabal was relentless in their August efforts to terminate Keenan for good. Upon receiving a used Audi from the American Embassy in Bulgaria, who still has left over Obama Administration diplomats, Neil was keen that he would be targeted while driving the Audi—especially after surviving his three laser-lightning-bolt misses. While driving his Audi in a roundabout near his condo, Neil was rammed and sideswiped on the driver's side door causing the car to spin four-five times and almost flipping over.

The suspicious driver of the car who rammed Neil's Audi was wearing a red shirt and fled the scene of the accident after putting items in an awaiting car. The accident continues to be investigated with NSA satellite images and will be legally pursued by Keenan. Neil's transcribed and documented account of the third attempt on his life was posted as an announcement on his It's A Keenan Thing Facebook.

### **ALERT 08/29/20 ACCIDENT REPORT or SUSPICIOUS CABAL 'SIDESWIPE HIT' ATTEMPT ON AMANAH NEIL KEENAN**

I've been informed that Neil Keenan was involved in an accident today—it's highly suspect that it was an attempted 'hit' on his life in Bulgaria—Neil wants to assure all of you that neither he nor his passengers were seriously hurt, but are now feeling the jolted bodily aches and pains as a result from the crash impact of his Audi being hit, spun 4-5 times and tilted over on two wheels.

Neil contacted me at 12:50 pm EDT via Skype to be an international witness and document the scene of the accident (which the Skype screen share mysteriously disappeared during the recording). I'm reporting this information on It's A Keenan Thing FB to inform members and share the evidentiary images. Presently, Neil is focused on dealing with the police, towing the possibly totaled damaged car and re-grouping with his passengers to assure all is well.

## AMANAH'S ODYSSEY | PROFILE OF VALOR & VICTOR ©

Per Neil's account as to what transpired before, during and after the accident--or an alleged assassination attempt on Neil and his passengers' lives--here's my interpretation of the event with images in an effort to inform IAKT members.

Neil was gifted an Audi a few weeks ago from the American Embassy in Bulgaria that still has some diplomatic-holdovers from the Obama Administration—Neil's arch nemesis. The Audi gift (with a possible embedded GPS tracking system) may be disclosed after a police investigation. The report will reveal as to what led up to the cause of the accident. Neil strongly suspects it to be another Cabal 'hit' on him per passengers and eye witness accounts.

Normally, Neil has his personal driver to drive him to his destinations, but today he opted to drive himself along with his passengers to return to his Condo from his summer residence. While traveling within 5 minutes from his home, Neil entered into a typical round-a-bout, where the cars slow down and circle around until coming to the designated exit.

## AMANAHA'S ODYSSEY | PROFILE OF VALOR & VICTOR ©

After merging and circling around to exit the roundabout, Neil's car was directly hit behind the driver's door and entirely sideswiped by a car that came revving out of nowhere from Neil's blind side--excelling far beyond the round-a-bout speed limit.

The impact of the collision caused Neil's car to spin-around 4-5 times and hit the curb before coming to an abrupt halt and tilting on two wheels resulting in the back-passenger wheel falling off its axel. When the backseat passenger noticed a sparking flame in the back of the car, Neil and all the passengers rapidly exited from the car just in case it would explode.

As one can see by the picture of the roundabout in the background; it was a residential roundabout that had a slow speed zone as cars entered and exited the roundabout. Upon viewing and determining the impactful damage to and 4-5 times spinning of Neil's car, it's clearly evident that it wasn't a small fender-bender type of an accident that would have sustained minor damage and not a sideswipe spinning and almost flipping the Audi based on the slow speed limit of the roundabout.

While Neil was waiting for his car to be towed away and judging that the car maybe totaled, he was still concerned about the well-being of his passengers and how the accident will dampen the evening family gathering—that's Neil being Neil-- prioritizing the needs and well-being of others while always asking are you O.K.? while he's in constant pain and in risk of his life 24 x 7.

To gather evidence of the suspicious accident, Neil returned to the scene and captured images to verify that the driver—Cabal Agent who fled from the scene—had sped up to intentionally ram his Audi as there are no skid marks on the roundabout only scrapings from his wheel axel. Neil also has a reliable Taxi driver and other witnesses to verify his account of the accident.

The alleged 'unknown hit-man' driver, who was seen in a red shirt by eye witnesses putting suspicious items in an accessory car and then fleeing from the scene of the accident. In compiling passenger and eye witness accounts, as well as the police report, it's becoming apparent that the alleged 'hit-man driver' intended to flip the Audi over as it hit, sideswiped and forced it to tilt on the roundabout curb.

## AMANAH'S ODYSSEY | PROFILE OF VALOR & VICTOR ©

By eye-witness accounts, there's no doubt that the alleged 'unknown hit-man driver' put the 'pedal to the metal' in targeting Neil in the driver seat and ramming the car driver's rear door while sideswiping and forcing the car to end up tilted next to the curb on two wheels and off the axel.

Per the Bulgarian round-a-bout driving laws, the police ticketed Neil as the driver who cause of the accident for being sideswiped and not having a valid Bulgarian Driver's license until they can authenticate his International Driver's License. The police ticketing Neil is so convoluted from standard issuance of tickets instead of charging the driver of the car that crashed into his car causing the accident.

While hearing of the account of what transpired, I immediately inferred that it was another attempted assassination by a Cabal 'hit man' on Neil's life, especially considering Obama's embedded enemies of Neil within the American Embassy of the Audi gift. As usual, Neil calmly said ***"It isn't easy being me"*** in his Celtic Keenan version of Kermit the Frog's ***It's not easy being green***' famous line.

One can't help but question as to why the unusual coincidence of the few rare times that Neil drove rather than have his driver drive, that the Audi when the accident occurred—was the alleged 'hit man' waiting for the right 'hit' opportunity? —It can't be just an accident as there are too many red flags. The fleeing driver's identity and possible Cabal connections still needs to be investigated and disclosed, which Neil will make sure the driver and his connections are dealt with in his own 'Keenan Way.'

May all of us pray for the protection of Neil, his family and the Group K Team as they're all in harm's way, as Neil gets closer and closer to opening the Dragon Family 'Depositors' Bunkers and become seated as the 'elected' and 'seated' Amanah.

### **Neil Keenan Update | Keenan Experiences With A Mix of Entities**

August 12, 2020

In his SPOA association with the Dragon Family, whom has a spiritual relationship with 'Angels' and as the 'elected' Amanah by Indonesian Elder Shamans with spiritual Jinn; Neil not only battles with and conquers the corrupt Cabal, but he also becomes entangled with evil, paranormal entities. While traveling and enjoying a soak to heal himself in a Bulgarian, medicinal-mineral hot springs; Neil had entity encounters with a dark-force, shape-shifting Wolfman to a kind white-force Mr. Clean spirit.

Since ancient times, a convergence of bordering civilizations—seeking healing within the beautiful valley which is surrounded by three major Bulgarian mountains and immersed in the healing minerals hot springs—would take strategic advantage to engage in battles to ultimately claim the rights to the healing properties of the mineral water hot springs in the local villages.

The embattled rights to the ancient mineral hot springs would be the ultimate conquest for its countries leaders and citizens to benefit from the exceptional healing to rejuvenate not only the body, but also the soul and spirit.

At present, the mineralized hot springs are frequented by international tourists along with the regional and local citizens seeking mind, body and spiritual healing and rejuvenation. While the locals prefer the privacy of the original stone spas and hot spring pools, the tourists enjoy the luxurious hotel spas and pools.

## AMANAH'S ODYSSEY | PROFILE OF VALOR & VICTOR ©

During the month of August, Neil extended his summer stay at an ancient healing hot springs resort to have rejuvenating soaks in the pool and his private Royal hot springs bath house. It was mid-afternoon one day when Neil and his wife entered their reserved bath house to enjoy a healing and relaxing soak [not pictured].

As Neil was following his wife down the stone stairway to enter the hot pool of water, Neil was suddenly hit with an extremely hard blow on his back causing him to collapse and tumble down to the bottom of the stone stairs.

Neil laid flat on his back in a brief blacked-out state unable to move his extremities as his wife came rushing to his side. Coming to consciousness and writhing in pain, Neil didn't move for fifteen minutes or so. As Neil assured his wife that he'd be fine and encouraged her to soak in the bath, he laid motionless even longer to slowly recover.

As Neil was overcoming his pain by looking up to meditate his mind over body, he glimpsed sideways to see a dark paranormal shape appearing in the shape of a Wolfman dressed in a suit. The Wolfman was viciously hovering over him with a dark-force devouring look in its shiny, penetrating eyes.

As the Wolfman viciously approached with his jowls wide-open, revealing his gnawing teeth and clawing fists in a second attack stance; Neil recited his 'Ghost (Jinn) Buster' mantras and Blood of Christ protection prayers as he commanded to the demonic Wolfman, "I do not consent to be harmed by and to disappear immediately."

Neil mentally and spiritually dueled with the Wolfman until he vanished within the stone walls. Then Neil slowly got up and maneuvered his way to join his wife for a prolonged soak in the hot springs healing waters. Neil was extremely sore in his back area and extremities from the Wolfman's extreme etheric blow and his hard fall down the stairs, which took a week of long soaks in the pool and bath to fully recover.

## AMANAH'S ODYSSEY | PROFILE OF VALOR & VICTOR ©

As Neil reflected on his unsuspecting Wolfman attack, he compared it to his dark Jinn shower blow and claw attacks when he was in Indonesia and stood his 'spiritual' ground to drive the Jinn entities away just as the Wolfman. Fortunately, the Wolfman entity did not return since the spa stairs incident, but Neil had other 'Good, Bad and Ugly' paranormal visitors he had to contend with through his extended stay.

Neil normally has restless sleeps for years while coping with his painful physical symptoms from his poisoning. During the midnight to dawning hours, Neil would sense the presence of aetheric visitors, which would appear via portals to engage in enlightening, guiding and affirming conversations with Neil, as well as darker entities emerging under his bed and elsewhere.

Besides President Soekarno's frequent spiritual visits to offer his former Amanah and M1 consult and guidance; Neil relished the advent of one of his favorites who appeared dressed in all white with similar looks as Mr. Clean. Neil would engage in prolonged philosophical and mystical conversations, as well as a tapping into Mr. Clean's past, present and future timeline insights.

One of the key disturbances, which would cause Neil to be startled during his deep sleep phase was affirmed by a Viking psychic group. The Vikings sensed an enigmatic dark-force, draining his aura energies, which Neil discovered it existed under his bed. The spiritual battle between the Viking Light Witch against the Dark-Force energy Vampire persisted for months. Neil also had spiritual skirmishes with the entity until his blood stream was cleansed of the poisons then the vampiric entity vanished in agony.

## **NEIL KEENAN UPDATE | FOOTSTEPS OF THE AMANAH**

August 24, 2020

THIS E-BOOK IS ABOUT THE FOOTSTEPS OF A MAN NAMED NEIL FRANCIS KEENAN THAT HE MADE ON HIS JOURNEY TO BECOMING THE ELECTED AMANAH, THE PRINCIPAL TRUSTEE OF THE UNDERLYING ASSETS AND COLLATERAL OF THE GLOBAL FINANCIAL AND ECONOMIC SYSTEM.

This is a brief history of this exceptional man as he trekked through the world of business and finance, always giving and helping, and making the World a better place. This is his story.

It is necessary to understand what the AMANAH is.” In Arabic “Amanah” means “trustee” or one who holds someone else’s assets that have been deposited and entrusted to them and usually under a written agreement or record.

This was the case prior to and following WWII, whereby the Dragon Families moved a large portion of their wealth into hidden bunkers throughout Asia but particularly to Indonesia.

This individual is directly responsible and in charge of the deposits in all the bunkers placed there by the Golden Dragon Families. It's like the CEO of all the golden, monies and precious stones placed there for generations. The only prior Amanah was Indonesian President Soekarno in the 1960's during the JFK presidency... (Further details on the Amanah position follow in a later section).

It is his story of where he purposely put his footsteps while trampling on falsehoods and those that perpetrate them. When you finish reading this chronology, you will realize that this one man DID ALL THAT and is still going stronger than before. Neil Keenan is the modern day “Man from La Mancha”, the Don Quixote of our era.

His windmills have been and still are those institutions and governments that are Illuminati constructs and puppet administrations. He has been fighting the fight of a lifetime, from his Trillion Dollar Lawsuit to exposing the corruption and false narratives invading our societies. He names, names and details what took place and often what will happen in truth.

Some say that he has bulldog DNA as when he attacks, he goes for the jugular... and never let's go! And there are a lot of evil people in his crosshairs that have reason to worry, because as Amanah, Neil has the legal authority to issue global arrest warrants. And Neil has the global connections at the very top, within the 1% and "Above" that constantly feed him information. World leaders call him... regularly. He does not have to call them. That is the aura of the man. That is why he is the AMANAH.

Everyone who has shared a moment with Neil knows that he is an adventure story happening in almost every moment. So, this brief introduction should give you a better understanding of the true character of the man and why he was unanimously elected as the "AMANAH." This is typical of Neil, as he plays a game until he becomes exceptionally proficient at winning. It can be physical sports, mental sports like chess or business ventures in the professional financial arena. He plays to WIN... and win he does.

From an early age Neil had been (without realizing) establishing a network throughout the Western hemisphere. This had become so large that even before going off to University one could say that Neil had a 'database' of contacts that was second to none. This seemed to be the path to Neil's life. Even when he played his sports, whether in the US, Canada or Europe. He made connections wherever he went.

People he could call if he had something to offer or they had something to offer him. As months became years even before Neil left for Europe, he could make contact with some of the World's biggest players. Just keep in mind Neil did not always call said connections looking to make a deal, he would often call them just to make sure they were okay. This is how Neil managed things he liked to make sure people he liked were OK and if not, what could he do to help them.

Fortunately, the real players liked having this young man asking them if they were okay, realizing that Neil was looking for nothing and just making sure his "friends" were okay. As Neil grew older so did his data base. By thirty years of age he had travelled throughout the Western Hemisphere making friends everywhere. It would not have been a strange site to see Neil in a restaurant or club having drinks with a President or major politician in any of the Latino or Caribbean countries.

It was just a matter of time for expansion. Neil was filled with energy and had to release it and release it he did. In Europe he met with Popes and Kings, Presidents and Ministers, the Top Bankers and business leaders. What he saw and learned was that Europe under the European Union was a mess of bureaucratic rules and regulations that stifled business and only enhanced the very wealthy controllers.

**The whole system was based on fraudulent deception and corruption, and he did not want to be a part of it.**

But he did spend his time studying the systems, methodologies and technologies being employed. He took time to "know thy enemy" and spent months living in Switzerland.

Neil found that the foundation of financial wealth actually came from the East and from the ground through the sweat and toil of mankind and not from pencil pushing thieves. Thus, in the early 2000's he changed his focus again. He was looking East through Russia, China, Japan, Indonesia and Southeast Asia.

This Look East focus resulted in Neil traveling extensively in Asia, particularly to meet people in Japan, South Korea, Hong Kong, Singapore and Indonesia. His feet got on the Yellow Brick Road and it led him to the late Count Albert and the true Asian Dragon Families and the underlying truths behind global banking and finance as explained by his friend, the late Dr. Van De Meer.

This journey now follows the timeline of the Footsteps of the AMANAHA from 2008 till today. This is the true story of Neil Francis Keenan and the most recent challenges that he and his Team, Group-K, have had to face for him to become the global AMANAHA, The Trustee of the underlying assets and collateral that is the foundation of the World's financial and economic wealth.

These are Neil's Footsteps down the Yellow Brick Road and an account of only some of the encounters and exposures along the way. There is much more in the archives of his website and posted videos, and that too is only a partial part of the real-life story. ### **NEIL KEENAN UPDATE | Royal Flush – They Are All Going Down**

September 16, 2020

The term “***Financial Tyranny***” was first coined by **Benjamin Fulford** who was working at the time with (and describing the activities of) **Neil Keenan** and his audacious “**\$1.1 Trillion Dollar Lawsuit**” filed on 11 November 2010 in the Southern Federal District Court of New York that arose from the theft of authentic gold-backed 1934 Federal Reserve Notes belonging to the Golden Dragon Family, as represented by and through a legal Power of Attorney given to Mr. Keenan.

This lawsuit was the first major financial assault on and exposure of the Deep State / Cabal banking and corporate empire of financial corruption, deceit and financial slavery. And this was done in the heart of Wall Street, naming names and shining spotlights on major financial institutions, politicians and individuals involved in this intentional and international theft and cover-up conspiracy. In other words, this was the first time secret doors to the shadow financial world had been opened to our very eyes.

“**Financial Tyranny**” was then used as the title of a highly popular exposure e-book written by David Wilcock, based upon information and interviews David had with Mr. Keenan concerning the lawsuit and how the actual Cabal Financial System works through Private Placement Programs, TOVs, FRNs, FRBs and other collateralized bonds and financial instruments.

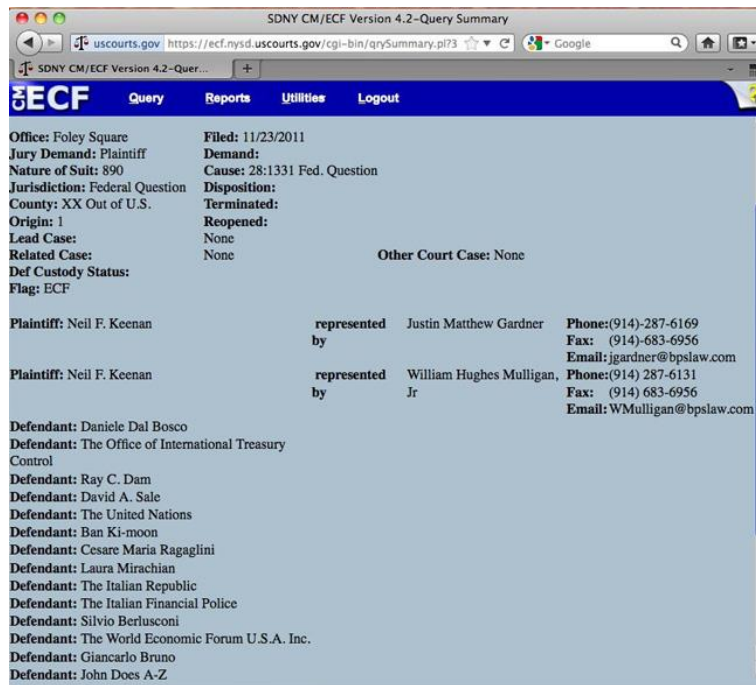

The book also covered how this system is abused to manipulate people, companies and countries.

## AMANA'S ODYSSEY | PROFILE OF VALOR & VICTOR ©

Mr. Keenan provided David Wilcock with this 'Insider' detailed knowledge together with pictures and documents that he used in his book (but without giving any credit to Mr. Keenan at all. Thank you, David, your mentor's door is now closed.)

So you can see that **"Financial Tyranny"** and its exposure all leads back to Neil Keenan.

It was due to his efforts and boldness that has led us to opening the underbelly of the financial BEAST. Neil together with his attorney Bill Mulligan, are the ones that did the real work that deserves all the credit.

Not pencil-pushing alternative media hacks that were never there risking their lives on the real front line. That is a significant difference.

The following is a summary of how Neil Keenan has continued with his personal quest to publicly reveal and thwart the **real global Financial Tyrannies** that are happening all the time and that have been ramping up in intensity since the filing of his famous lawsuit.

The financial Controllers of the world are becoming more desperate in their efforts to secure REAL fungible assets to support their Fiat paper casino markets... and Neil has been there to stop much of this financial thievery.

This summary focuses on the specific spotlights Neil has shone on Cabal efforts to gain control over Asian financial assets **in order to replenish their coffers and extend their financial and economic control of Our World.**

These exposures are THEIR attempts to anchor THEIR CONTROL over all global wealth and then implement THEIR NEW WORLD ORDER. This has been in order to maintain their tyrannical financial control over humanity.

Neil has stymied these efforts time and time again, firstly in relation to the lawsuit, then in the continuous protecting of the wealth of Indonesia, South Korea, ASEAN countries and the free World as a whole — from continued **Financial Tyranny**.

This has been done at Neil's personal expense in the line of fire from numerous assassination attempts. Neil was the one to first open the doors and kept them open and the lights brightly shining upon the callous and clandestine Cabal! He is and has been the front-runner, before anyone else in this quest... and the doors are still OPEN.

It all began with Neil standing as tall as the Empire State Building and looking down on Wall Street with his hands on his hips saying. "I AM HERE! CAN'T YOU SEE ME?!" and you could feel the ground shake.

This started alternative snowballs leading to avalanches in Cabal exposures from more and more wannabees buzzing around making noise but actually doing nothing on the front lines. So many false prophets and claimants like **OPPT**, **SwissIndo**, **OITC**, **Karen Hudes**, the **Red Dragon Ambassador**, **Kim Impossible**, **Mr. Loh** and his assholes, the scum-sucking **Crayfish** and Ben and David have all been shamed as imposters.

None have even come close to the real heroics and battles fought on the real financial battlefield that Neil has endured. How many have actually walked the lighted path that Neil lead? I can name only one World leader that stepped on Neil's road. And that is **President Donald J. Trump!** And it seems as though the two of them stepped through the same door.

Neil will be welcoming international leaders and organizations as soon as the smoke clears. *The Path has been set and more each day are becoming enlightened.* Where has there ever been a man so brazen and bold as to toss a bag of catnip across a London Boardroom table surrounded by Cabal Banking Elites like the **Chancellor of the Exchequer** (of London), **HSBC Chairman**, **Bankers Trust Chairman** and others with the meeting chaired by **Evelyn de Rothschild**.

One banker even fell off his chair thinking the bag was some sort of bomb. Others threw their hands in the air. Evelyn just had a huge belly laugh as he saw "**CATNIP**" in bold lettering on the bag.

Neil then sat down and listened to their rants and an offer of Trillions of dollars to Neil to “*just to go away.*” Neil did just that! He got up and walked away! But he was smart enough to go straight to a small airport outside London and take a flight to an undisclosed location—as they’d surely look for him at Heathrow for target practice.

**UNDERSTAND:** It is not the money, fame, or power that fans this man’s fire. It is doing what is truly Right and Righteous... for self and all mankind... and certainly not for the continued enrichment of financial oligarchs. And Neil knows how to play the GAME.

Now let’s take a look at some specific battlegrounds and victories in order to better understand how the Cabal is persistently attacking Eastern wealth and how Neil and his team have defended the realm.

### **The Monaco Accords to Thwart Financial Tyranny**

The first tight slap to the Cabal was Neil’s ***Trillion Dollar Lawsuit***. The second tight slap was his orchestrating of ***the MONACO ACCORDS***.

The **Monaco Accords** were the result of a meeting organized by Neil and his Swiss Banker friend, of Finance Ministers invited from fifty-seven countries and held on board a mega yacht in Monaco.

No major Western countries were allowed to attend, and even **Senator Jay Rockefeller** was personally physically blocked by Neil at the gangplank from boarding.

The Monaco Accords is essentially a general agreement by now more than 100 countries to adopt a new global financial system separate from the Cabal’s Western controlled, fraudulent-banking system.

The Monaco Accords spawned the **BRICS Alliance**, and at a later date Neil proposed the **Asian Infrastructure Investment Bank (AIIB)** as an Eastern Central Bank followed by his promotion of the new **CIPS interbank financial transfer system** that surpasses the West’s corrupted **SWIFT system**.

Neil's lawsuit, followed by the Monaco Accords was like a left hook followed by a right cross to the Cabal's jaw. These are real knockout punches and not tight slaps. What a bold and strategic start to a war against Financial Tyranny.

### Tyranny in Indonesia

Neil has focused much of his defense on Indonesia as this is one of the last major bastions of REAL WEALTH hidden in bunkers and secure warehouses.

The Cabal attacks here have been relentless and brutal. Neil's shielding has been strong and holding, but Indonesia is clearly the Center of Cabal attacks from now on and that country needs to be extra observant and pay very close attention to what is happening around their country and the region.

You may not remember **US Secretary of State, John Kerry's** trip to Indonesia where he threatened to "sink Indonesia" (if they did not release their gold to the **Bush / Clinton Crime Syndicate**).

Neil publicly retorted back that *"any use of energy weapons on Indonesia to create earthquakes, trigger volcanoes or altering plate tectonics would result in serious retaliations."* Apparently Kerry tried similar threats in Switzerland and was shot.

But the Bush / Clinton Gang tried again by funneling millions of dollars of confiscated

drug money from the Arkansas Foundation into Indonesia in a planned coup attempt to kill the Vice President and create an insurrection that would split Indonesia into pieces.

This funding was followed by visits by US officials and an Indonesian General whose wife is a Japanese Princess and daughter of the Emperor, both vying for gold deals backed up with threats. Neil exposed this coup attempt and the reprehensible players and their plans, thus stopping an externally funded revolt.

[The Rockefellers have controlled Japan for a long time. SONY by way of an example, an acronym for Standard Oil New York – Look up J.D. Rockefeller.]

Thwarted by Neil's timely intervention, the next serious attempt by the Cabal was to have the **Japanese Prime Minister Shinzo Abe**, a Rockefeller puppet, mobilize the Japanese Army for the first time since WWII— a planned attack on Indonesia to steal the bunker assets and plunder the country because of some made-up false flag event.

Neil again directly warned the Indonesian and Japanese governments and publicly made known this despicable plot. It was shut down and shot down. And speaking of being shot down, or more appropriately "shot at", Neil and team were directly involved in a jungle gun battle in Central Java at a George Soros-funded terrorist training camp.

They even managed to squeeze off a few shots at Keenan, but he managed to escape and get out of Indonesia with only minutes to spare. Soros has not and will never return to Indonesia with Neil around.

There have been other public exposures in terms of preventing greedy Indonesians from illegally selling bunker and other assets that do not belong to them. These schemes are almost always backed by Western Cabal Banksters through various front institutions or agents – often promising big commissions or are accompanied by blackmail or physical threats to families in order to invoke cooperation. Some, like **SwissIndo**, are just plain frauds. Neil has spotlighted so many and killed these deals repeatedly. Neil has clearly done more for saving Indonesia and the stored Family wealth than virtually any other Indonesian national.

This was actually “seen” 30-years ago by Indonesian Elders and is the primary reason Neil was offered the **M1** position by the Family, as well as why he was unanimously elected by the Elders to become the **AMANAH**. Some say “he is more Indonesian than Indonesians.” That’s probably true. He has definitely earned that accolade.

### Financial Tyranny in South Korea

**South Korea** has been a favorite plundering playground for the Elite Cabal for decades as originally it had hundreds of small hidden bunkers of hoarded Japanese assets that were stolen from China and stored in Korea so that Japanese rulers and politicians could not get their hands on them to pilfer from.

With the **Rockefellers** conquering Japan—the U.S. Rockefeller used to OWN the Japanese Central Bank— South Korea and the US Armed Forces have been looting these assets since WWII. Principally for financing their presence in the country and for financing Generals, Black Budget Operations and Korean politicians.

This was recently exposed by Neil as one of the US Bases is even operating an illegal casino on Base and is being used to launder bunker currencies and gold. But that was small potatoes compared to Neil’s exposure of the nefarious dealings of two of the past South Korean Presidents, **Park Chung Hee** and later his daughter, **Park Geun-hye**, who is now in jail thanks in part to Neil and company.

Park Geun-hye was easy picking for Neil as she blatantly stole gold bars from the Family’s bunkers, melted into smaller bars and was “instructed” to deposit 250,000 tons of them onto the **USS George Washington Aircraft Carrier** parked in Seoul’s harbor.

Neil notified the Golden Dragon Family to surround the ship and they placed their satellites overhead to track any movements. The ship left empty and Park Geun-hye was impeached and went to jail on less embarrassing charges.

The exposure of her father came later when Neil found out that Park Chung Hee had cleaned out two major bunkers and salted the booty in banks in a Montana Indian Reservation.

This multi-trillion-dollar stash (estimated at up to USD 26 Trillion) is currently managed by a group called the **International Reserve Depository Bank (IRDB)** headed by **Dennis Lambert**, several South Korean trustees, and an Indian Reservation representative.

This group of thieves, of course, cannot move these assets off the Reservation, but Neil revealed their latest plot was to *"loan the money back to South Korea!"* Mr. Lambert really didn't like being in the spotlight but really knows how to cuss according to Neil. Now, how about returning the assets to the rightful Owners or go to jail?

The latest multi-pronged attack by the Cabal on South Korea began just prior to the last 2019 G20 Summit in Osaka, Japan.

Prior to the Summit, **Prince Andrew** shows up from the UK. Later, **former US President George W. Bush** came knocking. Then **Saudi Arabian Crown Prince Mohammed bin Salman** also came looking for gold to fill his pockets.

And then, in the shadows of the Summit was a tussle going on between Japanese, Chinese, Taiwanese and US interests all vying for bunker assets. And at the top of it all was **Japanese Prime Minister Shinzo Abe**, who was tasked by the Cabal to assure that the Korean looting would take place.

He failed miserably due to Neil's timely intervention. This triggered a last-ditch effort by the Israeli Khazarians who then sent the Israeli President **Reuven Rivlin** in to make final threats and demands which were also unsuccessful. That was a fruitless few months of effort for Cabal crooks... thanks to Neil.

Congratulations to **South Korean President Moon Jae-in** for deciding not to go to jail and be publicly humiliated by a Keenan blast.

[Japan's Prime Minister Shinzo Abe](#) for his failure to deliver (because of Neil being in his face) has **RESIGNED**.

Neil has exposed even more of South Korean shenanigans, but the list above just shows the intense level of the fight. Who else has stood before? Who has championed for the People?

### Financial Tyranny in ASEAN Countries

Through the thick of all this, Neil has also laid bare the tyranny plots occurring in other ASEAN and Asian nations. His eyes have seemed to be everywhere.

#### Malaysia

Malaysia has been a fruitless folly for the Cabal with **JP Morgan Bank** instrumental in “setting up” the sovereign **1 Malaysian Development Bank (1MDB)** as a **Clinton Foundation-style slush fund** for the **former Malaysian Prime Minister, Najib Razak** and his cronies.

When Neil found out the depth of this scandal, he never let go. He uncovered shady deals, one after another. Neil's digging turned over more than just Najib and friends using 1MDB money to buy luxury hotels, finance Hollywood movies and mega yachts – or financing Najib's own re-election campaigns.

What Neil ousted were major players involved in multiple scams that Najib hatched to save his own sorry ass. Najib's first botched attempt was to negotiate with **Bong Bong Marcos** concerning the conversion of his offshore USD \$16.0 Trillion stashed in Labuan, Malaysia banks.

At a conversion rate of MR 4.5: 1 USD old Najib would easily cover his debts and **Bong Bong would OWN MALAYSIA** (and could sell it to whoever he would like!) Neil squelched that deal really quick and embarrassed Bong Bong for not helping his own county first.

Next Najib and friends turned to **Alfredo Saurin** and the **fake Antonio Santiago Martin (ASM)** (who was the fake M1). This scam involved 1.0 million metric tons of Thai gold that also involved approvals (% shares) for **the FED's Chair, Janet Yellin**, and the **Bank of England's Chairman, Mark Carney**.

When Neil turned the lights on in that room, all the rats ran away from the deal. Since then Saurin died, Yellin and Carney have retired and ASM is on the run from authorities. With doors closing in on Najib, his last resort effort was the **"Dead Man Walking Caper"** where he tried to steal funds from a wealthy Malaysian Trustee who had authority over a large trust account in UBS Bank in Switzerland.

Najib, as Prime Minister and Finance Minister, wrote an official letter to the Managing Director of UBS claiming that he was the sole executor for the estate of the Malaysian Trustee and that he would be assuming his trust position. Najib then had his Deputy Prime Minister (who was also Minister of Home Affairs) write another official letter declaring that the Trustee had died and included an official Death Certificate.

Of course, the Dead Man is still Walking and Neil's detailed expose of the case, which is now registered with the **International Court of Justice**, has blown the lid off of the Cabal stooge **Najib Razak**, who has been indicted for multiple counts of corruption.

### Thailand

Thailand has been another happy hunting ground for the Cabal, but without much luck.

Thailand has amassed tons of gold which generally one can buy, but most often you will never see your money (or gold) again, and even if you get your gold (like in China) you will never be able to take it out of the country.

Of course, **President Obama** got a whiff of the scent of Thai Gold and sent a US Fleet into the Gulf of Thailand as a blockade threat. Neil informed the Dragon Family about what was going on and what they should do to handle the Thai Royalty and make Obama back down.

Obama wasn't through with Thailand quite yet. Do you remember that Obama gave Billions of Dollars to IRAN supposedly for Iran to stop making nuclear weapons?

But what Neil uncovered was the backroom deal where the son of the **Shah of Iran, Anwar**, tried to use those US Dollars to purchase 10,000 tons of Thai Gold.

The Shah did have a small gold stash deposited with the King of Thailand, so there was some legitimacy to the deal by Anwar, however, the gold was to be used to fill the Iranian coffers during the sanction period and possibly bring Anwar back into power as the new Shah. Neil's postings, key notifications and instructions shot down that plot too as the Family's satellites were watching everything.

There were other reports that US Special Forces raided a large mansion in Southern Thailand that was leased by Obama, where a large stash of gold and weapons were seized. Southern Thailand is predominantly Moslem, so you can figure out what Obama and his "Brotherhood" friends were plotting.

So Neil's 'lighting up' of Thailand has kept Cabal sticky fingers out of that cookie jar.

### Other Asia-Pacific Exposures

Almost all countries in Asia and the Pacific have come under Neil's intelligence microscope. Many reports are just Cabal puppeteering acts of jockeying positions with little significant financial importance. These have been noted and filed in a Stooage File that identifies possible obstructionists in each country across the region.

Where significant financial and economic changes have taken place, **like New Zealand being taken over as a Cabal Elite sanctuary** or **Sri Lanka's former president** selling 20,000 mt of gold that did not belong to him, such escapades Neil has reported long before they became more widely known.

However, the biggest scam in the region that Neil exposed involved the **Sultan of Sulu** in the Southern Philippines, a trusted Elder and guardian of the Golden Dragon Family's Collateral Accounts, who was conned by the **P2 Freemason Lodge** and the **Vatican** in July 2014 into to a fraudulent contract that would sign over gold and other assets that did not belong to him in a **USD \$15.0 Quadrillion Dollar deal**.

This would have given claim to the Vatican of the bunker assets throughout the region owned by the Dragon Family and managed by their appointed Trustee Elders. This would have funded the Vatican and Cabal Elites for the next century dooming the World to Financial Tyranny for the next 4-5 generations. Neil's revealing of this scam forced the Parties to abandon this fraud.

Flying under the radar is Neil's network of Elders and Family Trustees, who inform Neil of Cabal activities often involving unscrupulous attempts to entice Trustees to release funds or gold under various schemes and offers of entrapment, or under physical threats. That has always been an easy way to get your picture on Neil's website with a paragraph or two describing the sinister plot. **Hello Mr. Loh...**

Also flying low are Trustees throughout Asia offering Neil to manage their bunkers as they TRUST HIM... and NOT Western Cabal operatives. REAL financial and economic strength is now in the hands of the AMANAH.

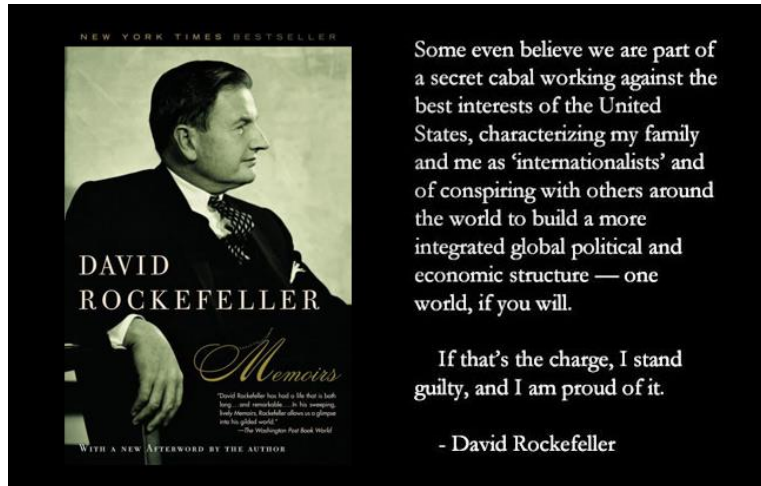

### **Tyranny in the US**

Several years ago, Neil wrote that Wall Street was moving to Stamford, Connecticut. No one was paying attention. Now, with the Democratic Governor and Mayor locking down New York City due to the fake scamdemic, city wide demonstrations, rioting and looting and a rising serious crime rate, New York is now a ghost town devoid of workers, tourists, and restaurant and theater goers.

New York City is no longer the vibrant financial and business center that it once was. Only a few heeded Neil's advance warning.

And in July 2018, Neil posted a scathing piece on vaccines and how dangerous they really are based on improper testing, harmful ingredients (including aborted human fetal tissues), and poor-quality control where batches produced differ seriously and are often contaminated with other viruses, bacteria and fungi causing harmful side-effects.

This initially **Rockefeller-funded industry** is designed to **kill humans slowly at a PROFIT**. When the COVID scandemic started, Neil was the first to expose **Bill Gates** as the financier of the **CDC** (a private foreign owned corporation headed by Gates's associate **Dr. Fauci**) and the **World Health Organization (WHO)**.

Bill Gates owns vaccine research and production labs and finances others through his [Bill and Melinda Gates Foundation is one of the major funding stakeholders](#) of [QuinteQ](#), the umbrella organization of [Pirbright Institute](#) in the UK (majority owned by the **Queen of England**) who received PATENTS for the COVID VIRUS and the VACCINE in September 2019!

Bill Gates and Dr. Fauci also funded the research at the **biotechnology center in Wuhan, China!**

So this was clearly **PLANNED IN ADVANCE** to disrupt the global economy, upset US elections and instill fear in the general public needlessly, over what has now been proven nothing more than a normal mild flu.

Again, not enough people listened, but Neil together with his researcher, the Kraken, was the first to put the facts on the table months and years in advance, and expose the treasonous culprits behind this intentional scam.

And speaking of treason, it was Neil who alerted the nation of **Obama's attempt to nuke Charleston, South Carolina** in a detailed post and video in 2013. On Obama's instructions two nuclear bombs were (not officially signed out) removed from their arsenal in Fort Hood, Texas and transported to a military base near Charleston from where they were to be dropped on Charleston as a "false flag" event used to start WWII and instigate Martial Law in the US.

When **Obama** and **Cheney** emerged from their new deep underground Washington bunker, they expected to see 30 million dead Americans and huge devastation.

Instead, there was nothing – as an **Air Force General** and **Navy Admiral** in charge of nuclear weapons had the bombs flown 620 miles offshore and detonated them in the mid-Atlantic Ocean (seismic records confirm.)

For their heroic service to the nation and the world... Obama fired them and two other Admirals on phony charges. Neil was the first to break this intelligence which has created a storm of "conspiracy bunkum" denials all over the Internet.

Neil also outed **House Speaker Paul Ryan** for his attempted support in 2016 of a NEW REPUBLIC corporation to replace the US Territorial Corporation and USA Corporation that usurped the Original Constitutional Republic back in 1871.

Neil showed that the proposed New Republic was nothing more than another FRENCH registered corporation (not American owned) being funded by a fake Chinese Dragon Family using an Indian Reservation headquarters outside of Reno, Nevada. Congressman Ryan has since left politics thanks to Neil's exposure of his traitorous behavior.

Also in August 2016, Neil exposed the **Cabal PLAN for an EMP (Electronic Magnetic Pulse)** attack on the electricity grid of North America, brought about by detonating nuclear warheads in the atmosphere.

This would see the blame laid upon *“foreign terrorists.”* The attack would cover a wide berth of land ranging from the East coast to the West coast of the US, and from the North to South coasts, also extending into Canada and even Central America. Neil and M2 were told that everything was in place in the US to destroy the ‘Grid’ and set off a depopulation program that would eliminate 80% of the American population by way of starvation and civil unrest.

Waiting to deliver emergency foods, **the UN would decide** who ate and who did not.

This executive order had already been signed **by the unlawful and utter fraud that is known as Barack Obama**. Fortunately, this PLAN was aborted because of this publicity and because a few months later **Donald Trump won the election**.

In September 2016 the **United Nations** invited Neil Keenan to discuss financing, new technologies and the use of the Global Collateral Accounts. Neil stated that the only circumstances under which he would accept such an invitation, would be because the UN had accepted his demands for the majority of seats on the particular UN financial committee, thereby establishing Neil's credence that the Golden Rule applies:

***“He who has the gold makes the rules.”***

Another prerequisite would be that the numerous aggressive international corporations imposing themselves as governments stand down; as Neil organizes finances for the deployment of new technologies from the Global Collateral Accounts worldwide, thereby alleviating the burdens of poverty-stricken people everywhere.

Neil also stated that the first couple of Accounts opened will go immediately into backing new technologies, towards the immediate halting of chemtrail spraying and geo-engineering, and the dissemination of any other environmental poisons including weaponized food, vaccines and GMO's etcetera.

Neil's funding would also be directed towards the eradication of homelessness, and into the provisioning of proper healthcare, clean drinking water, safe food and the taking care of military veterans and police officers globally.

Finally, Neil would demand UN worldwide immunity in relation to all matters pertaining to himself and anyone representing his team. This would be required in order to facilitate projects worldwide and circumvent obstructionists along the way.

Obviously the Satanist liberals within the UN have not yet agreed to these terms and conditions... but they eventually will... as Neil as the AMANAHA has the GOLD.

This will all begin in Indonesia very shortly.

### **The Tyranny in Europe**

## AMANAH'S ODYSSEY | PROFILE OF VALOR & VICTOR ©

The Foundation of '**Financial Tyranny**' actually arose in Europe with the **Vatican** approval of fictitious entities being given legal status and the creation of "strawmen" used to hide wealth ownership and accountability.

This was further usurped by the Khazarian Mafia and Black Nobility into the form of incorporated banks that were **legally allowed to create money out of thin air** and institute a system of legalized fraud through the use of "fractional banking", fiat money printing, rigged financial paper casinos, interest rate and commodity price fixing, unbridled corruption, thievery and abject greed tainted with illegal activities, bribery, extortion, murder, and on and on...

This is what Neil ran smack dab into in Europe and is the basis of his **Trillion Dollar Lawsuit** and other litigation that will soon follow.

That is the foundational devil that Neil is and has been successfully fighting through repeated public spotlighting. Ruling Elites have been dethroned. Presidents and Prime Ministers have been sent to jail or resigned. Minions have been thwarted at every turn. Neil's sword of Truth cuts deep and swiftly.

Neil was offered an invitation by the establishment of Indonesia which he accepted. This saw him go through seven rituals in order to be elected to the status of Amanah.

**So where does Neil Keenan as the AMANAH fit into this exploding Financial Tyranny?**

Simply, Neil Keenan, as **the AMANAH**, is potentially sitting on top of **the largest pile of REAL FUNGIBLE ASSETS THE WORLD HAS EVER SEEN.**

**The estimated bunker wealth is not in billions, trillions or even quadrillions but in at least QUINTILLIONS of US Dollars... more than enough to rejuvenate the Middle Class globally and World Trade.**

# AMANAH'S ODYSSEY | PROFILE OF VALOR & VICTOR ©

That is clearly enough for Neil's ticket to sit at the Head of the global Financial Table.

Those coming in to support Neil and his Team with money in hand may get a seat too, but those asses that bow before him with hands extended will get booted out the door! Those who come to help humanity may stand a chance.

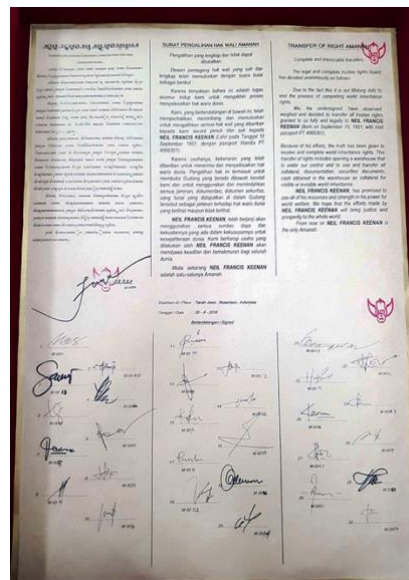

But those that come to save their own sorry asses and serve themselves, **FOR GET IT!** Neil has shown that he has no mercy for Cabal Elites, and his Team members are the same minded fighters.

There will be dramatic financial changes in Our World as the Fiat monetary system is nearing its natural collapse. Neil and his Team will be there to help rejuvenate a global financial system with **REAL ASSET BACKING**.

**That is what the AMANAH does for HUMANITY.**

What **KIND OF** new global financial system will evolve is yet to be fully determined, but it needs to be far better than the old one – for sure.

This situation needs correction... **IMMEDIATELY.**

And ***“HE Who has the GOLD... makes the RULES.”***

Thus the first SEAT would go to the AMANAH, Neil Francis Keenan, who represents the **REAL** assets backing the Global Collateral Accounts **AND** the bunker assets of and in Indonesia and of the Golden Dragon Family in Asia.

Understanding that, then you will be able to comprehend why Neil Keenan and his

## AMANAH'S ODYSSEY | PROFILE OF VALOR & VICTOR ©

Indonesian associates are so important in any global financial reset and why he has been so active in exposing and preventing Cabal attempts to steal Golden Dragon Family assets throughout Asia and in protecting assets held in Indonesia; as well as, dealing with the Family gold deposits made into the Global Collateral Accounts that form the foundation of Western banking... soon to be EASTERN BANKING.

This Summary shows how Neil has consistently turned global attention to the nefarious dealings of the Cabal and their Agents who attempt to cross Neil's red line. There were many more and there will be many more to come. But this global warrior is indefatigable and determined to WIN.

**Count Albert and Amanah Neil Keenan**

So, it is about time to choose sides and either join with Neil and support his Team or prepare to fight with the nastiest bulldogs on the street. And fence-sitters will definitely lose a lot of toes to these snapping dogs.

This may look like a fight between David and his Lilliputians against a field of Giants, but there is magic in Neil's stones and they are being thrown by 80' tall Jinns and a host of angelic beings that have the full support of the Creator. Choose your side well.

And anyone who would walk into a lion's den with nothing but catnip, must have real magic stones... that is NEIL KEENAN.

*"It's a jungle out there. You gotta look out for number one, but don't step in number two."* – Rodney Dangerfield

### Concluding comments by Neil Keenan:

*"After reading the above, I must say that even I am impressed with the list of accomplishments, but do you know what?*

*This list is not complete, nor could it be seeing as so much more happened and so many people have been involved in terms of our team, to individuals and organizations such as the Lords of Light, who actually saved our backsides during one of our last trips when the Rothschilds shut off all our bank transfer capabilities. If it was not for them; our allies who found a way around these matters and helped to keep us from collapsing.*

*Their ingenuity was so profound that even the banks could not figure things out. It took them two weeks to understand how to get us the funding to keep rolling, and that is when the bank itself understood that it had the capacity to receive and send money just like Western Union (owned by the Rothschilds)... This was something else not only for us but for the bank as well.*

*What this posting is about though, details not only the issues and events we have dealt with but how twelve years ago, with our release of 'Financial Tyranny' – as coined by Benjamin Fulford – and composed by one hell of a NY Attorney named Bill Mulligan; who started out thinking this might be a scam – somehow to finally (after much work and reading coming to grips with things) that there is more going on out there than what even he thought... Without Bill you all would still be sitting in your chairs waiting for the end to come.*

*Now, we are beyond counting numbers worldwide and this matter has become one of utmost importance. It has evolved from exposing the banks, the 'Elite' and much more into the survival of our people and the planet.*

*The doors were opened twelve years ago by us and 'Financial Tyranny,' which also included lots of work from Keith Scott, who went the wayward path soon after this, but nevertheless he was instrumental – and not to be forgotten.*

## AMANAH'S ODYSSEY | PROFILE OF VALOR & VICTOR ©

*There were others that helped send us off into the unknown such as Jean Haines and again without her, I might have returned to the business world long ago or have even made a deal with the Cabal to drop the lawsuit.*

*I was pondering so many things back then, but my team kept plugging away at things and upon seeing this, I realized that if they can continue to do it – then so can I. Thank you to my team, which has changed here and there, throughout the years.*

***That's right, twelve years ago and many, many dollars later this happened, and the doors were opened for humanity for the first time.***

*Up to this point some might have thought about it, but no one had the stones to come forward with it, given that the Italian Prime Minister who attempted to do so was found hanging from a bridge in Italy – and many other people who disappeared who would even dare to mention such things existed (remember the movie “Conspiracy Theory”?)*

*Yes, they had us all imprisoned right here in our own world and they were looking down on us as their minions. To be honest, so long as I could play basketball or baseball, I never had the time to think about it, but it was always there suffocating our families. That weight might still be with us, but we know about it now and we are banging back at them.*

*Yes “they” still control lots of operations and can even create volcanic eruptions and earthquakes. They are what they are, and it can be scary, but keeping them in control is even scarier. I have been helped throughout and people such as Russ and others assisted me in getting it this far – to the END or BEGINNING – however we wish to look at it.*

*“They” even tried to use the Corona Virus in an attempt to close the very doors we opened by changing the world once again into what the Cabal needs to survive. The Kraken exposed that one.*

*“They” have the medical world and Big Pharma in their pockets and are utilizing them to keep us locked up in what I would describe as their created world, which is falling apart.*

*Soon they will still be around (maybe) – but then again, the leadership will be different.*

*The Democratic Party of the US is falling apart in the process of being exposed – and their leaders are proving to be nothing more than a group of feeble old men and women who have kept us down.*

*The Republicans are not much better, and it seems that after TRUMP is re-elected it is time to create some sort of system that will protect the people; which I believe will happen. And why will all this happen and more?*

*Because WE opened the doors with a lawsuit filing twelve years ago which dug straight into their weak hearts and we have not given it a break since.*

*I have been under siege right from the beginning and will talk about this in a video soon to come, but again people such as Susan from Boston came through with such help that I was allowed to continue on—that was until the so called “women’s club” began to attack people such as Drake, who was doing nothing more than assisting the people throughout.*

*Why would this ‘club’ attempt to hurt the very people who were helping them? Since that time, they have disappeared, but the damage they did has not.*

*Many hands were extended along the way and at times others were attempting to bite them off. Twelve years is a long time and guess what: WE OPENED THOSE DOORS FOR HUMANITY AND THEY ARE STILL OPEN TODAY.*

*If we had not done this, then we just might have been dead by now or then again maybe the CABAL would not have unleashed some of their very damaging weapons that they had been sitting on for years.*

*Like I said, I will put out a video shortly and get into this a little bit. But for now; here is a big thank you to humanity and all some have done to keep us all alive. I am still alive and well and ready to go to get this show back on the road. This planet will go through such a shake-up like never before. Then it will be our planet not just ‘theirs’ for a change.*

*Until the video I bid Adieu... And do not worry – we are not missing a beat while locked down with this fake virus.*

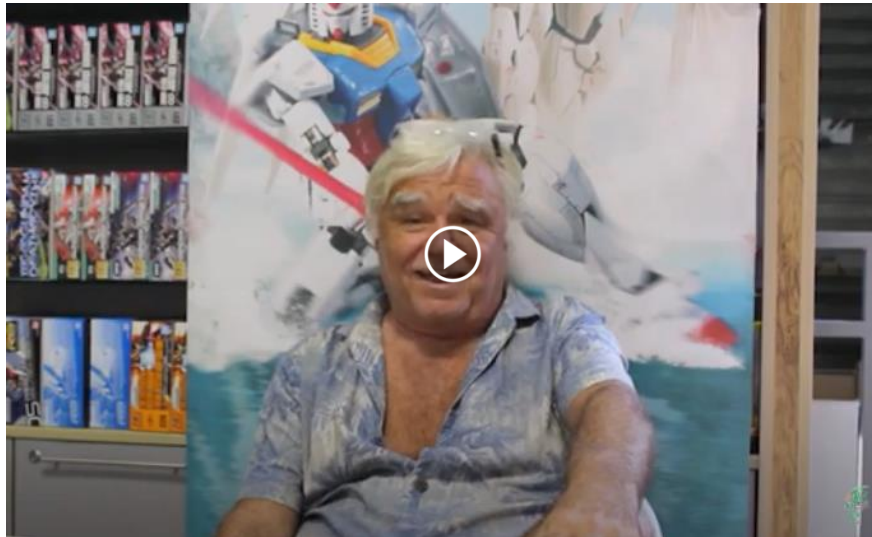

*Just adding more pieces to the puzzle... Thank you all once again and remember our team OPENED UP THE DOORS and they hopefully will never be closed again.*

***Your AMANAHA, Neil Francis Keenan***

### NEIL KEENAN UPDATE | The Time Has Come...We're On Our Way

September 18, 2020

*Hi Everyone, wishing you all well... In just a short while we will be moving on to what could be titled as an ending or a beginning, or how about just a new beginning. We have given it our all for years and now we are standing here, reaching out to shake your hands (my team and I.)*

*You have been so kind over the years, even when I had my bumps but we also fought through those and came out on top. We never wavered and our feet were solidly rooted. We took them all on.*

*Now I have a video to do and I don't know what to say. Don't say you cannot believe that Neil Keenan is tongue tied but I am. We are now looking at that road we have talked about many times, and we are definitely moving on it now.*

## AMANAH'S ODYSSEY | PROFILE OF VALOR & VICTOR ©

*There will be a giant step to take shortly and that will be a New Beginning. We have one hell of a task to complete but then again who ever thought we would get this far?*

*NO ONE! Now let's stay together and take on what I consider to be a huge task and some term as monumental.*

***We are going to do it people.***

*We are going to wind it up and let it go and once we do – I just might be able to take a break.*

*You may have thought that I might not 'be' any longer – and I must say I had little to say at the time, and was not going to give anyone any platform nor listen to nonsense; so here I am now at the crossroads from end to beginning and I am well.*

*Enough said, I am alive and well. The video is me, but a me that literally has little to say until we get moving towards the crossroads.*

*I am about to light up, with my energy boosted and my team crashing through unbelievable objects in getting to what will be known forever and ever.*

*Count on us we will do it and do it well. The planet will be safe.  
Count on it. Now for the video... and some music...*

### **NEIL KEENAN UPDATE | An Adventure Never To Be Forgotten**

September 27, 2020

Well, it seems as though we are never going to get enough of what happens in the jungles of Indonesia.

This time, with Thomas who spent one month with Neil and Jo... What they all learned is one very important thing: "The monkeys are not going away. They are here to stay..."

In the following conversation between Thomas and Neil you will find many of the cracks in what we have already heard are filled in with their chat. It takes us back to Indonesia and often into the jungles where the Jinn are waiting and most definitely ready to protect Neil.

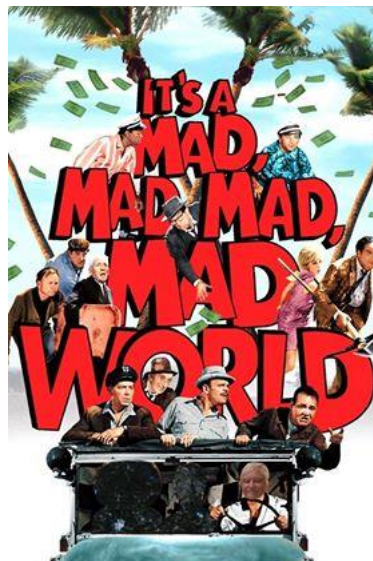

A joke eh? You should be there to witness how many are there to help him. Hundreds? Nope! Maybe thousands! And you do not come out alive without them. The jungle would and could devour you before you blink. Therefore, what you will hear here between Thomas and Neil is quite heavy and now is the perfect time to genuflect.

So, let's get it out to you people before it seems to fade away. Get yourselves ready to hear many things that no one else has heard to date. Please put your seatbelt on and stay calm.

Here come the monkeys! Or Cobras! Or Pythons! Sumatra Tigers (White) and so much more. Sit back and listen and enjoy the ride. We are your tour guides.

**NEIL KEENAN UPDATE | It's That Time Again There Is No Other Option VOTE TRUMP**

October 11, 2020

**NFK Update: 2020/10/11 It's That Time Again There Is No Other Option VOTE TRUMP**

*Well, it is that time again. It's Election time and did we learn anything over the past four years?*

*I am sure we all did and that is that our President, Donald Trump is the greatest President ever. We cannot compare him to anyone—except perhaps John F.*

*Kennedy who was taken too soon from us—seeing that nearly all of them were Cabal and that all began a long time ago.*

*Our President, Donald Trump went out and took on both the Democratic and Republic parties right from the beginning; although by necessity he found himself within the Republican party.*

*He was a conservative but he was much more than anyone ever knew they were getting. He was the one that would clean up the mess created by fools who thought they could take over our world.*

*He chased them. He kicked them, and when it is all over and done – and they are found guilty of so many crimes – he just might be able to say “I cleaned them from our house.”*

*Mr. President, I will be there to help you once you win. Until then I am sure you will continue to fight hard and however you have to; but do not ever let them do such things to you and your family again.*

*For now, and with the support of all those who back Group K, get out there and make sure we are going to have a planet to live on after the election and do the right thing. Know what that is?*

**VOTE TRUMP.**

*This is the only one on the card that makes any sense at all.  
Now rest well and let me get back to doing my job. Time is a wasting.*

### NEIL KEENAN UPDATE | It's Showtime!

October 29, 2020

**There are things that happen that could change the world.**

### [NFK Update: October 28, 2020](#)

Here you will learn the truth about some publicly unknown (until now) historical incidents; offers that could have greatly assisted the United States of America – and the World.

**These could have led to a major financial and economic recovery, BUT the offers were declined.**

Few people in the entire financial world have a grasp of what really is the foundation of global wealth, and even fewer know who are the people actually controlling this.

Neil lays it on the line, naming the Rothschild corporate financial empire of Khazarian, Cabal, Deep State operatives whose objective is the annihilation of 90% of humanity through economic chaos and destruction as planned in Agenda 21 & 30 – and being currently implemented through a fake pandemic.

**Most people are confused by the Western fraud-based financial system where money is created out of thin air with NO ASSET BACKING.** This creates valueless FIAT colored paper of all denominations that are sold into rigged casino markets.

They think that the FED, BIS, IMF and World Bank control the supply of money through DEBT and the major international commercial banks and their financial subsidiaries simply roll over new money 100 – 1,000 times before letting some of it enter the real economy.

That is what most people see and think, but there is a much higher level that is unseen.

First, a brief historical background understanding is necessary. Traditionally and until the 20th Century MONEY was based on GOLD, precious metals and other real tangible assets.

Over centuries of trade, most of the gold made its way via the Indonesian spice routes and silk road to Asia and ultimately under the control of the Golden Dragon Family, a group of ancient Asian family representatives that few know about and even fewer ever meet.

The West's gold is limited to a bit more held in Rothschilds' Central Banks and is limited to a "recognized" 800,000+ metric tons and that is supposed to support the trillions in marketplace colored paper.

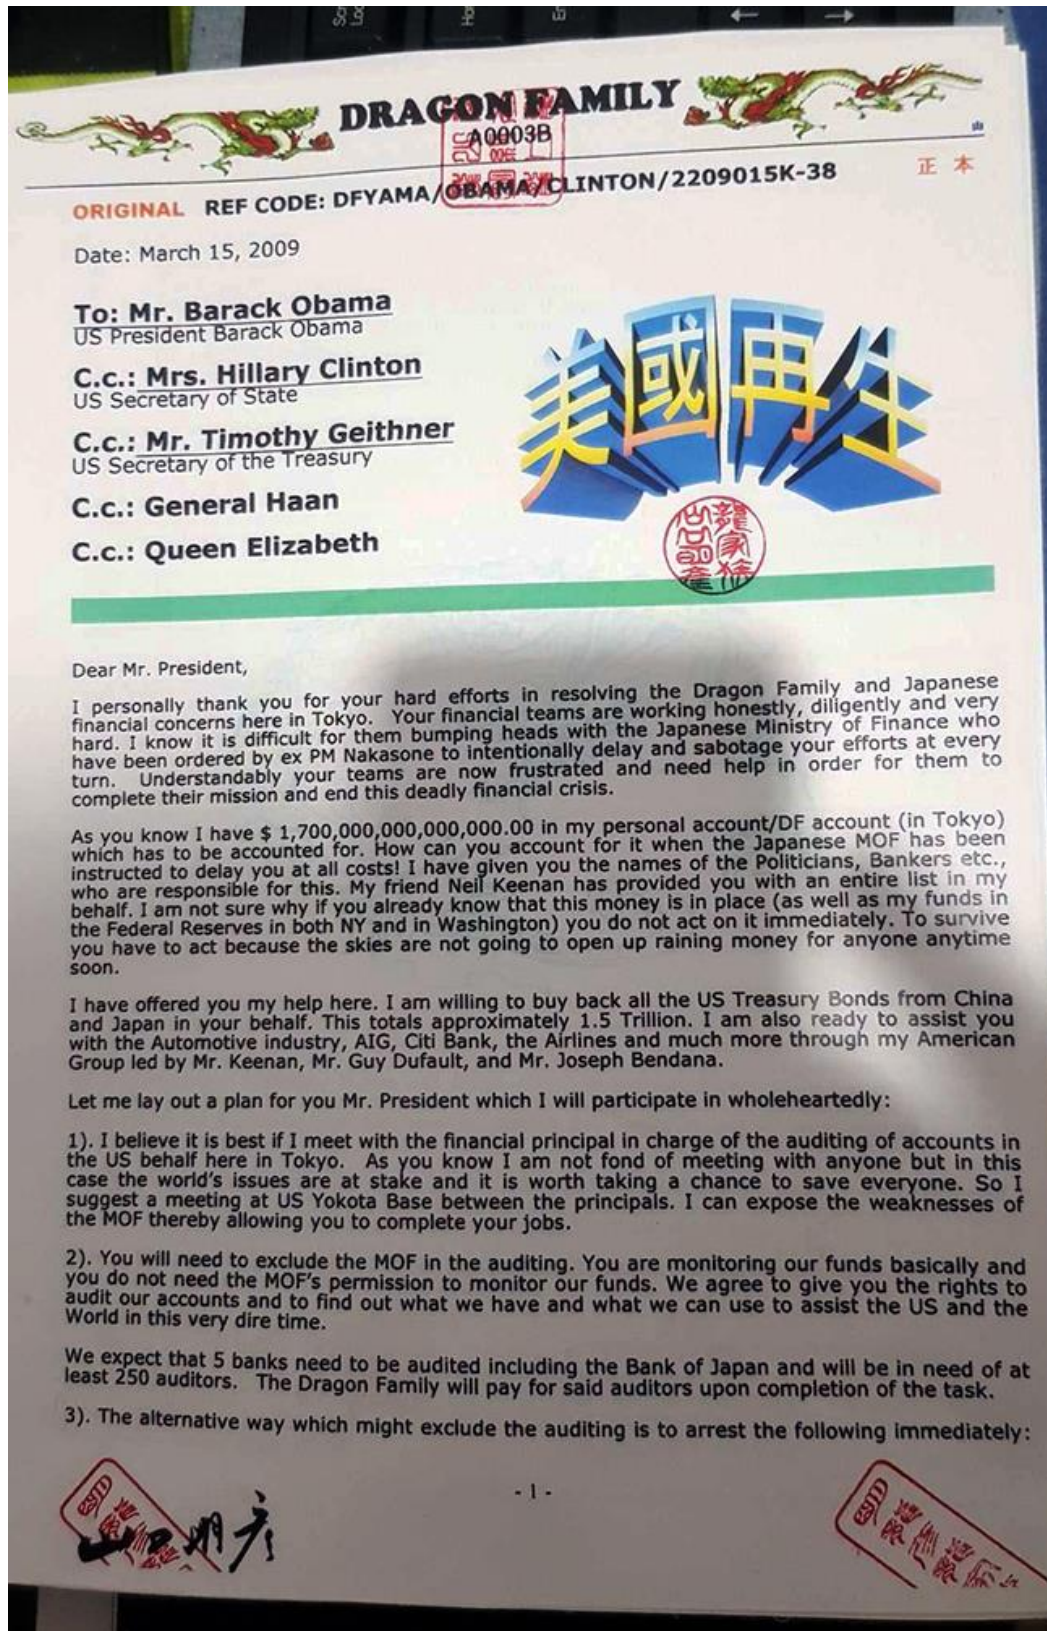

Now watch Neil's monologue closely and you will see him show on camera one of several authentic 1928 "gold coin" certificates that the Golden Dragon Family has placed in holding with the US Treasury.

Each "gold coin" is worth 10.0 MILLION METRIC TONS OF GOLD VALUED IN EXCESS OF USD \$800 TRILLION.

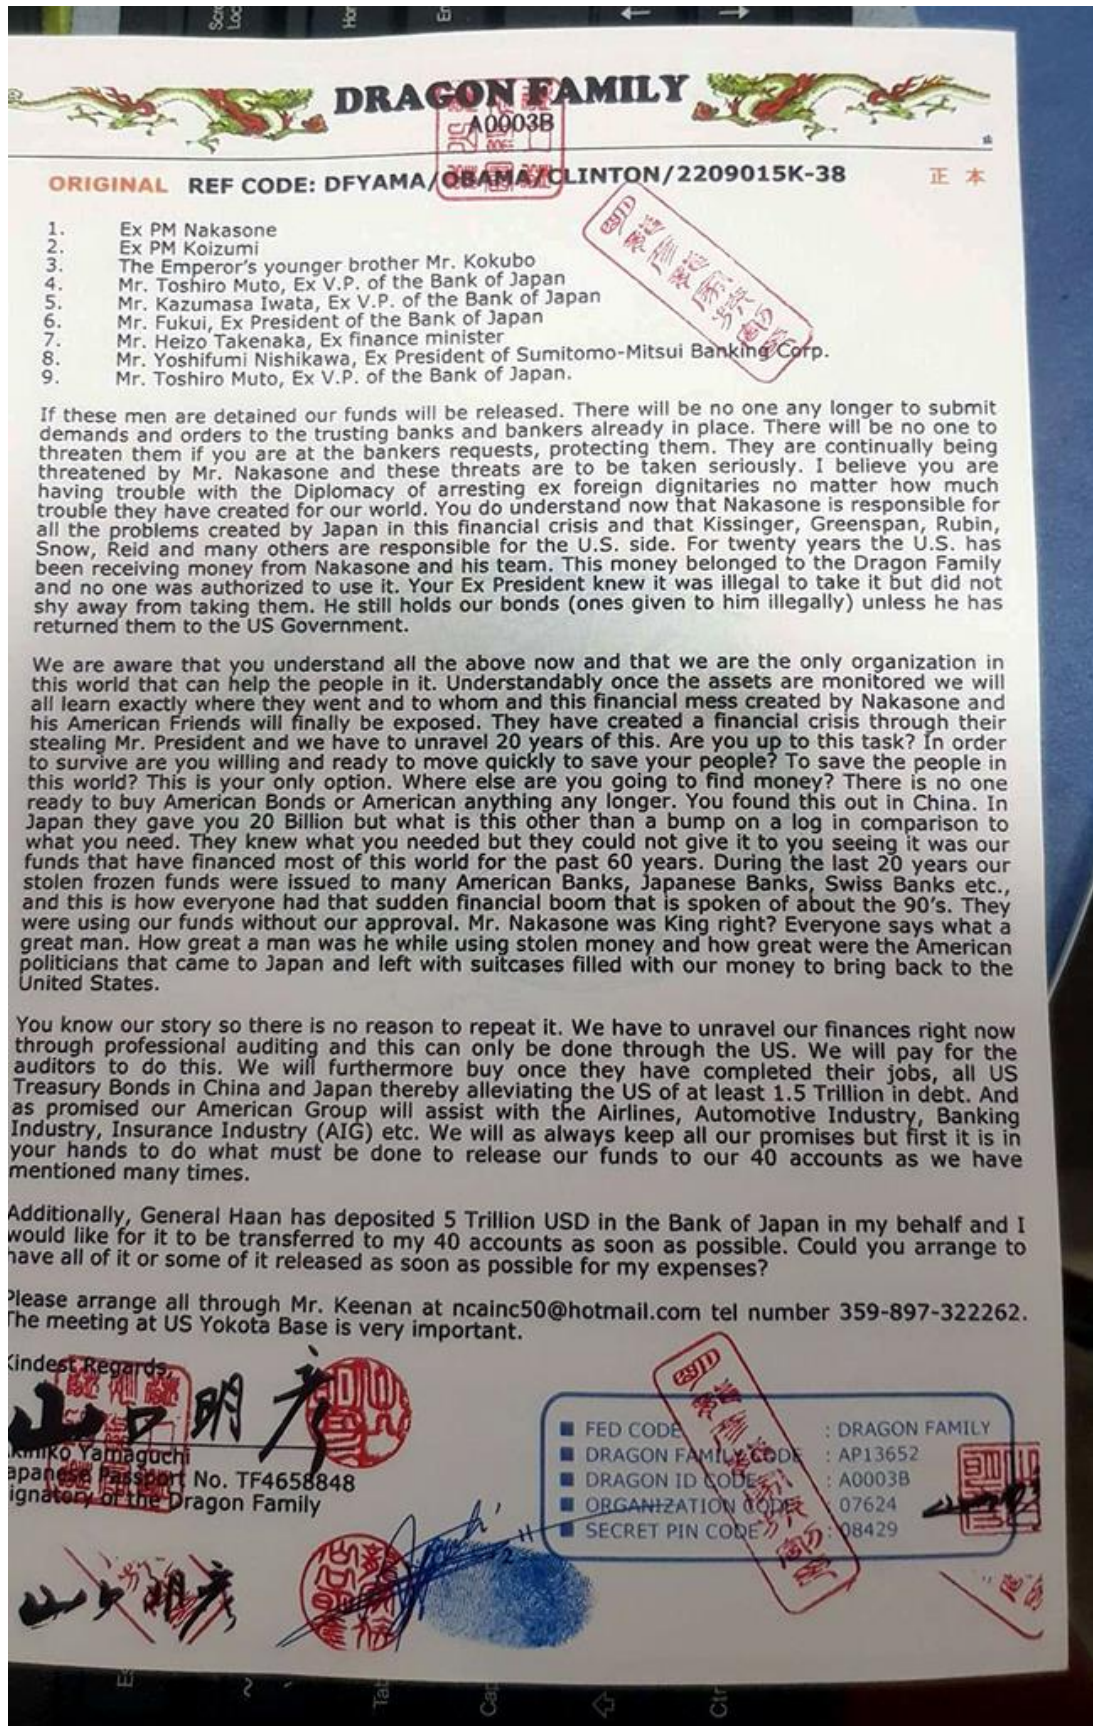

Think about that for a minute...

**This and more was offered to President Obama and VP Biden and others in 2009 to stimulate the American automotive, airline and infrastructure industries.**

This was DECLINED. Instead, the Obama / Biden Administration set about an 8-year campaign to destroy American industries, the Military and the Healthcare industry.

It should be understood that this relatively small group of Golden Dragon Family elite members essentially hold the fundamental collateral backing for the entire global financial system.

Their resources are enormous. It is estimated that 85% of the West's (Rothschilds') Global Collateral Accounts are actually owned by the Golden Dragon Family and their depositors. And that is only a small portion of their secured asset holdings.

**It should also be seen that the Golden Dragon Family is dedicated to supporting global growth and humanitarian projects. They are constantly monitoring national governments and offering assistance when and where necessary. This is now Neil's job as The AMANAHA.**

The funding of the Global Collateral Accounts after WWII and the continued support of Western financial institutions and major economic developments can clearly be seen even though Western financial fraudsters have illegally abused and usurped their authority.

**The Cabal-backed Crime Families controlling the US Corporate Government, of course, rejected the 2009 offer as this would financially and economically strengthen the US, which was counter to their agenda.**

So it is now obvious that the Rosy Boys Gang fronted by Soros, The Bush / Clinton / Obama crime syndicate and all their bought-and-paid-for politicians, corporate heads and bankster buddies – certainly don't want to let the cat out of the bag. Ooops! Neil just did that – again!

Watch and see him pull a few more nasty scratching cats out of his bag of tricks too! See for yourselves how diabolical their plans have been and will continue to be if WE THE PEOPLE allow this.

**Neil is running in parallel to President Donald Trump in unrelenting efforts to CLEAN THE SWAMP. He strongly supports the Trump Administration and behooves all who can vote to vote for the MAN.**

The humanitarian offer presented to the former US President was made by Mr. **Neil F. Keenan** and Mr. **Yamaguchi**, for and on behalf of the Golden Dragon Family. The offer was made to Corporate Government of the US and was in fact quite an easy transaction to deal with seeing the FEDs held many of the notes.

**Despite the need to take care of said problems immediately, they neglected the offer and stated that they did not want to fix the problems and that they wanted the US to fall apart so they could ride their horses into the center of it all and make claim to a new era.**

**The coming of their NEW WORLD ORDER.**

## AMANAH'S ODYSSEY | PROFILE OF VALOR & VICTOR ©

If so, then we are all dead and to avoid all this we must get out immediately and vote for our President Donald Trump.

**There are no more tomorrows if in any manner shape or form he loses. It is a must-win for we the people of this planet.**

**Neil Keenan has battled the Cabal for over twelve years and knows them quite well. They also know him.**

There are no tomorrows only todays at this point in time and you best get out and vote and be thinking of your loved ones when doing so.

If not then we cannot cry when our loved ones are taken from us by the New World Order never to be seen again.

Remember 90 percent of the populace will be eliminated and know they will do this.

**They have been doing it to us all along.**

Again there are no tomorrows only todays.

### **NEIL KEENAN UPDATE | 300 Ridiculous Accounts**

NOVEMBER 9, 2020

This past week an "It's A Keenan Thing" member sent the following link to Neil and Group-K concerning the supposedly audited 2010 accounts of the Committee of 300 which again brought into question the validity of such humongous off-ledger financial accounts. Neil has asked me to comment on this post in more detail for the edification of Group-K subscribers as I have some personal experiences with one of the primary actors:

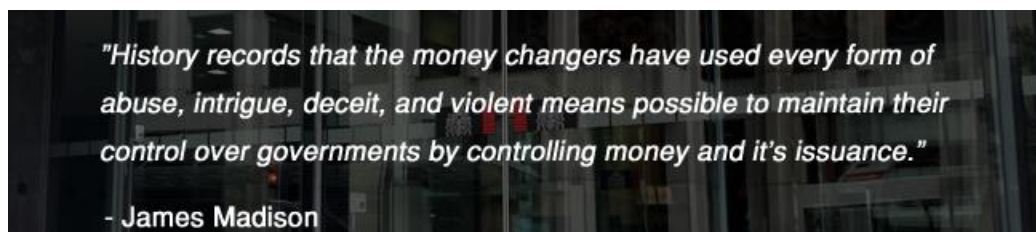

▶ [Global banking crisis? What global banking crisis? Thousands of quadrillions of hidden monies revealed to be held in multiple off-ledger black screen accounts](#)

To begin, one must first understand that the current global financial system is intentionally constructed to be detrimental to mankind, to stifle creativity through financial fear and debt slavery.

**This system is designed to enrich a very few and impoverish the rest of mankind. It is destined, as planned, to fail.**

We are at a historic turning point of a New Age where we as a collective humanity are in the process of re-defining our financial system.

## AMANAH'S ODYSSEY | PROFILE OF VALOR & VICTOR ©

Our choice is to either repeat and re-design (put a new coat of paint and a ribbon on) a financial system that is detrimental to mankind OR create a new system that is beneficial to and supportive of the creative spirit of mankind.

The AMANAH Neil Keenan and Group-K have been brought onto Center Stage in order to initiate a global humanitarian financial consciousness and to transition economic systems in all countries to be of benefit to all... WE THE PEOPLE.

It should also be clearly seen that President Donald Trump has also been brought in to move forward the global political aspects of this financial transitioning.

Both **the AMANAH and the US President are working in parallel** to expose and dismantle the old harmful system and supplant it with a new humanitarian based and “real asset backed” monetary system.

In the turbulent in-between time, you will be seeing Old Guard pundits proposing all kinds of un-compatible, non-viable financial solutions. i.e.: digital currencies, Bitcoin, resets, revaluations, Quantative Easing to infinity, negative interest rates, monetizing debt (government and corporate bonds and equity purchased by the FED and Central Banks) and Quantum Financial System, as well as more printing of worthless fiat colored paper flooding the elite controlled casinos in last ditch scamming efforts.

### See through the BS!

For Keenan followers, Neil first debunked and mentioned **Alfredo Saurin** back in the site archives in 2016 in relation to a million-ton gold heist attempt in Thailand.

In 2017 he further exposed the **Committee of 300** and their fake accounts in a posting of key excerpts from their audited accounts of 2010 and 2012. These were recently repeated and expanded upon in Neil's posting of "**Footsteps of the Amanah**" in Part 2 in 2016 and 2017.

The above article basically is a repeat of our archived posts. The author does bring to attention the question of the validity of these accounts and their incredibly large amounts which I will cover below. But first it is necessary to introduce the cast of Players. At the forefront are **Alfredo Saurin** and **(King?) Anthony Santiago Martin (ASM)**.

These two clowns were recruited by **Ferdinand Marcos**, the CIA Fake M1, to be the "signatory" Trustees for the **Committee of 300** accounts for which they were to receive in the fine print an annual fee of 1% of the annual interest due to the account holders, which they could never ever touch.

Their job was to sign documents and be the fall guys if anything went wrong. **Anthony S. Martin** was an elderly Australian that was married to a Philippine woman who was a friend of the Marcos family. **Alfredo Saurin** was her relative who had worked with the CIA and was a known master forger. Both agreed to be signatory slaves.

### **Related: Neil Keenan Update: Modern Day Pied Piper / Red Dragon Ambassador Exposed**

Mr. Martin was not the brightest financial light on the tree and he ended up being conned into signing some fraudulent documents that resulted in international arrest warrants being issued against him. He fled back to his Philippine village and died of cancer and as a pauper a few years later. This was hushed up and the CIA set about recruiting 5 Asian men to “BE” Anthony Santiago Martin.

The latest ASM has also been exposed as a fraud by Neil in relation to the 1.0 million Thai Gold deal that involved Janet Yellin (then FED Chair), Mark Carney (then Governor of the Bank of England) and the notorious **Najib Razak** (then Prime Minister of Malaysia). This ‘version’ is currently on the run and hiding in Hong Kong.

**Alfredo Saurin**—Neil called him “Freddie”—was a bit smarter and maintained his signatory position until he passed away a couple of years ago in Hong Kong. For his own protection he resided in the Thai Place grounds in Bangkok. He was the principal architect of the 1.0 million-ton Thai Gold deal that Neil scuttled in 2016.

My Malaysian partner has met with Alfredo several times as he helped Alfredo get out of a potentially fraudulent local transaction. Saurin did have both “real” funding, as well as, fake documents. In 2017 he did bring the latest **Committee of 300** accounts to a meeting and the printouts were stacked 18 inches high.

This included borrowings by virtually every major bank in every country in the world at a 2% annual interest rate, which was payable to the major Trust accounts managed by the Committee of 300, but this was most often just rolled-over into even larger accumulated compounded accounts that become so ridiculously large that they simply become un-payable.

**Remember the number 70.** I would like to regress for a moment for a little math lesson. Mathematicians look at numbers a little bit differently than do economists, business executives or politicians. They see accumulative compounding as a logarithmic scale and that regardless of whatever interest rate being used for economic growth, profit growth or loan interest rates... if you divide the % rate into **“70”** you **will get the number of YEARS before EVERYTHING DOUBLES.**

For example, if a country's GDP Growth Rate is 1% it would take 70 years for average prices to DOUBLE (similarly the value of the currency would be 50% LESS every 70 years.) If the growth rate were 2% the doubling would be every 35 years. Thus, the higher the percentage, the shorter the doubling period. Ask any elderly person what it was like 60-70 years ago, and you will hear first-hand all about this DOUBLING of prices and HALVING of currency values.

**“70” is a magic number to use to see reality. This is why the Dollar has lost 99% of its value since 1900, or why a penny jawbreaker now costs \$1.50.**

This also applies to economic development. When planners and politicians talk about community development plans and the 10% percentage growth expected over the next 10 years. Little do they realize that that will cause doubling of everything in only 7-years and that includes roads, power and water supplies, sewage and garbage disposal and an increase in population that stresses schools, healthcare and that often lacks jobs or the local industries to support the planned communities.

Now back to the Players...The article mentioned only 3 signatories to the audited 2010 accounts with the principal signatory being **Queen Elizabeth as the Chairman of the Committee of 300. The three signatories on the [2010] document was H.E. President Robert Zoellick, President of The World Bank; H.E. Vice President Lars Thunell, Executive Vice President and CEO of the International Finance Corporation; and HM Queen Alexandra Elizabeth Mary Windsor II, Chairman of The Committee of 300, The British Royal Family.**

In this World Bank **document signed in March, 2012**, there is a detailed listing for the distribution of funds to countries around the world and also off-ledger loans to banks. There were more notable signatories there... Note that if this is a fraudulent financial act, all those signatories are criminally implicated in crimes against humanity.

There are many more signatures than the first document, the same ASBLP reference on the header, and at the end, a disclaimer about signatures and accounts that are *“valid with and/or without the acknowledgement by the deceased ASM.”*

These are very impressive documents with big names and even bigger Dollar amounts, but ***the documents you see with Anthony Santiago Martin's and Alfredo Saurin's name on them are fraudulent papers.*** Ultimately, it matters not whether these UN/World Bank endorsed documents are legitimate or the signatures authentic – this is all the dictate of the **Committee of 300!** It is a scam.

Cc: Members of the Committee of 300 and King Anthony Santiago Martin

**Robert Zoellick – Then President of the World Bank and Queen Elizabeth**

**So now let us take a closer look at the Windsor Queen Elizabeth.** There is now sufficient proof that she is a “petard”, a false queen elevated illegally to that position when in fact she was born in a room over a London pub to a Palace chamber maid, that is; she is a commoner and not royalty nor are any of her offspring.

That in turn would nullify all her acts as Chairman of the **Committee of 300** and as the principal signatory to a number of major Trust accounts such as those related to **Spiritual White Boy** and others. Now that's a sticky wicket.

**The Committee of 300's shadow government world banking system, conducted across mainstream-media-invisible black and grey screens, is composed of thousands of such accounts, many of them named “White Spiritual Boy.”**

**The lead signatory for each of these accounts is Elizabeth Windsor (Queen Elizabeth II of England – HM Queen Alexandra Elizabeth Mary Windsor II).** There has been some debate as to whether or not the signatures are real or forgeries, but that is irrelevant as Queen Elizabeth is a fraud as may be the other complicit signatories.

Most, if not all the Members of the *Committee of 300*, are not the original **OWNERS** or **legal DEPOSITORS** of the funds in the Trust accounts. They may have no legal claim or rights over these accounts and many of them accrued because of the theft, mirroring and/or hypothecation of the Global Collateral Accounts in which 85% of the real assets belong to Golden Dragon Family Owners and their appointed Depositors.

***“Even if they are fake, there is still a huge gap between the amount of money that supposedly exists in the off-ledger financial system and the amount that is on the books. That means a lot of zeros will have to be erased before the off-ledger and on-ledger financial systems can be reconciled and reconnected with the real world.” Benjamin Fulford***

Fulford then displayed his shoddy journalism by slandering the Riyadi brothers, Yohannes and James, who are multi-billionaire Indonesian developers whom he says are being Freddy Forgeries. These respectable Indonesian businessmen had nothing to do with **Saurin** or the **Committee of 300**. Why would they?

**Other Pretenders...** The next Pretender is the very colorful con-man that goes by many names:

**Ernest Rauthschild aka Ernest Walker Bey III aka Ernest Walker S. Bey aka Ernest Scott Walker-Bey aka Muhammad Shabazz Farrakhan aka Pharoh Ahkenathan aka H.E. HRH Royal Prime Minister Ernest Rauthschild of the The United States of North America, The Republic of North America AND Chairman of the Royal Imperial Federal Reserve System.**

**Servicing Aborigines of North America & Asia Pacific:** Ernest Rauthschild AKA Pharaoh Akhenaten and Elissa Gobert, Rauthschild AKA Queen Nefertiti **And HE,HRH Ernest Rauthschild has issued 'Cease and Desist' orders to ALL "Keepers of the Royal Assets."**

**"Ernest Rauthschild** also claims to manage \$200 Trillion dollars in assets of those considered to be Freemasons, Illuminati, and Secret Society elitists."

“**ERNEST RAUTHSCHILD**, another Filipino as shown and identified within the photographs below and who claims to be the Prime Minister of The Aboriginal Sovereign Government of The United States of North America, as *well as* the signatory for the Global Infrastructure, Development and International Financial Agency (GIDIFA) *under* the Seal of the United Nations as a Specialized Agency *of same*.”

*“I am a Moorish-American International Businessman representing the 13-families controlling the world economy/banks. I am self-employed and own several companies including Athena Holdings, SA, SeaBey Financial Investments, LLC, and Gold Hedge Royalty. I am also Trustee of The Bey Family Trust. I also work with Central Banks, The Bank for International Settlements and Gold Bullion Banks. Most of my clients are Royal Families and High Yield Investors, which I personally manage over \$200 Trillion in Assets. I am a member of the Moorish Masonic Order; Knights Templar; Committee of 300; Tri Lateral Commission; Sovereign Church of New Zelean and 13 Family of Nations.”*

His wife's maiden name was “Rauthschlds” (not Rothschilds), which he adopted as his own name in order to con people. Ernest has also been associated with trying to take over the control of the OITC from Ray Dam and has declared himself as M1 (however, the Golden Dragon Family never heard of him and certainly would never elect him to such a position). Also, Ernest was one of the original Trustees of the CIA's 5 Star Trust used to launder huge sums of money.

Ernest was also responsible for financing the 20-year incarceration of Marion Horn in a Mexican jail, another Director of the 5 Star Trust, in order to get him out of the way. Obviously, this man is another international fraudster and has no legitimate claim to any of the Trust accounts held by the *Committee of 300*, especially those associated with Spiritual White Boy and other related accounts. This is a CLOWN to avoid.

**A Past Pretender...** The last claimant as the supposed holder and managing signatory to about 52 of these Trust accounts was **Adnan Sakli**. Adnan Sakli was a Turkish banker who supposedly amassed a huge fortune and in 1987 was the only one who had enough financial liquidity necessary to bail out the Western financial system from total bankruptcy and collapse. His concocted narrative was that his timely bailout resulted in his ownership and full control of the **Bank for International Settlements (BIS)** and control over these large ancient Trusts.

Adnan claimed that he was noted by the FED by code reference numbers 8216 and 8217 as a result of his BIS position... all BS. His public persona was that he was known as a global humanitarian, but that he was feared by corrupt bankers, politicians and businessmen as he held the global purse strings. Unfortunately, he passed away in 2014 and his authority was passed over to the Windermere Chamber of Commerce who still maintain philanthropic humanitarian projects globally on a small scale and certainly are not in control of the BIS or trillions of dollars from any Adnan Sakli Trust. He was also associated to OITC, OPPT and other nefarious scammers of that period.

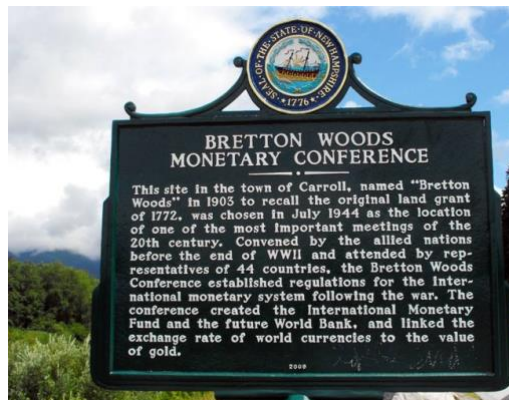

So, the TRUTH comes out and a few more scammers bite the dust...

**Now let's discuss the numbers:**

At first glance it can be seen that all Trust accounts and off-ledger loans are all in US DOLLARS. Some of the Trusts are supposed to be hundreds of years old, so, who and when were they properly audited and converted into \$\$\$\$'s at what valuation rates? Bretton Woods was only signed in 1945.

**Related: Putin's Call for A New System and the 1944 Battle Of Bretton Woods: Lessons For Victory Day**

Simply, the financial accounting foundation is shaky and flakey to begin with... as there are no proper records publicly available. This lends itself to open fraudulent valuations, ownership disputes and a host of other legal problems.

Secondly, the amounts are staggering and beyond any palpable realistic comprehension. For the FED to have a registered off-ledger US DOLLAR loan of some number with 52 ZEROS after it is totally ludicrous, particularly since global GDP is only about USD 900 trillion (12 zeros). And if you add up all the off-ledger USD loans that the **Committee of 300** annually audit and charge an annual fee of 2% on, the amount lent out plus interest is in the God zillions!

## AMANAHA'S ODYSSEY | PROFILE OF VALOR & VICTOR ©

Now, consider just WHO authorized the issuance of such horrendous amounts of US DOLLARS? GOD or The DEVIL? You got your answer. The only logical conclusion to the **Committee of 300's** claims over these Trust accounts and off-ledger loans, is that this is nothing but a **SCAM and a FRAUD... PERIOD!**

Time for a roundup by the new financial Sheriff in town...AMANAHA Neil Keenan. Yippie!

**But it should be obvious by now that such financial fraud needs to be cleaned up and brought back to a point of reality.** This indiscriminate creation of US Dollars into un-usable off-balance sheet accounts has got to stop. ZEROs only equal ZERO.

**Thus, be keenly aware during this financial transition of proposals and legislation that attempt to legitimize corrupt money. This particularly concerns new “digital currencies” and colored paper that is not supported by real assets.**

Bitcoin and its many spinoff copies issuing “digital coins” is also a classic con of limiting supply and creating an artificial ponzi demand, particularly now as major players are getting out of colored paper stocks and bonds and using their cash to push up the price of these digital coins.

The idea of having one's money outside the current monetary system and experiencing huge gains on such an investment is a greed selling point, but it is a con in the end, whether done by private or government corporations.

**So when the financial dust settles, expect reality to remain. Insist on a financial system of benefit to all mankind.**

### **NEIL KEENAN UPDATE | Now Or Never** **We're Running Out Of Tomorrows**

December 24, 2020

*"Depending upon how one views events transpiring, one is observing either an ending or a beginning. I have comments to add to the recent dissertation by "Asian Insider II" and I have been granted an opportunity here to share these with you.*

*The aforementioned made some pertinent observations, however I would argue that more complexity exists around certain details.*

*It is not to be forgotten that Mr. Keenan has been prepared on a number of occasions, to complete work with an entire tranche of bunker assets, only to have found themselves the subject of intense interference, whether from external origins or internal ones.*

*Internal house-cleaning aside, I find it perplexing that external sources of interposition remain in existence. Not only does Asia rely upon the business of Neil Keenan, but indeed the world in its entirety. It is now of critical importance that Mr. Keenan's work be completed as soon as practicable.*

*I can personally attest to the high – level operators whom Neil Keenan receives phone calls from. There exists no doubt that Mr. Keenan has the necessary contacts.*

*I shall mention no names but I have been present in the same room and privy to a number of enlightening conversations.*

*Given the seemingly infinite financial resources that will be at Neil Keenan's discretion once the bunker assets begin to be processed, the current situation seems absurd beyond belief.*

*The whole world is depending on Neil Keenan (whether aware of this or not) and yet he is left to fund the final stretch seemingly alone. And for those who know Neil Keenan, he is not about to go knocking on doors for money, that is not something that he does.*

*I do spend some time scrutinizing the internet, yet I have never found anybody circulating anything more than bullshit on matters relating to this. As "Asian Insider II" reflects, "they" serve up their grandiose fabrications but most of the content is nothing more than a distraction.*

*The key to your survival is the release and processing of the Global Accounts, concurrently with Neil pursuing the "Cabal" through the judicial courts.*

*It might not pass muster (as you can see with President Trump) but it does have the effect of "dirtying the waters" sufficiently so that millions upon millions of people are made aware of certain truths, positioning them with a mindset intent on determining the truth.*

*The so-called Cabal are in decline, not so far away from closing their doors and fleeing for their lives. Signs of this can be seen clearly.*

*Not to put too fine a point on it, but this turn of events did begin with the "Trillion Dollar Lawsuit" and the fall – out from that filing continues to this day. Mr. Keenan had the substance to file a legal action on matters that few others dared to even speak of.*

*I have knowledge that Neil Keenan is preparing to bring his mammoth efforts to maturity, although it puzzles me greatly that all things relating to this remain solely in his hands?*

*He will not speak with me about this and tells me to stay away while he works. Nonetheless, I find myself asking the same question that you ask yourselves: When?*

*I realize that Obama pilfered Mr. Keenan's accounts years ago and I am cognizant of the fact that he will pay for doing so, but the more pertinent vexation sits with us in the 'now', not the 'then'.*

*Neil Keenan has remained very quiet of late, which usually means positive developments are afoot, although maybe not in this case. Perhaps he is having difficulty in finding something or someone that is required, I wonder. In observing Mr. Keenan in the past, I noted that his left hand does not know what his right hand is doing – so why should I question him.*

*You must prevail in your Western battles, contrarily not only will your population become rapidly reduced but those remaining will be enslaved to a much higher level. This eventuality effectively constitutes a return to serfdom, revisiting a time of ruler Kings and peasants. You would owe "them" everything and "they" would hold all that you once owned.*

## AMANAH'S ODYSSEY | PROFILE OF VALOR & VICTOR ©

*If we fall short of ensuring that Mr. Keenan & Co. are propelled ahead rapidly, we shall find ourselves fighting a rather steep uphill battle.*

*We need Neil Keenan and his ability to move strategically – and he is widely considered by those who are in the know, to be the best strategist on the planet. Doubtlessly, this is what has kept him on top of all his engagements for the past twelve years. Neil Keenan, with his experience, intuition and instinct, knows what must be done and when it is time to be done.*

*Presently, we are troubled that he might be considering taking a break, although it is just as likely that he could actually be finalizing plans for what he is going to do once he gets to where he has to be.*

*I am confident to wager that someone is going to find themselves on the receiving end of a serious degree of trouble, and that President Trump would surely be more than happy to finally secure reinforcements from a very powerful ally.*

*I could posit all day about this but I am not “Asian Insider II”. My assignment with Neil was to keep him away from harm, which proved to be a challenging undertaking.*

*In my experience of Neil Keenan, he is resourceful even while under constraint. I have every confidence that Mr. Keenan will be free to move and convey for us shortly, once furtherance of the mission has been addressed.*

*The point of view of the Family is that they have assisted Neil Keenan sufficiently in their having provided him with the mandate to deal with the assets that they deposited in the Global Collateral Accounts. Eighty five percent of the contents of these Accounts were deposited by the Dragon Family.*

*The mandate, assets and accounts are in his trusted hands as he is the Amanah. We must query ourselves: Are we to continue battling on, fighting with the types of monsters we find ourselves battling on a daily basis? Are we capable of continuing to deal with such matters? I am asking you, the reader.*

*You had better start working on your inventory because when the situation explodes you will not have the luxury of being able to hide under your sofa. This is why Neil Keenan absolutely must get his work completed as soon as possible.*

*Mr. Keenan chooses his people very carefully and there will be a great number of people that he is going to require the services of “down the line”, from all walks of life. And to be honest – we are not all going to make it.”*
